## GATE RECEIPTS SLUMP IN 1930

### Middle-West Elevens Start Retrenching; Some to go On Expanding

By ALAN GOULD  
Associated Press Sports Editor  
NEW YORK, Jan. 3.—(AP)—With a few notable exceptions, colleges throughout the country, large and small, will practice strict "economy programs" for 1931, the Associated Press survey of conditions disclosed today.

Replies from more than 150 representative institutions so far have indicated a falling-off averaging approximately 15 per cent in football gate receipts.

In round figures, for the colleges and universities involved, this is estimated to represent a decline of more than \$3,000,000 at the "gate" for 1930.

At the bigger institutions, such as Yale, California, Harvard, Pennsylvania, Michigan, Southern California, where college sports have reached the million-dollar scale, such reductions as have been felt in receipts will not materially affect 1931 programs or budgets.

Ohio State, for example, despite a 20 per cent drop in receipts, is going ahead with some expansion plans, including the addition of a swimming team. St. Mary's makes biggest gains among colleges.

St. Mary's of California enjoyed perhaps the biggest boom of any college in the 1930 football spot light. Attendance at games played by the galloping Gaels increased more than 50 per cent, from 205,000 to 320,000.

As a result, St. Mary's sport will be expanded all along the line this year.

Similarly the combination of factors developing more intense gridiron interest in the Pacific Northwest states of Oregon and Washington brought about record attendance and receipts. On the other hand both Stanford and California reported some falling off in receipts, the former about \$2,000, the latter about \$50,000.

Economy will be the rule throughout the big ten. But Iowa and Wisconsin alone of this powerful group have indicated sharply defined policies of retrenchment for 1931.

Iowa will cut out its spring baseball training trip and reduce the number of athletes taken on other jaunts. Wisconsin's program calls for a graduated reduction of costs, and fewer contests, the whole designed to save about \$35,000 from the athletic budget.

Illinois and Northwestern have expansion projects and Purdue has decided not to adopt its proposed curtailment of minor sports.

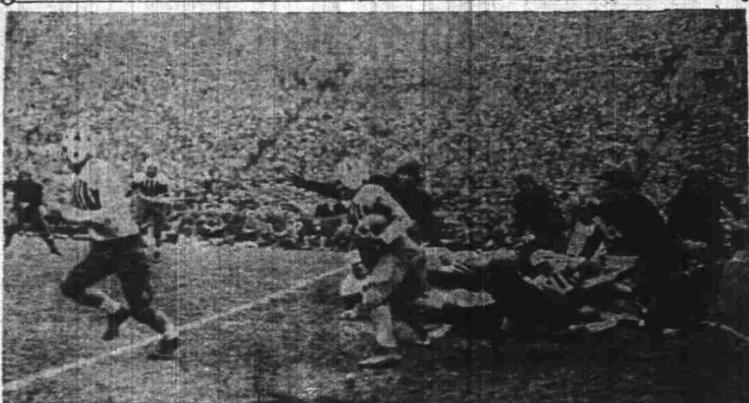

The Big Six and Missouri valley conference groups nearly all will effect economy programs. Together with the neighboring Big Ten, these schools plan to cut out long trips for track, baseball and basketball squads. Nebraska has cancelled a proposed baseball jaunt to Texas. On the other hand, Oklahoma A. & M., Oklahoma City and Tulsa universities experienced banner football seasons and collected record gate receipts to fortify their positions for 1931.

Most southern colleges reported varying decreases and plans for some curtailment, ranging as high as 20 per cent in track and baseball.

Oglethorpe, however, disclosed a ten per cent increase making a full program possible, while Kentucky and Alabama Poly also indicated a "slight increase in receipts as compared with 1930."

None of the major eastern colleges have reported plans for any substantial curtailment of activities, although most of them will blue-pencil some of the athletic luxuries. Pennsylvania, Cornell, Army, Navy, Colgate, Yale, Harvard, Carnegie and Pittsburgh all have declared business will be "as usual" regardless of reduced income in 1930.

## ALABAMA VS. WASHINGTON STATE

By defeating Washington State college, 1930 champions of the coast, 24 to 0, Coach Wallace Wade's Alabama Crimson Tide retained its unblemished record and left the field having convinced 65,000 spectators that they retain only to Notre Dame among America's 1930 football teams. The above photo shows Campbell, Alabama quarterback going around his own end in the last play of the first quarter in the New Year's day game at the Rose Bowl.

## DALLAS TEAMS WIN AND LOSE

### Co. L. Beats Presbyterians; High School Loses to Estacada

DALLAS, Jan. 3.—The basketball teams from Dallas broke even on victories here last night. The high school quintet lost to the Estacada high team by a 17 to 15 score while the team of Company L of Dallas won from the Salem Presbyterian church team 40 to 22.

The high school game proved to be a real thriller. The teams were fairly evenly matched and the game was featured by close checking and thrilling breaks. The score at half time was six to two in Dallas' favor but Estacada started checking closer in the second half and soon tied the score. The score at the end of the regular playing time was tied nine all. In the first overtime period both teams scored once, tying the game 11 all. In a second overtime period Estacada forced ahead with three field goals to Dallas' two, winning the game 17 to 15.

Estacada is on a barnstorming trip this week and has played four games so far, winning all four. They beat Springfield 39 to 24; Milwaukie, 23 to 15; Stevenson, Washington, 25 to 19; and Dallas 17 to 15. They play tomorrow night in Washington.

