

Kitzmiller Named by Sports Writers as All-Coast Fullback

3 W. S. C. 'ERS ON STAR TEAM

Southern California Ranks First With 4 Members On Tiptop Squad

SAN FRANCISCO, Dec. 4.—

(AP)—Washington State, Pacific coast conference football champions, placed three men and University of Southern California four on the Associated Press' sixth annual all-coast football team, makeup of which was announced tonight.

The team is the consensus of 18 authorities—sports writers, conference coaches, game officials, and football broadcasters.

Oregon, Washington, California and St. Mary's each landed one player on the first team lineup. On the second eleven Washington State, Stanford, Southern California, St. Mary's and Oregon State each gained two positions, with a Santa Clara man completing the selections.

Decisive Vote Given Except in one instance, those named were voted in decisively. The only position in which a contest developed was a halfback berth on the second squad, with Fred Stennett of St. Mary's losing out to Carl Ellingsen of Washington State.

Mel Hein, Washington State center, and Garrett Arbelbide, U. S. C. end, were the most popular players in the balloting, each receiving all but one vote. Facing Supreme Efforts

By HARDIN BURNLEY

HOWARD JONES.
SOUTHERN CALIFORNIA COACH, WHOSE TEAM FACES THE NOTRE DAME STEAM ROLLER.

HE HOPES TO STOP THE ROCKNE AVALANCHE!

SPORT BUG.

© 1930, King Features Syndicate, Inc. Great Britain rights reserved.

RED-HOT partisans of Southern California still insist that an erratic official cost the Trojans a triumph over Notre Dame at Chicago last year. As it was, Knute Rockne's Nomads skinned through with a 13-12 victory. Tomorrow at Los Angeles, the Southern Californians will seek revenge with a team rated even more powerful than last year's Trojans. And Rockne will counter with what many experts consider to be "the greatest of all Notre Dame machines." What an exhilarating tilt of 1930's grid gods that game should produce! The season's "song of songs"!

Monmouth Opens Quintet Season Against Alumni

MONMOUTH, Dec. 4.—(Special)—Monmouth high school basketball season opened here tonight when a boys' team and a girls' team played similar alumni teams. High school boys won 21 to 13 and girls lost to the alumni 21 to 43. Madeline Riley was high scorer for the alumni. This team is largely composed of high school graduates who are now attending the normal school.

Promising material was seen in the boys' game but playing was ragged, because of lack of practice. Hockema was high scorer.

President 'Phil' Team is Stricken

MONTECAL, Dec. 4.—(AP)—The baseball world today lost one of its leading figures, William Frazer Baker, president of the Philadelphia National league club,

to the national football championship at stake! Though Washington State beat the Trojans, 7-6, in an early season game, most experts agree that Southern California now is the best team on the Pacific Coast, even better than the Cougars who conquered them by that 1-point margin. With that lone exception, the Trojans have devastated all other opposition. They have faced even more powerful than last year's Trojans. And Rockne will counter with what many experts consider to be "the greatest of all Notre Dame machines." What an exhilarating tilt of 1930's grid gods that game should produce! The season's "song of songs"!

All-Star Teams Chosen From Willamette Co-eds

The girls' interclass basketball series ended in a three way tie at Willamette with the freshman, junior and senior classes each winning two games and losing one. An all-star team was chosen from the various teams by "Spec" Keene, "Les" Sparks and Professor Jones. Burns Brown, junior, and Dorothy Fisher, senior, were chosen forwards. Rosalind Van Winkle, senior, received the honors at center. Isabel Morehouse,

who died of a heart attack in his suite at the Ritz Carlton hotel. He was 84 years old and was second among the National league club presidents in length of service. Mr. Baker, Mrs. Baker, his secretary, Jerry Nugent, and Mrs. Nugent, arrived here Monday night to attend the minor league convention. He apparently was in good health, although he had been under treatment for a heart ailment for the past few months.

