county, \$190.25. George W. Cherry, democrat, for district attorney, Wallowa county, \$56.75.

Oregon now has approximately 30,000 unemployed and this number will be increased to 40,-000 by January 1, according to C. H. Gram, state labor commissioner, who recently completed a statewide survey of labor condi-

Gram sent a questionnaire to the officials of 36 towns and cities in Oregon outside of Portland, with the request that they estimate the number of unemployed. Bend replied that there were 2500 men out of work there at the present time, according to Gram's records.

Estimates of the number of unemployed in other towns and cities in Oregon, outside of Portland, follow:

Albany 150. Baker 300, Corvallis 92, Forest Grove 200, Grants Pass 200, Heppner 50, Klamath Falls 500, LaGrande 250, Medford 300, Marshfield 200, Oregon City 300, Pendleton 100, Reedsport 50, St. Helens 200, Silverton 200, Toledo 100, Vernonia 100, Wallowa 50, Waldport 200, Burns and Clatskanie reported a surplus of labor but failed to send in any figures. Gram said most of the unemployed are in Portland.

Of Butter Weak

PORTLAND, Nov. 20-(AP)-Wholesale butter and egg quota-tions were unchanged today. Butter tone was weak with opening demand slow. Egg tone was steady on rather light offerings of fresh apples while storage stock sold at irregularly shaded questions. quotations.

Wholesale fresh fruit and vegetable trade was more active under influence of the approach of Thanksgiving. Steady prices ruled for most lines. Conditions in the trade were reviewed by the government market news service as

Trading in fresh fruits and regetables from outside districts is showing a distinctly improved tone, compared with October's business. Decline in volume and variety of local produce, with cor-responding increase in distribution of California's products, together with the traditional Thanksgiving buying, accounts for this improved condition.
