Capricorn Good for Success Without Sensationalism

By PAULINE

"If cold December gave you birth
The month of snow and ice and mirth
Place on your hand a Turquoise bine
Buccess will bless whate'er you do."

Capricorn is an earthy, conserve-tive sign, ruled by the austere planet Seiurn, and its symbol in the Goat. Hence, in its autives— according to astrology—are com-bined the patient activity of the earth with the goat's diligence, its sureness in trending rocky erags, and its injent for getting along on sparse neurishment.

ous, their energy is of the steady industrious kind, and their ambiindustrious kind, and their ambition takes the form of a sure and
steady elimb rather than spectacutar leaps. They like routine and
tried expedients rather than diversity and newsity; and their interset in their work is usually for its
own sake rather than as a means
to obtaining luxuries and pleasure.
Capricornians are the best people
with whom to entrust your mency
for safe investment, the best to
courty on a long, steady campaign
unining effect upon the spirit, to
countered the gloomy effect of a
ruling Saturn. Among the celeb-

various parts of the world as a good luck talisman. In the Basi it is worn to insure physical wall-being and as a protection against the evil thoughts of others, while HOBVER said that genius is a capacity for taking infinite that a turquoise will turn pale with the fill health or ill fortune of its wearer, while in Europe it is commonly believed that a turquoise will turn pale with the fill health or ill fortune of its wearer, with the development by aviation, the stone has also once more become popular as a taken man to avert taken purpose for which it was widely amployed during the hiddle Agea. December's flower is the holly.
