Polk County Group has all Day Session at Brush College

BRUSH COLLEGE, Jan. 26.—Two hundred grange members and guests were present at Brush College Saturday when Oak Grove and Brush College granges entertained the Polk county Pomona grange with an enthusiastic all-day meeting at the local school-house.

The lecture hour was in charge of Mrs. Marie Flint McCall, Pomona and state grange lecturer. Dr. F. A. McGruder of Oregon State college gave the principal address of the day, taking as his subject, "Observations in Russia." Dr. McGruder's talk was made more interesting by the fact that he had made personal observations while studying government in Russia three years ago.

Dr. McGruder said in brief: "The condition of the peasant in Russia is sanitary. The women are modern in that they have equal rights with the men." He spoke of the different rulers of Russia, particularly mentioning Frederick the Great and Katherine the Great, two of the outstanding rulers of their time. Katherine the Great was noted for the wonderful palaces which she had built, one of them having a thousand rooms. When visiting in Japan at one time she was particularly pleased with a certain room in the palace of Katharine as a gift to her. Dr. McGruder had photographs which he distributed among the assembly which showed homes and people of Russia and scenes during the time of famine.

Music Appreciated
The music for the program was provided by Mr. Rechman, dean of the musical department of Monmouth Normal school and his assistants, and was exceptionally good. The program follows: Piano solo, "Carnival in New Orleans," by Florence Ritter; vocal solo, "Ah! Though the Silver Moon Were Mine," by Irene Athey. A burlesque on grand opera by Miss Katherine Olgay, elocutionist from Monmouth Normal brought hearty applause. Mrs. Marie Flint put on a stunt at this time in which the entire assembly took part. A talk on "Needs in Rural Education," by Mrs. Inez Miller of the department of rural schools at Monmouth Normal was much appreciated.

The educational report given by the county school superintendent, Josiah Wills, was lucid and to the point. Mr. Wills is also chairman of the educational committee of Polk county grange. J. Ralph Beck, county agent, gave an agricultural report and told of his work in Polk county. Mr. Beck said that he had awarded Brush College grange the plaque which he offered as a prize to the grange whose agricultural committee has done the best work of the year.

F. H. Edwards, deputy grange master of this district, gave a talk on grange work in general and gave new reports which State Grange Master Hulett has just made out. W. A. Root, master of the Washington county Pomona grange, made well chosen remarks on grange work. As a closing number on the excellent program Alma Larkins gave a vocal selection, "Smilin' Through."

The usual business session occupied the morning. Mrs. A. E. Utley of Brush College was chairman of the dinner committee which served a bounteous dinner at 12 o'clock. "Howdy" tags were provided by Mrs. Marie Flint McCall for each person present. The name of the wearer was on the tag and these took the place of an introduction.

Valsetz P.T.A. Is Entertained
VALSETZ, Jan. 26.—The P.T.A. was called to order Thursday by the high school harmonica band playing America. A musical program was given before the business. Jess Kerston, speaker for the Community club, informed the P.T.A. that a dance was to be given Saturday evening, January 24, and asked the ladies of the P.T.A. to serve lunch.

Mrs. Bert Thomas and Mrs. Edna Miter were appointed as the committee in charge. A box social is to be given by the P.T.A. February 19 which will be the next meeting of the association. The Student teach-
