

WILD WEST HAS GOOD FOOTBALL

Healthy State Seen by AP Writer; Little Expansion Seen in '31

By PAUL MICKELSON Associated Press Staff Writer CHICAGO, Jan. 8.—(AP)—Football, the liberal cousin of all college sports, had a fairly prosperous season during 1930 around the western conference and so that but few of his dependents need curtail their immediate activities.

Here and there—notably at Iowa and Wisconsin—minor sports will be curtailed and long road trips abolished but on most campuses the athletic program will move along on about the same plane that has been maintained in the last few years.

Illinois, Northwestern and Michigan were the bell cows of the conference so far as receipts were concerned and so their minor sports programs without curtailment, except perhaps as regards long trips to various relay games.

Illinois, in addition to maintaining its minor sports program will build a \$235,000 ice skating rink and a \$40,000 18-hole golf course this year.

Northwestern's football receipts were well above the budget requirements and the full program will be carried out, which will include an eastern trip for the wrestling squad and the usual spring training trip for the baseball team.

Michigan goes on steadily through January with no large additions to its athletic plant, will carry on its minor sports program almost in its entirety, for this year at least.

Ohio State's football receipts fell 20 percent but despite this 1931 sports program is being enlarged instead of diminished.

Purdue also will continue a full sports program but it was made possible only by the generosity of two of its alumni—George Ade and James Ross—whose gifts for the year's football receipts led to an announcement of curtailment of track and baseball.

Wisconsin, where football receipts fell \$3,000 below expectations and where only six major football games will be played next year as compared to seven in 1930, is maintaining all minor sports but on a smaller budget and with a curtailed schedule of games.

WOODBURN QUINTET TO BEGIN SEASON

Fear Chemawa Outfit in Friday Night Game; Play Salem January 16

WOODBURN, Jan. 18.—Woodburn high school's basketball team play host to the Chemawa basketball team here in the high school gym Friday night for the first game of the county championship race for the Bulldogs.

The Bulldogs admittedly fear the veteran Chemawa outfit and realize that they will have a big job if they hold the Indians to a close score. Although Woodburn beat Newberg's quintet by a score of 32 to 12 during Christmas vacation, the team also took a demoralizing loss to the Chemawa team in the preliminary game on the high school floor.

The starting lineup for Woodburn will probably consist of Schooler and Harold Presthus forward; Gustafson and George Oberst at guards and either Art Presthus or Pardy at center. As far as ability is concerned, both men are about on a par. Both are fast and rangy.

Woodburn's second team lineup will contain the names of Hastie, Ed Oberst, Detmer Ramsdell, Gillanders, Nelson and Stevens.

Following the Chemawa game the Bulldogs are to mix with the Salem hoopers at Woodburn Friday, January 16. The next evening they play their old rivals, Silverton.

McCarthy Bit Uncertain About Yankee Futures NEW YORK, Jan. 8.—(AP)—Joseph V. McCarthy, new manager of the New York Yankees, paid his first visit to the indoor season today to a club he hasn't seen since it whipped the Pirates four straight in the world series of 1927.

Forced to fumble around a bit on details, McCarthy still was able to display plenty of optimism regarding the Yankees' future, although he refused to predict they were on the verge of another pennant winning surge.

OREGON CITY'S TEAM IS FAGED

Huntington Sees Hard mix Ahead; Small Floor to Be Real Handicap

"Holy" Huntington is leading his red and black hoopers against Oregon City tonight at the mill town.

With Kitchin out, "Holy" is not sure how his team will perform, especially against the strong Oregon City team. Last season Oregon City had the strongest team in the district, according to Huntington, and would have gotten into the state tournament easily if the strike at the first of the season had been maintained.

Oregon City has defeated Lincoln High of Portland and will doubtless give the Salem high plenty of competition. The floor there is small, which will be a handicap to the red and black, playing a system which works best on a large floor.

The Salem Rifle club is affiliated with the National Rifle association and all practices are held under government provision with competent range officers in charge, leaders say.

Interested in either rifle or pistol shooting is invited to attend and become acquainted with the club and benefits derived from it.

The state courts in Multnomah county and the supreme court at Salem will be closed. Federal district court, where Judge Bean served for 21 years, adjourned yesterday and will not reopen until Monday.

