

MONMOUTH CIVIC CLUB ENTERTAINS

Independence Club Guests At Meeting; Elizabeth Lord is Speaker

MONMOUTH, Nov. 24 — Monmouth's Civic club members were hostesses to the Independence Civic club women at the regular meeting Saturday afternoon from 2 till 4 o'clock. At the business session, announcement was made that the deed to a piece of property recently purchased by the club was ready for presentation to the city. The first draft of an ordinance, to be passed by the city council, designating contiguous tracts of land to be used for a city park under direction of the Civic club of Monmouth, or its possible successors, was read and commented upon as the principal business measure of the day.

The program featured an address by Miss Elizabeth Lord, garden architect of Salem, who presented constructive plans on the artistic and practical location of trees, shrubs, flowers, walks and pools for various types of settings. Many charming illustrations and plan outlines picturing well balanced arrangements, helped her listeners to visualize the applicability of her designs. Miss Margaret Slusher, of the department of music of the Oregon Normal school, pleased with two vocal numbers, with piano accompaniment by Mrs. J. S. Landers.

A social tea followed the program, at which Mrs. A. B. Moran and Mrs. E. C. Cole poured, assisted by Miss Ida Mae Smith and Mrs. Inez Miller.

The Legion hall was charmingly decorated for the occasion with beautiful home grown chrysanthemums in a harmonious range of colors, which were presented especially for the pleasure of the Civic club by Mrs. George Wait of Rickreall.
