Vows are Taken At Nieswander Home

The home of Mr. and Mrs. Edward Nieswander was the scene of a pretty wedding Saturday evening, September 20, at 8 o'clock, when Mrs. Millie Thompson became the bride of Eugene Doan. The impressive service was read by Reverend A. P. Layton, pastor of the First Evangelical church, with only immediate relatives of the bride couple in attendance. The rooms of the Nieswander home were beautifully decorated with large bouquets of pink gladioli, lavender Michaelmas daisies and foliage.

The bride was attractive in a smart frock of navy blue crepe Romaine, carrying an arm bouquet of butterfly roses and scabiosa. Miss Pansy Marie Nieswander, the bride's only attendant, wore a gown of grey silk lace, trimmed and carried pink rosebuds.

Paul Nieswander served as best man for the groom.

Following the wedding ceremony an informal reception was held. The beautifully appointed table was in charge of Miss Rea Mae Frost at the coffee urn, and Mrs. Paul Nieswander cutting the cake. Guests at the wedding included, Mr. and Mrs. Paul Nieswander, Mr. and Mrs. Edward Nieswander, Mr. and Mrs. L. Hill, Mrs. Marie Anderson, Paul Steven, Jr., Ellis Doane and Clarence Thrapp.

Christening Services For Barbara Kletzing

At an impressive service held today, Barbara Frances, the little two-year-old daughter of Mr. and Mrs. Ralph Kletzing, will be christened in the Leslie M. E. church by her grandfather, Rev. R. C. Blackwell.

Rev. Blackwell is well known in Salem, having served as pastor of the Leslie Methodist church, at which time he also officiated at the christening of the other Kletzing children, Mr. and Mrs. R. A. Kletzing of Portland were in attendance at the christening services.

Mrs. Emma Ure, accompanied by her son and daughter-in-law, Mr. and Mrs. Ray Ure of Portland, motored to Salem Friday to be the guests of Mr. and Mrs. Ralph T. Ure in the Royal Court apartments. Mrs. Emma Ure will remain in Salem until Sunday evening at which time she will return to Portland.

Statesman Pattern

2015

By ANNE ADAMS

This smart frock adapts the popular bolero in the styling of its bodice which crosses in front over a becoming, contrasting vestee. The sleeves, too, present the "last word" in fashion circles with their cleverly attached puffs made of the contrasting fabric. The skirt flare is joined in downward point and there are tiny back neck tucks to perfect the fit.

Pattern 2015 makes up beautifully in wool or silk... flat or canton crepe, marocain, sheer tweed, covert cloth or velvet. The trimming may be cut from silk crepe, batiste, organdy or satin. Smart color schemes are black and white, brown and beige, green and egg shell, wine and flesh.

May be obtained only in sizes 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 14 requires 2 3/4 yards of 54-inch, or 4 3/8 yards of 40-inch fabric.

DIAL TELEPHONES SIX MONTHS AWAY

The cutover to dial operation of the telephone system of Salem is tentatively set for about the first of April next year, according to C. C. Aller, Salem manager of the Pacific Telephone and Telegraph company.

"In preparing for the cutover from the present old manual plant, located on Liberty street, to the new dial system which will be housed in the new telephone building on State street, a large amount of detail work is required to make the change successfully," said Mr. Aller.

To co-ordinate the work of the different departments so the entire job may be handled smoothly Mr. Aller has appointed a committee representing the three operating departments, commercial, plant and traffic. The representatives designated by Mr. Aller are W. H. Dancy of the commercial department, C. H. Carson of the plant department, and L. E. Clyde to look after the traffic problems.

FORESTERS WILL MEET WEDNESDAY

The eleventh annual meeting of the national association of state foresters opens in Portland Wednesday, with state foresters of the Northwest acting as hosts.

The program for the first day includes a discussion of forest taxation, state parks, national survey of forest resources, Clarke-McNary cooperation and use of airplanes in forest patrol.

Following adjournment of the Portland meeting the foresters will go to Longview, Wash., where they will spend the night. On Thursday the foresters will go to Hyderwood, Wash., headquarters for the logging operations of the Long-Bell Lumber company. As a special feature of this trip the company has arranged to have a high climber top a tree. The foresters also will be conducted through the mills of the Long-Bell company.

Association members will be dinner guests of the North Pacific section of the Society of American Foresters. Five state foresters will discuss forestry in the United States at the dinner. Friday will be devoted almost entirely to field trips by auto and air. An effort will be made to show the visitors some of the scenic points of the northwest. A meeting also may be held in Seattle in case time permits.

Saturday, the final day of the convention, will be given over to a cruise of the Puget Sound country.

Twenty-two state foresters have signified their intention of attending the convention.
