"Lady Windemere's Fan," by Oscar Wilde, will be the next play produced by Willamette univer-sity dramatists. The time for this ass.00 nal Account and the settlement production is Friday night, De-thereof, at which time any person interested in such Estate play is especially adapted for college presentation, according to erities

It is said that "Lady Winde-mere's Fan" is to be classed in exciting plots with O'Neil's "The Strange Interlude." The drama to be presented here involves a story of a "good woman" of the gay

nineties. The question in the plot is re-garding the justification of the action of Lady Windemere when she finds certain notations of large sums of money paid to a Mrs. Erlyane in her husband's bank book.
