

# Salem High Crushes Eugene Gridders Under 38 to 0 Score

## ROUT IS WORST IN MANY YEARS

### Deceptive Offense of Red and Black Bewilders Purple Invaders

By JIM NUTTER  
With a dazzling combination of crisp crosses, reverses and end runs, the speedy Salem high football team ran wild and with each of the first string backs crossing the goal line, defeated Eugene high 38 to 0 in the annual Armistice Day game played on Sweetland field.

Eugene was completely outclassed after the first few minutes of play and never came closer than within 30 yards of the goal line. Numerous fumbles marked the Eugene play, with Salem gaining much ground on recoveries.

Early in the first quarter Salem started a march from its own 40 to place the ball on the 15 with Sugal, Weisser and Kitzmiller in the line. The hole was made in the Eugene line by the Salem forward wall.

On a double reverse Sugal carried the ball over from the 15 and crossed the line without being touched. Sugal kicked goal for point.

The fast pace set by the Salem team was maintained for three quarters with two touchdowns scored in each of those periods. In the last quarter Eugene spurred momentarily and made a few nice gains which were of no avail, except to keep Salem from scoring in that period.

On the second touchdown Kitchen shone brightly. After being called back from a 15 yard jaunt when one of his team mates was off-side, he broke loose on the next play and wove through the Eugene line for 60 yards before he was overtaken and brought down on Eugene's 10. From there Sugal and Weisser hit the line on four successive plays with Weisser going over for the second score.

Score Salem 13, Eugene 0.

From then on Eugene could not fathom the reverses and double reverses which followed one another. Two sets of guards were used in the game by Coach "Folly" Huntington who had the guards pull out for interference on end runs and reverses. Most of the gains were made on running plays with a few timely passes advancing the ball.

Eugene completed numerous passes but most were for short gains and no sustained drives could be made by the purple.

## Stribling is Worried by Big Italian

By DILLON GRAHAM  
ATLANTA, Nov. 11.—(AP)—Arthur Dekuh, the 6 foot 4 inch Italian, held W. L. (Young) Stribling so well that the best the Georgia heavyweight could do here today was to win a comfortable decision on points in ten rounds.

The Tigerish attack which had flattened Otto von Porat, Phil Scott and K. J. Christner was missing, and the slow fight and frequent clinching by both men was boomed frequently.

Dekuh outweighed Stribling more than 30 pounds and this advantage served him well. Dekuh weighed 226 and Stribling 191.

For seven rounds Dekuh was the aggressor, with most of the fighting done in clinches. The last three rounds found Stribling forcing the fighting, striving to add the points to his long list of knockouts.

The big Italian kept his chin well protected and made Stribling shoot most of his punches to the body.

## SCHISSLER DRILLS TEAM FURIOUSLY

CORVALLIS, Nov. 11.—(AP)—Taking no chances that the reported disability of John Kitzmiller, Oregon halfback, will keep him out of the game with Oregon State here Saturday, Coach Schissler today kept his squad on the field all afternoon drilling them against Oregon plays as he observed them last Saturday at Eugene.

With the exception of Kerr, substitute halfback, the entire Oregon squad now is in good physical condition.

The demand for tickets for the game Saturday was said today to be breaking all records and plans are being made to erect additional bleachers.

**CURT COMMENTS**  
CURTIS

Maybe Salem isn't the center of the football world but it would have been difficult to convince any of the 4,000 or so out at Sweetland field yesterday that it isn't.

Eugene's big staff of big league coaches didn't worry Hollis Huntington's boys any. Shy, skout and company couldn't go out there and do the playing. Bet they wished they could.

Did you notice the time Foreman tried to hand the ball to somebody on a reverse and the other lad didn't take it? Foreman lit out all alone the other direction and did his little best—a touchdown.

We don't mind hard tackling, but we hate to see the boys trying to catch the ball carrier by the nose all the time, as those Eugene fellows did. We'll be getting downright partisan about Salem high if we stay here a couple of years more.

We hate to admit it, but the Willamette team did look pretty good in that first quarter. Anything else we'd hate to be in as an end in front of the interlocking of the hands of the boys on those off tackle smashes, Man, there was power to that!

And now for Whitman—ten days from today.

The Missionaries got around College of Idaho, so that narrows it down to three.

And now we can rest for a moment from local athletic interests and speculate a bit on the two big Coast conference games looming this weekend. Oregon apparently has hit a tough spot, losing Kitzmiller—according to Eugene reports—on the eve of the Oregon State game. It's a fact, that does give the Schisslermen a big lead. But looking over Oregon's registration totals, we just can't believe it has only one football player.

Washington State ought to beat Washington on dope, but that's no chinch either. And if Washington State doesn't, Southern Cal will be claiming that championship—you just watch. For that highly logical reason, we hope Hollingberry's side can win. They did the week as hard as Phelan's lads did last Saturday, so maybe they can do it.

