Mill City Golden Wedding Unique

Mill City.—Mr. and Mrs. Robert Quinn of Mill City celebrated their fiftieth wedding anniversary this week in the midst of a congregation of relatives and friends. The venerable couple were married in London, Ontario, Canada, on January 18, 1881. They came to Mill City in 1889 and in November of that year moved into the home which they now occupy and in which they have lived uninterruptedly all these years.

The celebrants have three children, two sons, D. J. Quinn of Astoria and W. L. Quinn of Klamath Falls, and one daughter, Mrs. H. L. Faust of Mill City. There are seven grandchildren, one of whom, Robert Quinn, is now a student at the medical college of the University of Oregon, and another, Miss Edna Faust, is a secretary in the engineering office of the state highway department in Salem.

Among those present at the dinner served in commemoration of the wedding 50 years ago were Mrs. Quinn's sister, Mrs. John Shave, of Astoria and wife of the founder of the mill in Mill City now operated by the Hammond Lumber company, and with which institution Mr. Quinn had been identified until he retired a few years ago. Others present were D. J. Quinn and family, Mr. and Mrs. R. L. Faust and children, Miss Lorena Weldon of Albany and Miss Ethel Hadley of Astoria.

Among the numerous gifts and greetings received by the couple were those from the members of a large basket of Marshal Nell and American Beauty roses, presented by members of the Presbyterian church of Mill City, of which congregation the Quinns are charter members.

A remarkable fact is that, as far as can be ascertained, this is the first golden wedding that has been celebrated in Mill City. The popularity and esteem in which the couple are held was manifested by the many congratulations and calls they were accorded during the past few days.
