# COOPERATION UPON HIGHWAY ASSURED

ROSEBURG, Ore., Sept. 29—(AP)—The Douglas county court this afternoon submitted a proposal to the state highway commission offering to co-operate in completion of the Roosevelt highway by distributing payment of its share of the cost over a six-year period.

Chairman Van Duzer, of the highway commission, indicated that if the time of payment could be reduced to five years, the proposal would be acceptable. The court agreed to meet this requirement and will forward the proposal to the commission tomorrow. If the proposal is accepted the state will take over the Umpqua highway and the county will pay about \$40,000 annually to be used by the commission on the two projects.

The Umpqua highway districts also will cooperate in the plan. The share of the county and district in the Roosevelt highway expenditure will be about \$75,000 and in the Umpqua highway about \$117,000. Douglas county was unable to enlist the cooperation of the Gardiner district.

# STURGIS INJURED IN AUTO COLLISION

G. F. Sturgis of Brooks received serious injuries Sunday night in an auto collision on the Pacific highway one-fourth mile north of his home city. Sturgis' car was hit by one driven by Charles A. Boyer of Tigard as Sturgis made a left turn to go into Brooks. In the smashup Sturgis received several broken ribs and severe bruises about the head. Howard King, 1770 South Liberty street, Salem, was riding with Sturgis and received minor injuries. The Sturgis car was wrecked.

News of the accident came to The Statesman office because of Sturgis' accident policy with the

# Mrs. Mikkleson Painfully Hurt As Auto Strikes

SILVERTON, Sept. 29. — Clifton Dickerson backed his automobile out of his garage on Pine street Saturday morning and bumped into Mrs. Hermine Mikkleson. Mrs. Mikkleson received a painful scalp wound and was considerably upset by the accident. She is, however, said to be getting along all right at the present time.  
At the time the accident occurred Mrs. Mikkleson was walking in the middle of the street with her umbrella over her head, as it was raining. Dickerson looked at both sides as he backed out but was unable to see Mrs. Mikkleson. The accident was said to be entirely unavoidable.

# CLARK LIKELY TO SUCCEED MORROW

WASHINGTON, Sept. 29—(AP)—J. Reuben Clark, of Salt Lake City, came to the forefront tonight among those mentioned as the probable successor of Dwight W. Morrow as American ambassador to Mexico.

The retiring ambassador conferred for two hours this afternoon with Secretary Stimson and under Secretary of State Cotton, laying before them a complete picture of Mexican-American relations gained from his three years as ambassador at Mexico City. He discussed with the two state department officials the question of his successor.

While there was no announcement regarding Ambassador Morrow's successor the general belief was that President Hoover is considering Clark, former under secretary of state and more recently assigned to special work for Ambassador Morrow in Mexico, for the Mexico City post.

Morrow also conferred today with President Hoover. The ambassador declined to discuss New Jersey politics while still holding his ambassadorial rank, but said an announcement regarding his campaign would be forthcoming from New Jersey within a few days.

Morrow took lunch at the White House at which time he laid before the president his views on questions pending in Mexico City.  
The resignation of Mr. Morrow it was said, would be considered immediately upon presentation to leave the candidate free to open his senatorial campaign at an early date.

# LUPER STILL AWAY, HEARING POSTPONED

Failure of Rhea Luper, state engineer, to return to Salem Monday caused the state reclamation commission to again postpone its meeting called for the purpose of considering a second audit of his accounts. The meeting had been called for last Friday, but was postponed until Monday. Governor Norblad said that it would not be held until Luper returns.

Luper left for eastern Oregon on a hunting trip more than a week ago and had intended to return to Salem last Thursday. The first audit of Luper's books showed that he had failed to credit to the state \$1800 interest accruing on irrigation funds. The second audit completed Saturday was said to have disclosed other discrepancies in Luper's accounts.

# AGITATORS FAVOR SPANISH REPUBLIC

MADRID, Sept. 29—(AP)—Minister of the Interior Enrique Arzo today said he would await a report from the prosecuting attorney before taking action against the leaders of a throng of 20,000 persons who last night held a mass meeting in furtherance of their crusade for a Spanish republic.

"I have had no opportunity thus far to study fully the speeches delivered," the minister said today. "I cannot give an official opinion now as to what action will be taken."

Fiercy denunciations of the monarchy were a feature of the mass meeting. Fully half of the demonstrators had flocked into Madrid from outlying towns, the meeting being made possible by removal of the censorship a few days ago.

All Spain today showed its excitement over the incident but there were no further meetings and no disturbance in repercussion. The meeting was orderly although some of the speeches were

highly emotional. Civil guards, police and officers in citizens' clothing were on duty, while machine guns commanded the entire assemblage.  
Not even when speakers attacked King Alfonso violently and Alejandro Leroux, radical leader, shouted that Alfonso "alone can prevent tragedies" did the officials act. Other speakers were Alcalá Zamora, liberal republican and Marcelino Domingo, the latter representing the Catalan republicans and radical socialists.