## HOPPE CHALLENGES BILLIARD CONTROL

NEW YORK, Nov. 11.—(AP)—Willie Hoppe, for years king of the professional billiard players and still holder of the 18.1 balkline championship, announced today he will challenge the control of the National Billiard Association by defending this title in a special match with Welker Cochran in New York next week.

Hoppe asserted the match was designed to complete a break with the association, which has claimed complete control of professional billiards under the sponsorship of equipment manufacturers. The veteran said that in addition to Cochran, he expected to have the support of Young Jake Schaefer, the present world's 18.2 balkline champion. In the move for an independent organization.

Hoppe, Cochran and Schaefer, at various times, all have been salaried performers, playing under direction of the so-called "trust" otherwise the National Billiard Association. Recently the policy of retaining the stars on salaries was abandoned, as a result of which, Hoppe declared, the players have decided to break off relations entirely and operate independently.

They have gone to the extent of buying their own equipment. Hoppe announced, for next week's title match, to be played in 12 300-point blocks at the Strand Academy.

## Gervais Ties Silverton in Final Period

SILVERTON, Nov. 11.—(Special)—Silverton and Gervais high school football teams battled to a 19 to 19 tie in the Armistice Day game here today. Silverton was ahead in the final quarter and up to within a few moments of time for the final gun, when Gervais braced up and scored the tying touchdown.

Arbuckle, Silverton fullback, carried the ball over for two of Silverton's touchdowns and Johnson carried the other after receiving a pass.

Silverton's starting lineup included Marshall and Asburn, ends; Gerhke and Paulson, tackle; Egan and Fuller, guard; Thomson, center; Helm, quarter; Burch and Williams, halves; Arbuckle, full.

## FANS INVITED TO WORKOUTS

### Training Ends Tonight for Dundee-Borden Scrap at Armory on Thursday

Fight fans are invited to the armory tonight to see Pat Dundee and the other boys wind up their training for the fights Thursday. All of the about 100 fans will get into the ring about 7:30 and will skip around and loosen up for tomorrow night's action.

Pat Dundee who fights Chuck Borden of Eugene in the 10-round main event and Harry Plant's fight card has returned to Salem after 20 fights in California and is going to show the local fans what he has learned about fighting since he last fought here.

There is nothing to hold Pat back or keep him from making a real showing in this stiff match as he is in better shape now than he has ever seen before. Another point in his favor is his ability as an inflighter.

Borden said to be in Pink Check Borden also reported to be in the pink of condition and well capable of giving good account of himself. In a fight at Spokane last week he appeared on the semifinal which took the house by storm and overshadowed the main event.

Bobby Ambrose and Jack Young of Siletz will go six rounds in the semifinal in a rematch providing neither gets kayoed sooner. They fought to a draw on the last fight card here and stole the show with their fierce speedy battle.

Jack had Bobby down almost to the count in the last meeting and the Indians of Siletz say that he will come to Salem with one on Ambrose this time.

Dave McRae, Buddy Ambrose and Joe Fallon will all be matched with worthy opponents to make the card complete. Joe Fallon is the only doubtful one, and may not fight on account of swollen knuckles which need a rest badly. The others are all in good shape.

Tom Louttit has been secured to referee the bouts and is a master at the game.

## Great Finish Is Staged by Aumsville 11

AUMSVILLE, Nov. 11.—Aumsville high school closed its grid season Friday in one of the most spectacular endings any team could ever expect. After trailing behind for three quarters with the score 18-0 against them the boys suddenly came to life and in the last 12 minutes pushed across four touchdowns and two goal conversions to defeat Stayton 26-18.

Stayton had it all over the locals in the first half, scoring two touchdowns in the first quarter and one in the second. Aumsville couldn't seem to get started on offense and could do nothing on defense. Just what the coach said to the boys during the half time period—no one else knows but it had the desired effect. A different team faced Stayton the second half.

They played great defensive ball and Stayton had no chance to advance the ball. When they got the ball in their possession they line plunged for long gains and almost scored twice during the third quarter.

Stayton was tiring by the beginning of the last quarter but the locals were just getting started.

Aumsville's first touchdown came on drives and Johnson came up on short shots, making a good showing on his punts. Johnson got off into the rough several times but made some nice recoveries.

With advantage teetered until the 15th hole when Abt took the lead increasing it to 20 on the next hole. The match ended when the 17th was halved.

The cards:  
Johnson out . . . 753 755 556-48  
in . . . 953 766 655-52-100  
Abt, out . . . 854 768 545-50  
in . . . 754 665 554-47-97

Johnson won the right to make Abt in the finals when he beat Ricketts 2 and 1 after 18 holes of golf played Sunday forenoon. Johnson was forced to play 36 holes during the day, 27 of which were played in the rain.

Following the match, President Needham, presented the silver cup to the winner, Johnson was awarded a golf bag.

Robin D. Day acted as referee.

