FIGHT OR QUIT MAX MAN TOLD

Appearance of Joe Jacobs New York Offices Sees Hot Words Explode

NEW YORK, Dec. 30.—(AP)—The blast that may blow Max Schmeling right out from under the heavyweight championship crown was touched off today in the offices of the New York state athletic commission.

Like a spark drifting into a curtain of black damp in some coal mine, Joe Jacobs, spokesman for the Teuton clown, stirred in the den of solons and charged atmosphere flashed lightning. "Mister Yokups" wandered out dizzily a few minutes later, faced with the problem of accepting within seven days the ultimatum of the commission that Schmeling must fight Jack Sharkey here in June or find himself bereft of recognition in this state as heavyweight king.

To Make Max Toe Mark
James A. Farley, chairman of the commission, told Jacobs that Schmeling must keep the promise he made the commission shortly after he won recognition as the titleholder by the simple process of claiming foul in his match with Sharkey here last June. That promise for an immediate return bout with the Boston sailor was kept and later was amended to read "next June."

The commission let Jacobs know it was rather eager to take Schmeling's title away and on second thought came to the conclusion that Doc Macio could have risen with little effort and continued after Sharkey struck him low in the fourth round in the Yankee stadium.

Almost continually since his arrival here three years ago, the German heavyweight has been embroiled at the commission in either managerial or personal difficulties and the fathers seem determined to bring him to heel now once and for all.

The stand of the commission, opposed by promoters who would have to stage the match without popular support and by critics who believe that Young Stribling, the sensational southerner, deserves consideration as the challenger, may wipe out definitely all plans for an elimination tournament with the winner fighting Schmeling in the spring.

SOUTHERN CAL MAN SHOWN TO BE FAKE

LOS ANGELES, Dec. 30.—(AP)—Jeff Clay, ineligible member of the University of Southern California football squad during the past season, today was exposed as Davis Brasfield, former University of Alabama gridiron performer.

The facts regarding Brasfield became known shortly after the arrival of the Crimson Tide at Pasadena for the tournament of roses game with Washington State, when members of the invading team recognized him.

Professor H. C. Willett, Southern California athletic faculty representative, when apprised of the fact said that Brasfield or Clay as he was known to Trojan officials, withdrew from school here December 17 after he had been called upon to appear before him and explain irregularities in his entrance credits. The withdrawal, Prof. Willett said, alone prevented expulsion.

WRANGLERS BARELY WIN IN 'Y' GAME

In a hard-fought contest on the local Y. M. C. A. floor Tuesday night the Wranglers nosed out the Evangelical basketballers by the close margin of 26-23.

Gardner started the scoring by staking a long one from mid-floor and from then on, the Wranglers squad maintained the

MULTNOMAH IS TO PLAY 'CATS

Red-hot Game Expected on Portland Floor To- morrow Night

A real battle is expected Thursday night when Willamette university basketball team plays a return engagement with the Multnomah Athletic club at Portland. The Bearcats defeated the club here December 19 by a 24-to-22 score. Since that time, however, the Multnomah players have improved to a great extent. They held Oregon to a close score last week and only the fact that the clubmen were not in as good physical condition as the Webfoots kept them from taking a win.

Monday saw practice resumed on the Willamette floor after a week's vacation layoff. All the regulars with the exception of Andy Peterson took a work out during the afternoon. Several first string substitutes and a few freshmen augmented the first-string leaders. Peterson will probably rejoin the squad when school is resumed next week. He now has a foot in a cast as the result of a bad ankle sprain.

No games on the home floor are scheduled this week but next Saturday night Willamette will meet the Orangemen on the Oregon State floor at Corvallis. Observers will be surprised if the Staters fail to defeat the Bearcats, for they have one of the strongest combinations in years and have lost but one of seven starts this season.

WINTER GARDENERS IN COMEBACK ROLE

After lagging behind continually since the opening of City League bowling, Winter Gardeners, began to snap out of it last night and won one game from the Bake Rite pinners, generally styled "Salem first team."

Elks Club also improved and won a game from McKay Chevrolet. High team series was not rolled by Bake Rite, as usual, but by the Elks, who scored 2730 pins. Sam Steinbock, taking high individual game with a 238, earned the Bakers to register high team game of 941. Hussey played a 219 game to boost the Elks' high to within two of the bakers' figure.

Because members of Capital Bedding company team had to be in Portland, their match with Willamette Valley Transfer was postponed.

BOTH TEAMS IN PINK FOR FRAY

Air Attack Expect Both on Tide's and Cougars' Offensive

PASADENA, Cal., Dec. 30.—(AP)—With both teams reported in the pink of condition, Alabama and Washington State took no chance today of losing their edge before the tournament of roses football game Thursday. The opposing warriors from the south and north-west indulged in the lightest sort of workouts and called it a day.

Tomorrow the same program will be followed and Coaches Wade and Hollingsberry expect to send their teams on the Rose Bowl turf New Year's day fit and ready for the fray.

Before going to the practice fields this afternoon, the players relaxed, the Cougars going for a long night session, while the "Bama" boys lolled in the sun on the lawn of their hotel.

Unofficial observers have figured that the big game will develop into a contest of forward passing, reasoning that opposing lines are so powerful that power attacks must fall to pieces.

"I would not be surprised to see the team receiving the kick-off pass in the first play," said a visiting coach today, who refused to permit his name to be used for fear he might be in the position of giving unasked for advice.

"Look at the lines," he continued, "how can a team hope to gain through such walls? It'll have to be a passing game."

Interest in the game continued to increase and the number of prospective customers grew as the zero hour approached. A brisk sale of tickets developed Monday and Tuesday with a final drive of no man proportions indicated for tomorrow.
