Nice Sum Raised for Benefit of Local School Recently

ROBERTS, Nov. 24.—The school entertainment put on at the Community club Saturday night was attended by a capacity audience. The very clever program centered around the health training taught in the school. Benny and Lewis Salchenberg dressed as hermits of health acted as curtain boys. The program follows:

Demonstration by the primary pupils, "The Three Goats"; song, "Swinging in the Hammock," Rose Anne Goodrich, Francis Blankenship, Dora Hansen, Buddy

Zielke and Harold Foster; song, "This is the Way," primary pupils; song, Veri and Charles Tingley; skit, Mother Goose, and her children on health, by primary room; play, "The Toy Doctor," fifth grade pupils; song, "The Old-Fashioned Toddle Brush," Naomi Crouser; reading, "The Cow," Oscar Hansen; song and exercises by six Japanese girls in costume; play "Soft Soap," by pupils from the older grades.

The next part of the entertainment was the auctioning of the baskets, which were many and varied. More than \$31 was realized from the sale and will be used for buying school equipment. Mrs. Minnie Beckett and Mrs. Helen Larson are the enterprising teachers of the school and are planning to purchase several much needed articles, among which is a pair of scales.

Koy Rice, president of the Community club, announced that the picture donated to the club by Mrs. Alice Coolidge will be given out at the next meeting, December 13.
