Engagement Told At Charming Dinner

A charming dinner party formed the motif for the announcement of engagement of Miss Irene Brethaupt, daughter of Mr. and Mrs. C. F. Brethaupt to Louis E. Oberson, son of Mr. and Mrs. Henry Oberson of Mabton, Washington, Monday evening at the Alpha Phi Alpha sorority house.

The 6 o'clock dinner table was beautifully arranged in shades of lavender and yellow, sorority colors, with touches here and there of a delicate shade of green. Small bud vases were placed along the center of the table each containing yellow rose buds from which extended a lavender ribbon. One ribbon ended at the cover of each guest, and to the end of the ribbon was attached a tiny envelope sealed with a red heart; when opened, the names of the announcing couple. Slender green tapers added the final note of color to the lovely table.

Dinner guests were sorority sisters of Miss Brethaupt. The wedding, it was announced, would not be until late fall or early winter, the date not yet being definitely set.

Miss Brethaupt is a graduate of Willamette university where she was very active in all student activities as well as being a member of Alpha Phi Alpha sorority. Mr. Oberson is a member of the Sigma Tau fraternity of Willamette, a graduate of Willamette university and this past spring secured a master's degree from Stanford. He is now a member of the teaching staff of Milwaukie high school.

In addition to Miss Brethaupt the guests for the announcement dinner were George S. Slick, Margaret Warnke, Marian Mickleson, Helen Stiles, Helen Hanke, Betty Ogden, Betsy Chaney, Lois German, Irma Sawyer, Lulu Allen, Lucile Flannery, Esther McMinimee, Dorothy Rose, Eileen Cochran, Paul Allen, Miss Geneva Brethaupt, and Miss Helen Brethaupt.

Art Exhibit Sponsored By Salem Arts League

There is an interesting art exhibit at the Y. M. C. A. which is being sponsored by Salem Arts League. This exhibit is there for the benefit of the public and any one interested is invited to go and enjoy the work presented.

There are pictures from two artists. The first Ralph Gilbert, who lives on a farm north of town and who devotes all his spare time to the production of oil-paintings. Mr. Gilbert spent a winter in California studying technique. He has fair to excel all in his portrayal of Oregon scenery with its cool, hazy atmosphere. His pictures have been accepted at the Northwest Artists exhibit in Portland.

The other pictures are by George Hamilton, who was born in Seattle. He ranks as one of the outstanding artists of the northwest. His work shows superior merit in his handling of color, light and composition, and has gained for him a reputation in several fields.

After leaving school, Mr. Hamilton joined a theatrical stock company to study scene painting, which company was managed by George W. Berman, mayor of Portland. Fay Bainter, the celebrated actress, made her debut at the same time.

Art director for Pantages four years, scenic artist for Orpheum four years, scenic artist for Standard Grand Opera company and newspaper artist for Post-Intelligencer are some of the positions he has filled.

These pictures will be at the Y. M. C. A. during the month of October, and all are invited to go and enjoy them.

That's a long story, for a little start. It could be made miles longer.

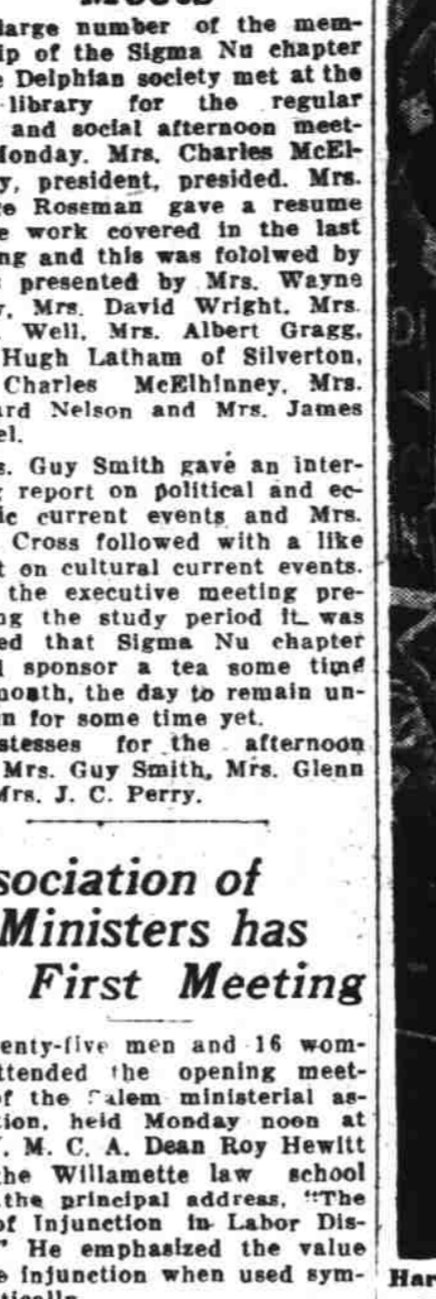

Daniel Lee was a good and useful man, and his wife was a good and useful woman. Their memory deserves much. And will have much, in the days to come. But Daniel's wife was not at the first wedding.

The table was a beautiful study in green and gold from the flowers to the glasses were used. Lighted tapers added the final sparkle of beauty to the table at which was seated Mrs. H. S. Gibe, Mrs. W. AUTO CRASHES INJURE 2 MEN

Two injuries to persons and one to a cow were recorded in five weekend accident reports filed yesterday with the county sheriff. Richard Hughes of Brooks, route one, suffered a sprained back as a result of crash with a car belonging to Clair Bernard of Marion, and a young fellow by name of Herbert, who lives on Water street in Silverton, was bruised on the arm and head when his bicycle and a car driven by F. A. Doerfler of Macleay tangled.

Hughes in his report says he ran into the rear of Bernard's car as it was parked in the center of the highway, six miles north of Salem, the impact throwing Hughes from his motorcycle. Dense fog was the cause of the accident, he says. Bernard was making repairs to his car.

Doerfler reports that both he and the Herbert boy were moving Sunday evening the same way on the Silverton-Silver creek road, and that all of a sudden the boy crossed the road to the left side, and in trying to miss the boy Doerfler's car hit the front of the bicycle.

Western Girl Made Happy

MANY times a child has everything to make her happy and still is dissatisfied. This may not be the youngster's fault. Often it is due to a condition easily corrected.

Take the experience of Mrs. Ada Beesley, 1321 West 1st Street, Oklahoma City, Okla., who says: "Nothing seemed to please Christine. She was fretful, feverish, suffered a lot from colds. She was constipated."

"Mother used California Fig Syrup so I got Christine some. It relieved her trouble promptly; made her bright and happy again. We have used it for three years."

Mother by thousands praise this pure vegetable product. Children love it. Doctors recommend it to relieve constipation, feverishness, fretfulness, headache, to open the bowels in colds or children's ailments. Appetite is increased by the use of California Fig Syrup; breath is sweetened; coated tongue is cleared; digestion and assimilation are aided; weak bowels and stomach are strengthened.

For your protection, the genuine always bears the name California.

Sore Throat?

Don't neglect a sore throat! It is uncomfortable at best, and can easily lead to something worse. Make a gargle of Bayer Aspirin. It will ease all soreness, and reduce the infection. But get the genuine Aspirin physicians endorse; look for the Bayer cross stamped on every tablet, thus:
