V. Eschen - Savage Nuptials Quiet Ceremony

Miss Nancy Belle Savage, daughter of Mrs. Elizabeth Savage, became the bride of Ellis Von Eschen, son of Prof. and Mrs. Florian Von Eschen, Monday night in a beautifully impressive and simple wedding at 8 o'clock in the home of her mother on Garden Road. Rev. Fred C. Taylor of the Rose City Park Methodist church read the service before only immediate relatives and close friends.

The solemn vows were pledged before a beautifully arranged altar formed by the fireplace which had been banked with ferns and palms. On either side of the fireplace stood great baskets of yellow and white chrysanthemums and from the mantel the soft light of white tapers burning in a brass candelabra shed their glow over the wedding party.

Mrs. J. W. Savage played softly as the bridal party took its place before the altar. The bride, who was unattended, wore a poude blue gown of Elizabeth crepe, made with tight bodice, full skirt which swept the floor, and trimmed with velvet and a huge bow at one side, the ends of which fell in streamers to the floor. She carried a shower bouquet of bride's roses and lilies of the valley.

Following the wedding ceremony an informal reception was held in the Savage home. The service table, where Mrs. J. F. Billeter poured, was centered with a low crystal bowl arranged with yellow rose buds and small yellow button chrysanthemums. Yellow tapers flanked this.

Mrs. Lars Bergsvik cut loaves, and Mrs. B. J. Ramseyer, Mrs. A. P. Ramseyer and Mrs. Al Rasmussen and Miss Mabel Savage, sisters of the bride, assisted in serving.

Mrs. and Mrs. Von Eschen left immediately for a two weeks trip in California where they will spend Thanksgiving day with Prof. and Mrs. Florian Von Eschen at Mercede, where Prof. Von Eschen is a member of the staff of the Junior college there. Following their return to Salem, Mr. and Mrs. Von Eschen will be in their new home on Kingwood Heights.

Both Mr. and Mrs. Von Eschen have attended Salem schools. Mr. Von Eschen graduated from Willamette university where he was a member of the Alpha Psi Delta fraternity. Mrs. Von Eschen has for the past several years been a member of the staff of secretary of state's office.

Mrs. Von Eschen wore a black and white going away ensemble with accessories to match.

"Today but few people realize the potential value of intense scientific research work, particularly when carried on by successful corporations with ample capital at their disposal. I do not smoke; but a perusal of the reports made to you by qualified experts indicates that your use of the Ultra Violet Ray in connection with your Toasting Process, in the manufacture of Lucky Strike Cigarettes, thereby removing certain irritants which might otherwise be present in tobacco, has opened a new era for common-sense smokers."

Everyone knows that sunshine mellow—that's why TOASTING includes the use of the Ultra Violet Ray. LUCKY STRIKE—the finest cigarette you ever smoked, made of the finest tobaccos—the Cream of the Crop—THEN—"IT'S TOASTED." "Cheapness" is contagious

The finest things usually come from those who make fine things exclusively. Schilling makes only fine coffee—so can anyone else—but only Schilling does it.

Cheap coffee never enters nor leaves the Schilling roasting rooms, for Schilling believes that "cheapness" is contagious

the quality you would insist upon if you knew all of the facts.