## Two Killed as Plane Crashes

LOS ANGELES, Nov. 11.—(AP)—Frank Fredrick, 35, pilot, and Tom Busher, 16, passenger, were killed today in the Wilmington district when their plane crashed to the ground and burst into flames.

Witnesses said the plane was flying low, when it apparently got into trouble.

## Bullpups Get Victory Over Canby Eleven

WOODBURN, Nov. 11.—Woodburn high school's second team somewhat vindicated itself here Monday afternoon and evened up the defeats of 14 to 0 by the Oregon City seconds. And the 53-0 defeat suffered at the hands of Chemawa's "B" team by taking the Canby union high school's second team to a thorough and decisive beating. Score: Woodburn 34, Canby 7.

Manley Ramezell, Bullpups' halfback, and Duncan, right guard, shared honors for best individual performances. Ramezell ripped the Canby line to shreds and skirted the ends for gains constantly. Good blocking and teamwork were also instrumental in Ramezell's runs. Duncan did a great share of the work on the line and was one of the reasons that Canby's plays through the line were usually unsuccessful. Gunther and Kenneth Evans also showed some mean ability and kept the opposition busy.

The game was Woodburn's from the start. A triple lateral pass tried by the Canby eleven was instrumental in awarding them their first score. A punt carried the Canby yard line up to the Canby 35-yard line and put them in a strategic position. Canby took advantage of the break and pushed the ball over for the touchdown and also the extra point.

The first quarter was the only period with any semblance of equality. A great part of the quarter was played in midfield, with both teams seeming to be unable to make much headway. As the time went on, however, the Canby eleven gathered momentum and drove the Canby aggregation to their own ten yard line before the period ended.

A pass to Gearin put the ball across for Woodburn's first touchdown of the game, early in the second quarter. A second assault in the same quarter, with Ramezell doing most of the ball-carrying netted the second touchdown.

Several more quarters were rolled up in the third quarter by Woodburn when after a steady parade down the gridiron, Ramezell finally broke away through tackle and legged it to the goal line.

The Evans brothers, Kenneth and Tom, both checked up touchdowns before the game ended. Straight football and good teamwork was the formula for the scores. Almost an entirely different team than started the game, the Canby eleven was now put in. Ten of the 11 were first men, all good material. Before this underclassmen's team Canby unloosened its tricky triple lateral that put it in scoring territory.

## SCHRADER WINNER IN WALKING EVENT

DALLAS, Nov. 11.—(Special)—Stepping along at the rate of 15 miles in two hours and 35 minutes, Bernard Schrader for the second time won the annual Armistice day men's walking race here today. He placed first in the same marathon last year.

First prize was \$25 cash. Douglas Miller pocketed second place money, \$10, and Almos Lee, third, \$5.

Schrader outwalked other entrants in the women's race to receive a \$10 prize. Dorothy Weaver received \$7.50 for second honors and Gladys Plummer, \$5, for finishing third.

Almos Lee, the men's walk, was three times around a loop leading to the Dallas-Salem highway to Fir Villa, then cutting across to Orr's corner and back to the courthouse starting point.

### Long Pass Scores on C. of I. When two Minutes Remain to Play

WALLA WALLA, Wash., Nov. 11.—(AP)—Faced with a scoreless tie as thrust after thrust deep into scoring territory was repulsed by penalties, pass interceptions and a stubborn College of Idaho defense, Whitman college completed a long pass in the final two minutes of play to defeat the Coyotes 7 to 0 in the annual homecoming game here today.

Applegate passed to Lindman for the extra point and the game ended on the Idaho 40 yard line where L. Anderson intercepted a Coyote pass.

Whitman surpassed Idaho in all departments of the game, completing six passes against four for Idaho and making eleven first downs from scrimmage against four. Whitman was near a score four times and just before the third quarter ended, with the ball on Idaho's eight yard line, Whitman was penalized half the distance to its own goal line for slugging.

The interception of Applegate, regular quarterback, in the closing minutes put scoring life into Whitman. On his first play he went through tackle for 35 yards. His next play, a pass, was intercepted. Whitman held and then Supton carried a long one to Lindman who took it on his finger tips and crashed over to score.

## BAKE RITE BAKERY DROP ALLEY GAME

One, two, but not three, ran the counts in City league bowling games last night. Even the usually powerful Bake Rite men failed to display skill enough to make at least one shutout during the evening. The nearest competitor, at this rate McKay's run a first-rate chance of climbing out of the under .500 class.

Elks club, cellar men, shared honors of the evening's upsets, but taking two games out of three from Commercial Body shop. Scores were considerably lower than in the first-mentioned match. Capital Bedding company also won two from Winter Garden.

Unusually high game scores prevailed. Half of the 18 totals were above 900. Hall, Bake Rite, led individual play in games and series.

Hollywood community league teams may be out tonight in league force. For the past two Wednesday nights, only two teams out of a promised six have appeared for action.
