Candidates and Political Questions Occupy all day Session of Group

MONMOUTH, Oct. 25 - Monmouth was host today to the Polk county Pomona grange for an all day meeting. The session was in the nature of an open meeting and many townspeople as well as grange members attended. All eight granges of Polk county were represented.

Speakers in the morning were Dr. Holmes and Mrs. Alexander Thompson of Portland who spoke in hehalf of Julius L. Meier for governor and Meier himself who also told of his personal qualifi-

William Delzell, democratic candidate for representative in congress spoke in his own behalf while C. C. Hulett, master of the Oregon state grange spoke for the power bill and other measures which the grange is sponsoring. The group adjourned for dinner at which the Meier party

were special guests and some 150 were served. The lecturer's hour in the afternoon was presided over by Mrs. Marie Flint McCall, state

grange lecturer. Speakers were J. R. Beck, county agent of Polk county who discussed agricultural conditions; Josiah Wills, county school superintendent, who discussed school work from a finan-

Vocal numbers were given by Billy Uttley of Brush College, ac-Crawford and James Blodgett, and by J. D. McCain of Fort Hill who was accompanied at the plano by Mrs. Marie Flint McCall. Edward L. Bailey, democratic

candidate for governor spoke in his own behalf as did G. H. Peterson of Oak Point, democratic candidate for county judge of Polk county. P. O. Powell, master of Polk

Former Student of Jefferson Author of Electrical **Engineering Test** 

JEFFERSON, Oct. 25-Arthur L. Albert, a former Jefferson boy, who is assistant professor of electrical engineering at Oregon State college at Corvallis, has just completed a scientific text book, "The Fundamental Theory companied by Hilda and Frank of Electrical Engineering," published by Ginn and company of Boston, New York and London.

> Mr. Albert, who is not yet 30 years of age, is a native Oregonian, receiving most of his education in Jeferson, being a high schol graduate of the class of 1919. He was an exceptionally bright scholar and very popular among his classmates. He also attended school in Portland before coming to Jeferson, where he resided with his parents and brothers and sister for a num-

Later Mr. Albert attended Ore-gon State college, where he re-ceived his B.S. and M.S. degrees MONTOR CONTEST in electrical engineering. The new text is a 325-page illustrated book for beginning college and university students in electrical engineering. It is one of MONITOR, Oct. 25 .- The con- a series of engineering texts be-
