PLANE FALLS

-Less than 40 miles from San Diego, his western goal in at-tempting to establish a new junfor transcontinental record and with a two hour margin over the present mark, Gerald Nettleton, 20, Toledo, Ohio youth "bailed out" of his monoplane coupe ten thousand feet over Pine Valley this afternoon and floated gently to earth at the end of a parachute. The plane crashed to earth about a mile from where Nettleton landed.

Except for being rain soaked and severely cold, young Nettle-ton escaped unburt. The place where he landed was near a ranch house a quarter of a mile

morning at 11:15.

Chimney Fire — Firemen were called Thursday to 422 South High street to a chimney fire. The time was 7 o'clock in the morning.

Recovered Auto — Police Chief Frank A. Minto recovered an auto at the corner of Court and High streets that was stolen in Portland, November 19.

"The weather was so 'soupy' —rain, fog and snow—was so bad I couldn't see ten feet." Nettleton' said after being brought into San Diego tonight. "The instruments 'froze' and since I couldn't see there was only one thing to do and that was to jump. I fought the weather as long as I dared. I hated to leap, but that was my only alternative. So I leveled the plane off, cut the switch, closed the throttle and rolled out the door.

bad the weather was."

Party Advantage Secondary To National Welfare. Says McDuffie

WASHINGTON, Nov. 27. — (AP)—The assertion that regardless of the causes and responsibility for existing distressing condi-tions in the country, the leadership of the democratic party "is more interested in the national welfare than in seeking party advantage", was made today by Rep. McDuffie of Alabama.
"In this crisis," the assistant

majority leader in the house said, "a broad national vision rather than a local or selfish one is needed and democrats will, as they have in the past, put patriotism above partisanship." McDuffle said he could not construe the statement of a group of democratic leaders and more recently by Jouett Shouse, chairman of the democratic nashirk duty or to avoid a single

responsibility". "Neither do I think the statements were intended to be apologetic, for democrats never apologize for victory," he said. "The leadership of our party is proud of, and will gladly seize the opportunity to serve the country. This they have done well in the

"In this time of nationwide distress, and trying conditions, of course, the leadership of the democratic party is more interested in the national welfare than in seeking party advantage. sia. bility and the causes for these conditions, democrats are now, as they always have been, ready to urge and support every sound and constructive measure for the quickest possible relief." McDuffie said there are those

same period. Bend and Astoria

The city of Bend reduced its bonded indebtedness approximately \$100,000 and its warrant indebtedness \$11,000 during the two years. Its tax levy was reduced from 102.3 mills to 88.6 mills. At the same time the city increased its sinking fund from approximately \$50,000 to \$162,000, together with an in- fields

Larger Ones, Salem Included, Raise Ration; two Make big Cuts

Incorporated towns and cities n Oregon on July 1, 1930, had bonds outstanding in the amount of \$85,342,233.07, as compared with \$79,344,062.14 on July 1, 1928, according to a financial statement issued here recently by T. B. Kay, state treasurer. This represents an increase of

approximately \$6,000,000. The warrants outstanding on July 1, 1930, were only \$2,425,669.86, as against \$4,148,016.90 two years ago. The total debt, consisting of bonds and warrants on July 1, 1930, was \$87,767,902.93. as compared with \$83,492,079.04 on the same date in 1928. During the two year period sink-ing funds had increased from \$8,807,860.90 to \$11,086,055.40. Deduction of the aggregate sinking funds from the total indebtedness leaves a net debt on July 1, 1930, of \$76,681,847.53 against an aggregate assessed valuation of \$532,642,079 as compared with a net debt of umphed by a majority of 65 to-\$74,684,218.14 and an assessed night when a vote of censure on valuation of \$529,642,953 in its conduct of the Imperial con-

The average ratio of indebtedness to assessed valuation on July 1, 1930, was 14.40 per cent the Soviet authorities, calls for 1928. Most of the increase in indebtedness was attributable to packing plants. All must be bond issues of the larger cities Portland Ratio

Remains Static The bonded indebtedness of the city of Portland on July 1, 1930, was \$49,389,125.13 as compared with \$45,201,706.01 on July 1, 1928, but during the two year period warrant indebtedness was reduced from \$2,-222,464.13 to \$486,132.36. This resulted in a total debt of \$49,-875,257.49 on July 1, compared with \$47,513,170.14 two years ago. An increase in the sinking fund from \$5,448,-055.66 to \$7,074,585.64 left the Meat has not been an important part of the Russian diet, he compared with \$42,065,114.48 on

The increase of the assessed valuation of the city from \$342,-908,795 to \$347,227,420 equalized the increase in inebtedness so that the debt ratio was virtually the same as it was two years

With Communists Cities that have made note-worthy progress in the reduction of indebtedness during the past two years are Astoria, Baker, in debt reduction of the larger cities are Astoria and Bend. The city of Astoria reduced its

indebtedness \$198,814.35 and its warrant indebtedness \$121,-260,40 during the two year period. The reduction is not prop-erly reflected in the debt ratio the reason that the assessed valuation of the city declined approximately \$500,000 during the

Make Reductions

valuation. This change resulted thus escaped injury.

in a reduction of 5 per cent in its total debt ratio from the ratio of two years ago.

The total tax levies of the various cities and towns range from about 35 to 115 mills. Of the larger cities, Pendleton, with a combined levy of 39.3 mills for the year 1930 appears to have the lowest levy. The city of Vale has the highest tax rate with a levy of 115.7 mills. Prineville is a close second with a ville is a close second with a levy of 107.1 mills. The latter

100 mills.
During the past two years a few of the smaller towns have had difficulty in meeting their bonded obligations but they have since voted to refund the bonds on a basis which should enable them to pay them off in the future. The state treasurer has assisted the cities in so far as possible under existing laws and has found that in most cases the cities have ben willing to cooperate to the limit in refunding their bonds as well as in reducing their overhead expense.

Water Power Development Coordination to That end Recommended

WASHINGTON, Nov. 27 -(AP) Control of water power developments primarily by the states was urged today by Secretary Wilbur to end confusing du-plication of authority with the

federal power commission, In his role of chairman of the power commission, the interior secretary said state and federal agencies should find a basis whereby they may supplement each other or elements of conflict might impede desirable de velopments. He advocated such coordination

as the administrative policy of the commission in his annual report, which cited complaints from the states that the government was encroaching upon their rights with resultant snarls in jurisdictional questions.
"The government has the principal obligation in safeguarding

fected by water power projects, but in other respects control is largely a matter of state inter-Activities of the commission have been concerned mainly with western states, with few of the 449 projects licensed east of the Mississippi, California accounting for a third and the three Pacific

coast states having approximately half the total. In 27 states there are no plants operating under the act.

PIRANDELLO PLANS NEW BOOK

Pirandello, the world-famous Italian dramatist, plans to write his master piece, a novel called "Adam and Eve," according to see it and could therefore take his announcement made recently. He estimates that it may take him ten years to complete it. In his story Adam and Eve "That this house censures his will not be the first man and majesty's government of the woman on earth, but the last, united kingdom for its failure an earthquake having destroyed to formulate any effective pro- every other human being.