Honorary pallbearers will be Charles H. Carey, Lawrence T. Harris, of Eugene, Wallace McCamant, Dr. E. F. Geary, Joseph Simon and Federal Judge McNary.

Commercial league bowling on the Winter Garden alleys last night was broken up by the absence of two teams, Pacific Telephone and Wood-Wheaton. In the one contest of the evening McKay Chevrolet shopmen won two out of three from Pioneer Electric, 901, 792, 906—2599, to 813, 873, 812—2498.

The match between Pacific Telephone and General Petroleum teams was postponed out of respect for a member of the former team, whose father died this week.

KEENE DRIVES HIS MEN HARD

Albany Game Saturday to Be Important; Up-and-Down Form to Date

"Spec" Keene is driving his "Bears" in preparation for the game here Saturday night against Albany college.

While the game with Albany college is not a conference tilt, it is important because Albany is under probation for one year preparatory to being admitted to the northwest conference. This will be the first game of the season for Albany against any conference team.

A large number of lettermen are present at the Presbyterian college and have shown good work this season. No games have been played yet which give any comparisons of strength.

Williamette has looked alternately good and poor this season and has not shown an even stride such as it did last year. The "Bears" looked best this season against U. of O. but have not worked very well since then.

Scates, Adams and Cardinal have not hit their fast pace of late season, though each has improved in some respects. Gibson and Carpenter are working better together at guarding and also are improving on offense. Both are good at taking the ball off the backboard permitting a fast breaking offense.

The preliminary game Saturday night will start at 6:45 with "Les" Sparks matching his freshman team with a first class fighter from England will find the short cut to middleweight honors open for him tomorrow night in Madison Square Garden.

The Englishman, with 350 victories behind him in a ten-year career and the vacant middleweight throne yearning for an occupant, battles Vince Dundee, Baltimore Italian, in a 12-round feature match.

The bout will be Harvey's first engagement in the United States. He is a 2 to 1 favorite to defeat Dundee, brother of the former welterweight champion.

FOX-CHAPMAN MIX HERE ON JANUARY 14

"Teddy" Fox, who is the pride of Independence, will don the gloves with "Happy" Chapman, who hales from Kelso, Wash., in a bout here Wednesday night, January 14.

The match was scheduled for the night of January 1, but promoter Harry Plant set it aside for two weeks because of the big card on in Portland that night.

Chapman has a formidable record of knockouts to his credit. His manager, in a letter to Plant mailed before the holidays, indicated that the fight with Fox would be just another "stowaway," but Fox thinks decidedly to the contrary.

Friday night, January 16, Plant will put on a wrestling match here and promises the fans a good card.

NEW YORK, Jan. 8.—(AP)—Len Harvey, a first class fighting man from England will find the short cut to middleweight honors open for him tomorrow night in Madison Square Garden.

WRANGLERS EASILY BEST 'Y' JUNIORS

In a practice game at the Y. M. C. A. last night the Wranglers defeated the "Y" junior team by a score of 41 to 13.

The Juniors showed up well, even though they were pitted against much stronger opposition.

Joe Herberger was high-point man for the winners, garnering 18 points.

Friday night the Wranglers play the Evangelical church team on the Y. M. C. A. floor and on Saturday night they play the Salem high school B squad in the preliminary to the Salem-Eugene game on the high school floor.

DRAFT PROBLEM IS FACED BY COASTERS

LOS ANGELES, Jan. 8.—(AP)—Pacific coast baseball league directors assembled here tonight for the annual mid-winter meeting tomorrow with three vital questions staring them in the face.

The draft problem, election of a president and acceptance of the 1931 schedule are the wrinkles to be ironed out in the session which holds the possibility of becoming extremely warm.

At the last two meetings President Harry A. Williams received four votes with three going to Cal Ewing of Oakland and one to Jack Sullivan.

COURT ADJOURNS TO ATTEND BEAN RITES

PORTLAND, Ore., Jan. 8.—(AP)—Funeral services for the late Judge Robert S. Bean, to be held here tomorrow afternoon, will be simple. Organ music, an address by the Rev. Francis H. Ball and a brief tribute from Charles H. Carey will constitute the ceremony.

The state courts in Multnomah county and the supreme court at Salem will be closed. Federal district court, where Judge Bean served for 21 years, adjourned yesterday and will not reopen until Monday.