Company L won from the church team from Salem by the overwhelming score of 40 to 22. This game was fast and rough with no fouls being called. There were so many fouls and intentional fouls in the game that it was more of a laugh than a thriller. Dallas led at half time 14 to six. Holt and Voth of Dallas led the scoring with 18 and 12 points respectively. Colgan was high scorer for Salem.

The following were lineups in the two games:

Dallas (15)	Estacada (17)
Frack	F. Anderson

By MAPLE ALLEY  
We've one New Year's resolution to make, not for ourselves, but for the pen-pusher or adding-machine operator who makes up the week averages and standings for the bowling leagues. Brother, we hope you will

Resolve, for the year 1931, to give us the treat, weekly, of compiling the figures on time so we can all see where we stand.

What happened to Salem's team in the Willamette Valley league last Sunday? The players must all have had rheumatism in the old bowling wing. But we really can't bring ourselves to believe they are as bad as their score was. We'll watch next Sunday's results at Corvallis—hopefully.

## SCHMELING TO FIGHT, MAYBE

### Salem High in Easy Victory

### Silverton Defeated 51-25; Sigmund Gets 13 and Kitchen 12 Points

In the second game of the season the Salem Vikings trimmed the Silverton hoopers 51-25 in a lopsided match at the Salem high school gym last night. The contest held few thrills for the ill-fated number of spectators. Wilson Sigmund was high-point man by one point, making 13, while Kitchen got 12.

Salem won the tip-off, opening up with spectacular playing, while the Silverton boys worked in slowly, feeling their way.

**Salem Takes Early Lead**

The Silverton hoopers tried several long shots before John Sigmund made the first score for the victors. Kitchen and Bones opened up with some flashy playing that took the ball down to the Norsemen's basket, where Bones was fouled. Both free throws were made. The Vikings settled down to real playing and Bones chalked up the first field goal for the Salem team. After several passing attacks the first period ended with the score 5-4 in Salem's favor.

Salem took the tip-off in the beginning of the second period and lost the ball to the Yellow and Black players without a chance to score. Both baskets were threatened several times before Kitchen made two more points for the Norsemen. Several foul shots brought the score up to 23 to 12 at the end of the half.

Silverton started the third quarter by taking advantage of the tip-off, and chalking up two points. The ball was passed back and forth, with both teams trading points. Neither team checked very close in this period of the game, and the resulting score was 39 to 20. The only outstanding play in this quarter was when Sigmund recovered the ball from the Silverton attack and passed it to Bones who was more than half way down the floor, to make two more points before any of the Silverton defense could organize.

**Subs Sent In**

With the game well "on ice," Coach Huntington sent in four substitutes for Sigmund, Satchler, Sanford and Bones. The last quarter was just as hard fought as any of the preceding periods, although no outstanding plays marked the quarter, which ended with a final score of 51 to 25 for the Vikings:

**The lineups:**

Salem	Silverton
Salem	Green
Bones	Davenport
Sigmund	Johnson
Sanford	Arbuckle
Satchler	Scott

**"B" TEAM WINS, TOO**

Salem	Mosher
Birch	Pickens

## BEARCATS ARE LOSERS, 35-24

### Oregon State Runs Away in Last Half; Tie in 1st; Adams High map

CORVALLIS, Ore., Jan. 3.—(AP)—Oregon State college continued its series of basketball victories by defeating the Willamette university team, 35 to 24, here tonight.

The visitors played the Oranemen on fairly even terms during the first half, which ended 17 to 15 in favor of the Staters. The score was tied three times during the first half.

Frequent substitutions in the second half slowed the game somewhat and the Beavers were never in danger in that period.

Coach Gill started his strongest team with Ed Lewis at center but the visitors scored six points before the Beavers counted.

Adams, of Willamette, was high scorer with 15 points.

## East Looked Over for Man As Cal Coach

NEW YORK, Jan. 3.—(AP)—The quest for a head coach at the University of California to succeed Clarence M. (Nibs) Price, was completed today, so far as the east is concerned, but still has some additional territory to cover, graduate manager William W. Monahan told the Associated Press.

Monahan leaves tomorrow for Chicago where he will hold additional conferences, presumably with prospective candidates for the job, before returning to Berkeley to report his findings.

"It will be several weeks at least, before any definite announcement as to Price's successor is possible," Monahan said.

"I have looked the field over pretty thoroughly. I have conferred here with a considerable number of football men, coaches as well as executives. I have further conference scheduled in Chicago next week. I expect to be back in Berkeley within two weeks and final the cards on the table for final consideration."

## Miller in N. Y. And on New Job

Henry O. Miller, who left Salem December 24 for New York City to take a post with the government, arrived December 29, according to word received here. Mr. Miller reported for duty as the junior naturalization examiner for the district of New York. Mrs. Miller and family will remain in Oregon until the late spring before she will go to join Mr. Miller in the east.

## SCHOOL GIRL WINS TROPHY

Women's supremacy in the air will be established within the next few years if a San Francisco girl continues her triumphs. Photo above shows Betty Hind, 13-year-old high school student, who was awarded a prize this week for which girls all over the United States competed. It is the Amelia Earhart trophy, offered to the girl whose model airplane could stay aloft the longest. Betty's plane, built on the glider principle, sailed for 23 2-3 seconds in the contest in the Helen Wills playground, Larken street and Broadway, San Francisco. The trophy, a silver cup, was to be awarded only to the builder of a plane operating on a principle other than that of rubber band motive power.
