Hard Game Expected When Pacific Meets "Y"

50 Points Averaged in Pre-Season Games to Date: Prelim Scheduled

Fans may be assured of a real basketball game at the Y. M. C. A. tonight when the Pacific univer-sity basketball team appears against the Salem "Y" team, which has started its season with cyclonic strides.

Old man "dope" favors Pacific to win, but the Anderson "Y" team members believe their whirlwind style will upset the dope bucket and permit them to run away with the university boys. In pre-season games Pacific has shown a remarkably strong offense led by Walters, Walker and Conner. Cox and Acheson also come in for their share of the points as well as seeing that no opposing man gets a square poke at the hoop. Pacific has averaged better than 50 points a game this season, so it looks as though the local hoopsters have a touch job cal hoopsters have a touch job at out for them.

The "Y" team has played two cut out for them.

regular games this season in addition to several practice tilts and has shown a fast, smooth-working offense as well as an effective, fast-shifting defense. The "Y" team is a new title for the boys, who have previously been known as the Salem Ducks and Anderson's team. Now, it is still sponsored by Anderson's Sporting Goods store and is the representative team for the Salem Y. M.

Preliminary to be Fast The main game starts at 8:15, with the "Wranglers" and the Presbyterians playing a preliminary game which is slated to be a hot affair. It seems that the church boys triumphed in a previous meeting and the "Wranglers," who have beaten several strong teams since then, are out for revenge.

Seniors Winners Of Rough Match

The Willamette seniors gained a foothold with the juniors for second place in the percentage rating of the inter-class basketball games by defeating the freshmen 12 to 9 in a rough game played at the Willamette

gym yesterday noon, "Red" Lange, all conference fullback, was one of the reasons the rough offense was so effective. Charley Gill, Frank Van Dyke, Sam Lowe and Al Hayworth were the running mates of Lange and were also adept at the style of play which bewildered the yearlings.

Norblad Leads off to Help **Members** of Auxiliary For Wednesday

Today the women of the American Legion auxiliary will be selling tickets for the benefit fight card to be staged at the Armory Wednesday night.

Governor Norblad was one of the first to buy tickets and will be right there when the gong sounds for the boys to "have at it." Governor Norblad will be one of the 10 judges who will award the two turkeys to the two boys making the best showing. The governor will not go to the Armory a stranger either, for he has been seen there before and is enthusiastic about the card being shown.

Thirty-two rounds of fast boxing with each fighter doing his atmost for two reasons. One of course is the turkey. The other and the main reason for the boys giving all they have is the fact that there is no main event and the best fight is the one which will be the main event of the evening. This is something new and is a real chance for the boys who have been stealing the shows on previous cards.