Honorary pallbearers will be Charles H. Carey, Lawrence T. Harris, of Eugene, Wallace McCamant, Dr. E. F. Geary, Joseph Simon and Federal Judge McNary.

ADVANCE ORDERS TO AID TRADE IS VIEW

KANSAS CITY, Jan. 8.—(AP)—Members of the Rotary club of Kansas City, representing more than 300 business classifications with nationwide alliances, voted today to carry to their businesses and to upwards of 300 similar clubs in the United States and Canada the prospecting buying plan of Joyce Hall, Kansas City manufacturer.

Born during a sleepless night in a Pullman, the Hall idea was put into effect by the manufacturer in his own business by issue of 240 orders, anticipating supply requirements of many months.

STEINBOCK BOWLS BLANEY TOMORROW

WASHINGTON, Jan. 8.—(AP)—President and Mrs. Hoover entertained tonight at the largest and most elaborate White House dinner of the Washington social season—that given for the diplomatic corps.

The heads of the various embassies and legations in Washington with their wives were the guests of honor.

In addition to the foreign contingent, secretary Stimson and Mrs. Stimson, former Secretary of State Frank B. Kellogg and Mrs. William E. Borah and Representative and Mrs. Henry W. Temple, were invited. Senator Borah and Representative Temple are the heads of the foreign relations committees of the senate and house.

WASHINGTON, Jan. 8.—(AP)—The senate campaign funds committee decided today to drill still further into the \$50,000 special account of the republican national committee, \$32,000 of which was sent in eight states for use in behalf of house candidates in the November elections.

J. Matt Chilton, republican national committeeman from Kentucky, and Helen L. Tait, republican state chairman for Maryland, were summoned to appear before the investigators next Tuesday for questioning as to the use made of funds turned over to them from the account. Chairman Newell said he expected they would have some "interesting stories" to tell.

Women Protest Idea Saloon to Aid Prosperity

WASHINGTON, Jan. 8.—(AP)—The Woman's Christian Temperance Union today launched an argument against the "widened saloon" that repeal of the prohibition laws would "cure the world wide business depression."

It asserted in a statement the depression, in fact, would have been much worse had the United States been on a "saloon era" basis, adding that other countries in which the manufacture and sale of liquor is legal, have not been saved from the slump.

ACE RETIRES

William T. Tilden, 2d, one of the world's outstanding tennis stars, has announced his retirement from the amateur tennis ranks in order to take up motion picture work.

The famous lanky Davis Cup star signed a contract with the Metro-Goldwyn-Mayer Company and will probably begin work at once in a production.

Bethel Girls in Win Over Alumni Quintet, 30 to 14

MCCOY, Jan. 8.—The annual alumni high school basketball game was played in the Bethel gymnasium. The Bethel high school girls won from the Bethel Alumni by a score of 30 to 14.

The game between the Alumni boys and the high school boys was a close hard fought battle with the alumni winning 28 to 24.

Teachers Enjoy Dandy Vacation

AURORA, Jan. 8.—The teachers enjoyed a most pleasant vacation. Mr. and Mrs. Preston Rhoner spent the time in Baker with Mr. Rhoner's parents. Mrs. Gibbons was in Brownsville, where her husband is now stationed. Mrs. Franklin Tyler enjoyed the snow at Hood River with Mr. Tyler. E. P. Morrison divided his time between Portland and Aurora, and while in Portland he attended one session of the Oregon State Teachers' association.

COMRADES OF OREGON TRAIL

W. H. Jackson (left), 89 years old, one of the oldest living pioneers of the early west, greets a famous comrade of the trail, Daniel Carter Beard, veteran scout leader, when they met at the National Pioneer dinner given by the Oregon Trail Memorial Association. The dinner was a tribute to the western pioneers on the 100th anniversary of the birth of Ezra Meeker, founder of the association.

LEASE OF PORTLAND BUILDING TABOOED

The state board of control has no authority to enter into a lease of the virtual amount to the purchase of the Oregon building in Portland, according to a legal opinion handed down by the attorney general here Thursday.

The attorney general held that the proposed agreement was not authorized by law for the reason that it was prepared upon a plan which contemplates and provides for the purchase of the said property, and that a portion of the so-called rent installment would be applied upon the purchase price of the premises.
