## HOWARD WILTON IS IN AUTO ACCIDENT

ZENA, October 20.—Mrs. Roy Kennedy of Zena received word recently that her brother, Howard Wilton had narrowly escaped serious injury when a truck struck his car, severely cutting his thumb and breaking all of the straps on his artificial limb. His car was badly damaged, the owner of the truck paying for repairs.

The accident happened in Portland near the Shrine hospital, which was providential as Howard intended to go there for an examination and in fact was on his way there at the time. The nurses of the Shrine hospital, who are well acquainted with him as he was a patient there for many months, assisted him into the hospital. Young Wilton was enroute to Vall when he stopped in Portland. He will reside with his sister, Mrs. Glenn Manser of Vall and resume his studies at a local school. Mrs. C. A. Muths of Lincoln is the lad's mother.

Zena folk are much interested in Howard as he was a student at Zena school before going to the Shrine hospital where after extended treatment his leg was amputated above the knee. He is a likeable boy and has never swerved in his determination to get an education although the odds were against him because of his health.

## VISITOR ENJOYS KEIZER SCHOOL

KEIZER, Oct. 20.—On visiting the Keizer school Monday afternoon, we found the work in all the grades progressing nicely.

In the advanced grades under Prof. Hoffer, the glorified glass pictures were begun Friday afternoon. There are 27 pupils in the room and each one is making a picture. These will be completed and will be on display for the next community club.

In the primary grades, Mrs. Arthur Holden was holding her own in keeping 20 little first graders busy.

In the third and fourth grades Mrs. Costello showed us the free hand drawing done by the pupils. This was a tree with an owl sitting on a limb and the full moon in the background, a full moon for Halloween. These pictures were then cut out and pasted on paper. Some very neat work was done by these little folk.

Mr. Palmer remained on the home farm until about 1875, when he went to Downs Station and bought the Porter place, which was then most covered with timber. He cleared practically all of the land and raised hops and grain.

Organized Bank In 1907 Mr. Palmer organized the People's bank now the First National Bank of Silvertown, he became a member of the board of directors and in 1909 was elected president of the bank, holding that position until 1915, when he resigned.
