**SCHOOL CENSUS IS AS YET INCOMPLETE**

Whether or not Population Will Show Increase is Problematic

Whether or not Marion county's school enumeration now being completed will show an increase is a matter subject almost to flip of a coin, so far as can be determined from census reports which have been checked.

At Silverton, there is a gain over last year, with 1219 reported this year as against 1179 last year. West Stayton also reports a nice gain, with 132 this year as compared to 104 last year.

Rosedale Slumps Large Rosedale dropped almost a hundred per cent, with 78 on the roll last year and only 37 this year. A similar situation is reported for Talbot, which has 37 this year and had 51 last year.

Scotts Mills enumeration shows a nice gain this year, with 115 as against 90 last year. The Salem Heights district has lost some school children, with 168 on the count just completed, as compared to 183 a year ago.

Neither the Elkhorn or Bridge Creek districts had any school children residing there when the census was taken. There were none in the Bridge Creek district last year either, and the Elkhorn district had but four.

**K. Bishop is on Culver Team in Big Benefit Mix**

K. Bishop, Salem youth, was one member of the winning Culver Military academy which Saturday defeated the St. John's Military academy team on Soldier's field, Chicago. The score was 19 to 0.

The game was staged before 40,000 people, proceeds going to charity. Bishop has been at the eastern school for several years.

Four governors of eastern states and the national commander of the American Legion together with four state legion commanders attended the affair.

**Church Passes Resolutions to Praise Paper**

The Leslie Memorial Church Brotherhood, at its meeting Monday night, passed resolutions commending "The Oregon Statesman" for its editorial stand on current issues, especially as regards moral and prohibition questions.

An interesting program was carried out at the meeting, with a round table discussion developing ideas on how each member could further interest in the church.

**GEM BLAMED?**

Mrs. Edward B. McLean, wife of the millionaire publisher, one of the capital's outstanding hostesses and owner of the famous and "unlucky" Hope Diamond, is suing for \$10,000 monthly maintenance and their children. The famous diamond, which is shown here, is supposed to be cursed and all of its owners for the last century have been the victims of bad luck.

**P. T. A. MEETS**  
 MONMOUTH, Nov. 18.—Monmouth's Parent-Teacher-November meeting was held Thursday evening in the training school, and featured a pot luck supper.

A large attendance was present, this being the first social meeting of the year. Program numbers included a clever skit by first grade children and a talk by Miss Lucille Wall, primary teacher. Mrs. F. E. Chambers, president, presided.

**GOING TO IOWA**  
 SILVERTON, Nov. 18.—Father A. J. Tolly, who has been the guest of his cousin, Rev. J. Scherbring at Silverton since early autumn, has returned to his home in Iowa. Rev. Tolly came to Oregon not only to visit his cousin but to improve his health. When he returned to his own state he expressed himself as very pleased with the Oregon county, and greatly improved in health.
