ORANGEMEN DEFEAT OREGON'S TEAM 15-0, COUNT

KITZMILLER IS IN SHORT TIME

Bleeked Punts Lead way to First Touchdown and To Safety Score

CORVALLIS, Ore., Nov. 15.—(AP)—Dripping with mud Oregon State's Beavers today bloughed through a rain soaked field to crush the University of Oregon Webfoots, 15 to 0. It was Oregon's first defeat of the year and Oregon State's first conference victory. It was the crowning touch to Oregon State's homecoming celebration. Coach Paul J. Schlissler's men scored a touchdown and a safety, both from bleeked punts, in the first quarter. The Orangemen devoted their entire attention to holding the Webfoots from then on until the middle of the final period when Sherwood and Little broke away from a steady march down the field to the Oregon three-yard line. Little carried the ball across for the final six points. The ball was fumbled in the attempt to convert. Gun Kicks Oregon Threat Oregon's big chance to score came late in the second period when they carried the ball to the Beaver 13-yard line. John Kitzmiller, still suffering from injuries received a week ago, was sent in to punch the ball across. The Staters expected a pass but instead the Flying Dutchman plunged through center to the seven yard line. He tried the line again but was stopped. The gun ended the scoring threat. McKeip, Oregon State's stellar end, was instrumental in putting the Orangemen out in front in the first period. After five minutes of play he broke through the Oregon line and blocked Fletcher's punt which whirled out of bounds and was returned to the Staters on the Oregon 15 yard line. A pass, Burke to Moe, was successful and Moe skirted left end for the touchdown. Thompson kicked goal. Ten minutes later McKeip blocked another punt, the ball rolling out of bounds in the end zone for a safety. The entire game was a punting duel between Fletcher and Thompson. Fletcher kicked 35 times for a 28-yard average while Thompson kicked 26 times for an average of 28 yards. The Staters gained 154 yards from scrimmage while Oregon made 114. The Orangemen completed two passes out of three attempts and the Webfoots tried eight but completed only one and two were intercepted. Buerke's interception of Curry's pass in the final quarter started the Beavers on the last scoring march.

38-YARD KICK TELLS STORY "Wonder Team" has Close Call Against Huskies; Trick Play Fails

WASHINGTON, Nov. 15 (AP)—An organization whose coffee and doughnuts helped win the war will distribute the proceeds of the Army-Navy game on December 13 to the unemployed. West Point and Annapolis representatives, who met here today also agreed the cheapest seat would cost \$5 but how high the price will go and other details were left to the National Army. The Army and Navy men said there would probably be no objection if a squad of New York millionaires wish to take box seats at \$1000 or more each. "Old grads" who attended the game said the field was the "wettest and wildest" they had seen in many years. Toward the end of the game the rain clouds grew so dark it was necessary to turn on the huge arc lights used in night games. Lineup and summary: Oregon Oregon State Fletcher.....LT..... Silverton High Team Victors in Golfing Match

SILVERTON, Nov. 15.—(Special)—Silverton high school golf team vanquished the University High aggregation from Eugene here this afternoon. Oregon City high school golfers repeated their recent victory over the Silverton boys. Rains made the greens too wet for comfort or exceptional playing. LOYOLA BEATS AGGIES SACRAMENTO, Nov. 15 (AP)—Scoring one touchdown and allowing their opponents two safeties, the Loyola college Lions defeated the California Aggies 7 to 4 on a windy, rain swept grid-iron here today. Paul Fest is a six-foot husky who could not play last year on account of an operation. He and Roy Babcock, who played some last year, will battle for position at center. Leo Prang and Marion Hult have grown considerably since last year and are doing nicely. Stephen Hult will again play running guard and has plenty of size and speed. Cecil Crawford, speedy forward and high scorer from last year, will return, and is learning more new tricks on offense. Two more men who played some last year are Albert Wieman and Eugene Rankin. High schools and town teams will be played and the season will reach its climax when the California School for the Deaf from Berkeley is met here.

