Chicago Grain

dominated the world's grain markets to day, and especially brought about de-cided setbacks in wheat and corn values here. Prospective arrivals of Russian wheat at Liverpool were given as the reason for a sudden break in Liverpool quotations, with export purchases of North American wheat today almost rero. Russia was reported to have chart-ered freight room for shipments of 600. 000 tons of wheat. Closing prices on wheat in Chicago were nervous at but little above the day's bottom level 1%-1%c lower than yesterday's finish. Corn closed 7-8 to 1%c down and oats 5-8 to 1%c off.