15 LADS MAKE PARRISH HONOR

Hauk's Eleven Shows Well His First Year; Champs in West of State

Fifteen players on Coach Hauk's Parrish junior high football team played the required time to receive letters. These men shouldered the brunt of the attack which carried Parrish through a season of seven games with no defeats. Harold Hauk was graduated from Willamette in the spring of 1929 and went through his first season of coaching without defeat thus carrying on the victories in which he shared during his college athletic career under "Spec" Keene. Hauk started the season with a large turnout of green men. Constant drilling in fundamentals at the start, gave the boys Parrish the championship of football which permitted a clever attack to be introduced later. When it came to punting or passing or any other part of the game, Hauk was not content to have the players do it fair. He insisted that they do it in the proper way and practice until it came natural in a game.

Splendid Record Made The teams defeated during the season were: McMinnville, 9-0; Leslie, 24-0; McMinnville, 19-0; Silverton high seconds, 13-0; Dallas high seconds, 14-13; Leslie, 9-0; Medford, 7-0. The defeat over Medford's junior team gave Parrish the championship of practically all the western part of the state.

Parrish scored 103 points to 13 for the opponents in the seven games. Nicholson led in the individual scoring gathering 51 points to his credit which was practically half the points made. Perrine playing quarterback came next scoring 45 points. Perrine also threw passes for several touchdowns and tries for points. Perrine made 6 points and Victor DeJardin made one.

Those who received awards are: Vern DeJardin, Cross, Meyers, Bownell, Clark, Victor DeJardin, Hobbs, Nicholson, Campbell, Don Cross, Green, Perrine, Saunders, Witzel and Moody. Out of this whole number only three will return next year. Those returning are Vern DeJardin who plays center, Don Cross as an end, and Meyers who played fullback.

Dallas Froshies Win First Game In Class Series

DALLAS, Dec. 4.—The Dallas Froshies pulled a surprise here Wednesday afternoon and defeated the sophomores 14 to 10. This was the first of the interclass basketball games to be played this year. The game was hard fought, but the freshmen won by lots of fouls and poor playing. Frack of the freshmen was put out for four personal fouls and two others in the game had 3 each.

The next game to be played will be Monday afternoon between the seniors and juniors. Each class plays every other class and the winner is determined on a percentage system. The seniors and juniors both use the zone defense taught here the last two years by Dave Wright.

Odds Favor Trojans, Not Notre Dame

LOS ANGELES, Dec. 4.—(AP)—Notre Dame's gridiron odds were dropped to the unusual role of short ends in the betting odds here today, with their football frolic with the University of Southern California only two days away.

Reports from Tucson, Ariz., where the Ramblers were given a couple of secret practice sessions, that Larry Mullins, fullback, might not be able to start the game, was given as the basis for the shift of favoritism on the parts to the Trojans from the Irish.

Strengthening this trend, was the apparent certainty that Coach Howard Jones' chief absentee, Ralph Wilcox, last night would be able to start the game gigantic. The influence of Coach Knute Rockne's statement that his California bred fullback would not be able to start, was shown in a morning which took a definite stand at 10 to 8 in favor of S. C., but the Trojan board of strategy lent no ear to the tidings of we from Notre Dame as they put the men of Troy through another snappy session on defense.

CUBS PUT RIVETS INTO TOP POSITION

Fleener Bowlers Show Fast-Going Chevrolet Pin Outfit

Defending what seemed a precarious top-of-the-league position, Chevrolet Cub bowlers last night double-chained themselves to their hard-earned first place for some time to come by doing it. Fleener Electric three to nothing, 917, 833, 929 to 811, 788, 891. This was in the nature of a scrap for first position but Fleeners will now drop to at least third. The Cub scores high series of 2679 and team game, 923.

Commercial Body Shop vanguarded Wood-Wheaton, formerly Oakland-Pontiac, three to nothing, 844, 743, 817 to 743, 710, 667. This will leave the auto men in about the same league position and hoist the body shop aggregation into second place.

In their weekly tussle for the rung above the cellar, Pacific Telephone men put away General Petroleum corporation two to one, 808, 858, 727 to 758, 693, 789, trading places in standing.

High individual series score was made by DeMerritt with the Cubs and high game by Eisenbrandt, same team, 871 and 210.

Doubleheader was being played only by Chevrolet Cubs and Commercial Body Shop, the other teams planning to play up the round lost Thanksgiving night at a later date.
