Salem Chamber Music Club Announces October 28 Tentative Date

PLANS of the Salem Chamber Music society are going ahead with much enthusiasm. More than half of the number of tickets which it will be possible to sell have been taken, and interest is growing with the approaching first program which will be given in the home of Mr. and Mrs. C. P. Bishop on Court street, with October 28 set as the tentative date.

Susie Fennell Pipes and her quartet have been working hard all summer and promise a delightful first program for the small group who will by necessity comprise the membership this year, as the programs are to be presented in the homes and only a limited number can be accommodated.

WONDERFUL days, the warmth of summer and the haze of fall in the air, wonderful thrill of beautiful horses in perfect action under graceful riders in brilliant habits, the zest of crowds going places, and things happening in large groups is what Salem society has to look forward to this week for Salem is the capital city and this is the week of the state fair.

Society will be mostly for those who are visiting. The college students will for the most part be gone this week-end, so that there will not even be the farewell affairs for them and the rush evening which have been felt in social whirl of the last weeks.

These young folk will be scattered here, there and yon. Some in the east, some out of the state and the greater part of the rest to Oregon State and University of Oregon.

Among those to the University of Oregon are Misses Margaret Wilson, Roberta Mills, Yvonne Smith, Kathryn Rowe, Margaret Wagner, Margaret Heltzel, Gertrude Winslow, Margaret Wilson, Helen Darby, Jennie Edith Dellsell, Maxine Glover, Kathryn Laughridge, Nancy Thielsen, Francis Martin.

Among those to go to Oregon State college are Misses Eleanor Wright, Louise MacDougal, Elsie Hemmery, Dorothy Moore, Wilda Fleener, Harriet Brigham, Virginia Holt, Margaret Engel, Grace Elizabeth Holman, Margaret Drager, Dorothy White, Esther Wood, Hester Davis, Virginia Sisson, Billie Cupper and Irma Babcock.

Among the few social things which will be events of this week will be the informal evening of cards for which Mrs. Burton Myers will entertain in compliment to the birthday of her husband, Dr. Myers.

Other things will be given in compliment to coming brides and one or two clubs will meet, but aside from this most of the week will be in honor of the fair and its visitors.

Music Groups Start Rehearsals

The first rehearsal of the Salem Civic Men's chorus will be held in the Nelson building auditorium Monday night, Sept. 29, at 8 o'clock.

The Salem Madrigal club will hold its first rehearsal in the Nelson auditorium Friday evening, October 3, at eight o'clock.

This means that two of the musical groups of Salem have been making excellent headway during the past year by getting themselves into readiness for the coming winter which promises to be the best musically that Salem has ever had.

The choruses will be assisted in this preparation by a concert artist who will sing the baritone lead. Other interesting concerts are being planned and later in the season an opera may be given.

A. A. U. W. Begin Year's Luncheon Program Saturday

AFTER the summer vacation period the American Association of University women met Saturday at the Elks temple for a one o'clock luncheon. Covers were placed for a large number of guests even though it was the first meeting of the season. Fall flowers were used to create a delightfully festive air for both the luncheon table and about the dining room.

Informality marked the whole meeting which took on the nature of a reunion after the summer vacation, and also in the business hour set the plans for the year of work which is ahead of the organization. Committee heads were introduced and each gave a brief outline of the work planned by the committee.

Brilliant Music Event Coming October 13

AN opportunity which seldom comes Salem's way will be the brilliant musical presentation now planned for October 13 at which time the Lion's club of Salem will offer the President's Own Band in two concerts, a matinee and an evening performance.

This band is the oldest military band in the United States, having been in existence for 120 consecutive years. It was organized in 1810 immediately following the moving of the capital to Washington. It has had in all, nine leaders, Tyre, Pons, Scala, Fries, Schneider, Sousa, Fanciulli and Santelmann, who after leading the band for 29 years, turned over the leadership to his successor, Captain Taylor Branson, April 27, 1927.

Known as the United States Marine band it has played as a feature of all the great state occasions in Washington. Not until 1911 did it ever leave the Capitol except on the rarest of occasions. Just now it is on a three months leave of absence and is playing on tour through the United States.

Soloists with the band will be Robert Clark, trombone; Arthur S. Witcomb, second leader; Herby Clark, coronet; Wilbur Keiffer, xylophone; Winifred Kemp, flute.

The Lion's club is sponsoring this band in the interests of better music. Low, special prices are to be set for children and the price for adults will also be reasonable to allow all of Salem to have the opportunity to hear the inspiring work of this noted band.
