in this sale. All season long we've been giving better values than at any time in the last fifteen years. It is due to a decline in material costs and economies made possible by the fact that we are able to buy better merchandise for less.

Now we go even further. We forget all about profits and drastically reduce our already low prices once more. We throw probably the finest stocks of merchandise we've ever had into this sale. We give you the opportunity to dress well, possibly at less expense than you'll ever have again.