LESIE'S LADS HALT INVADERS Roosevelt Junior HI Takes First Defeat by 7 to 6; Line Plunging Wins

Water, water everywhere and more coming down was the situation on the Leslie athletic field as the Leslie grid machine hit its stride to defeat Roosevelt junior high of Eugene 7 to 6 Saturday. Gurnee Fleisher's warriors who could not make their plays work against Parrish, started clicking yesterday and now repeated gains through the Eugene line. Slowness in starting which had previously marked the Leslie playing was replaced by quick get ways and hard driving. Roosevelt, led by Rickabough, midget quarterback, worked the ball up to the ten yard line and then scored when Rickabough received a lateral pass and romped over the goal line. The locals scored first with a series of line plunges pushing the ball in nearer and nearer until Elliott ended the pilgrimage by carrying the ball over on a line smash, "rice" Burns hit the line for two yards to bring the extra point. Both Teams Fumble The second quarter brought the Eugene touchdowns on the lateral pass play. A few fumbles on both sides occurred this period and recoveries were about even. A partially blocked punt gave Eugene the ball on the Leslie 30 yard line and a wide end run put the visitors in position to work the lateral pass. With the ball heavy from being in the water almost constantly, the Eugene boys were unable to convert the kick for extra point. The score remained 7 to 6 for Leslie, to reverse. The man coming around was in the clear and would have probably scored but signals were mixed and the other halfback did not hand him the ball. Roosevelt has defeated Roosevelt junior high, Colliage Grove junior high and Wilson junior high of Eugene all by large margins and were undefeated previous to meeting Leslie. A return game will be played until next year. The game was clean though played in the mud and good spirit was shown. TIGERS LOSE THRILLER 74-March in Last Quarter Just Halted BOOTH'S TOE IS WINNER

By TED VOSBURGH Associated Press Sports Writer PALMER STADIUM, Princeton, N. J., Nov. 15 (AP)—Out of the wreckage of a dismal season, Princeton's down-trodden football team fought its way to the threshold of glory today only to be turned back by the narrow margin of 10 to 7 in the 50th annual game with Yale. While 60,000 enthusiastic spectators stared in amazement and howled themselves hoarse, Princeton, which has not won a major game in two seasons out-gained and outplayed the Elis. Able Booth and all, throughout most of the game. Halted Green Upros Halted Green Upros Smashing through the mist and rain of a dreary day, the inspired Tigers led by the sensational back, Trix Bennett, tore off 74 yards in a great march in the final moments of play. But the touchdown that would have produced perhaps the greatest upset in the history of Yale-Princeton football was averted when Bennett's plunge on fourth down was checked on the Eli two-yard line, a few inches short of a first down. Yale won by the narrow margin of a field goal, drop kicked in the first period by Booth as he stood on the Tiger 20-yard line. Thereafter Princeton forged ahead through a touchdown by the brilliant Bennett in the second period which gave Princeton a 3-0 lead. Then, with Booth and most of the other regulars on the bench, Yale took the lead which won the game. SILVERTON, Nov. 15.—With two more games of football in the offing—one with Woodburn and the last with Independents on Thanksgiving day—there is already rumor of basketball abroad. Invitations from Silverton went out Saturday to a number of schools to take part in a basketball invitational tournament at Silverton on February 13, 13 and 14. Last year such a tournament was held here very successfully. Silverton's open dates for regular games are being rapidly filled and the entire schedule will in all likelihood be out by Thanksgiving time. Prospects for a good season is seen by Harold Davis, who has been coaching football and will also coach basketball. Arbutck, F. Johnson and Green, Silverton's mainstay of last year, are all back again. Three other players with experience last year are also lining up. These are Kalin, Burch and Staynor. New material, according to Mr. Davis, also has good promise. Practice will begin in earnest on November 24.

This organization will be separate and independent from other athletic groups within the state, and will tend to bring together the larger schools of this section of the valley. Trophies for the four major sports, football, basketball, baseball and track, will be put up within this four-corner group. Each school will send immediately to Princeton Fred Wolf of Salem high \$10, the fund to be used for purchase of these trophies. The Cardinals scored four times in the final period, all on long forward passes. Sam Eastman, diminutive engineer halfback, provided the biggest thrill of the afternoon, when he took a lateral pass from Bennett, and dashed 55 yards through the entire Stanford team to a touchdown. Dickey converted with a place kick to give Cal Tech a one point advantage.
