

# Many Big Colleges Calling off Spring Gridiron Practice

## MODERATION IS PRESENT TREND

### Eleven Schools Announced As Having Cancelled Pre-Season Work

By FOSTER HAILEY  
NEW YORK, Jan. 29.—(AP)—The seed of moderation, sown in football fields by coaches and graduate managers at their annual powwow in New York City recently is already bearing fruit in the elimination or reduction of spring practice at many of the leading eastern colleges and universities.

Thirty-three colleges today were asked by the Associated Press their plans for spring practice. Thirteen are to continue the practice. Eleven plan no spring practice. Nine, including the big three—Harvard, Yale and Princeton—have come to no definite decision. Indications are, however, the big three and probably several others will not call out a spring football squad.

Some not agreed. Yes. Upon Policy. The list of those that will continue spring practice includes the Naval academy, Rutgers, Dartmouth, Cornell, Syracuse, Colgate, Pittsburgh, Washington and Jefferson, Duquesne, Penn State, Bucknell and Temple. Temple, however, will have only one week of drill.

The military academy, University of Delaware, Rider college at Trenton; Haverford, Swarthmore, University of Maryland, Pennsylvania military, Allegheny, Carnegie Tech, Geneva and Lafayette will issue no football equipment until next September.

The old big three as well as Columbia, New York university, Fordham, Brown, West Virginia and the University of Pennsylvania have made no decision one way or the other as yet.

Harvard is to make a definite decision on the matter Monday, with the expectation spring drill will be called off. Yale will act at the board of control meeting February 9, and Columbia and New York university early next month.

## OREGON STATE TO MEET W. U. TEAM

OREGON STATE COLLEGE, Corvallis, Jan. 29.—Four basketball games with Willamette and two with Columbia have just been added to the Oregon State schedule. These are the only non-conference games to be played. Complete schedule follows:

April 17, 18 and 24—Willamette at Corvallis.  
April 25—Willamette at Salem.  
May 1 and 2—Columbia university at Corvallis.  
May 6 and 7—Idaho at Corvallis.  
May 8 and 9—Washington State at Corvallis.  
May 15—University of Oregon at Corvallis.  
May 16—University of Oregon at Eugene.  
May 20 and 21—Washington State at Pullman.  
May 22 and 23—Idaho at Moscow.  
May 29—University of Oregon at Eugene.  
May 20—University of Oregon at Corvallis.

## SHUTE AND YOUNG LEAD MIXED EVENT

SAN ANTONIO, Tex., Jan. 29.—(AP)—Denny Shute, young Columbia, Ohio, professional, and Lorraine Young, 20-year-old San Antonio amateur, combined their talents today to score a 65 six under par for the Brackenridge park course and place first in the amateur-pro event, preliminary to the \$6,500 Texas open.

Shute and his youthful partner were even for the muddy 18 holes, each scoring 71, even par, but they displayed some fine teamwork to lead the field by two strokes.

Four teams tied for second place with 87A. They were Sam Schneider, San Antonio pro, and Lieut. Gus Shea, San Antonio amateur; John Golden, Stamford, Conn., and Byron Nelson, Fort Worth; Al Espinosa, Chicago, and Lieut. H. M. Turner, San Antonio; and Espinosa, Chicago, and Jack Wood, San Marcos, Texas.

## CURT COMMENTS

"Those Examination Blues" is the song they're singing on the local camp—how's that for a two dollar word—this week, and you insist that some local basketball teams will find tough sledding. Tiny dots dancing before the eyes are not conducive to accurate basket shooting, as many an athlete, over-worried about his scholastic standing, has learned in the past.

Now we're not running for any office in the gift of the undergraduate, but we always have considered examinations, especially the semester final variety, a relic of the barbaric ages and a blot on the fair name of education.

Any teacher worthy of the name knows whether his students have mastered the subject or not, so why examine them? Why know more than one young person who has been needlessly impaired in health, all because of burning the midnight oil too assiduously just before examinations.

And, of course, nothing learned while "cramming" for exams sticks in the mind any longer than it takes to get it down on paper.

Yes, children, you may clip this out and show it to teacher.

## ELKS CUBS DEFEAT BOWLERS OF DAIRY

Elks Cubs, Commercial league bowlers, ran away from Salem Sanitary Dairy pinemen last night to win three games straight. Fleener Electric took two out of three from Capital Hedding company and McKay Chevrolet Cubs copped two games on a narrow margin from Pacific Telephone.

"Bill" Yarnell, playing for Pacific Telephone, rolled high series, 537, and Taylor, Fleeners, scored high game of 216, three pins ahead of Yarnell's best. Fleener Electric won all team counts with a game of 948 and series of 2601.

## Mill City Five Beats Stayton By 21-13 Score

MILL CITY, Ore., Jan. 29.—In a basketball game here Tuesday night between Stayton and Mill City high school teams before an unusually large and enthusiastic crowd, the visitors went down to defeat at the hands of the locals 21 to 13. This is the second consecutive victory of the locals on the home floor.

A second game was played by the "scrubs" of the two high schools, this game going to the visitors with the close score of 23 to 22. As the score indicates, the lads played so hard it was necessary to call time out repeatedly to allow the boys to rest and to enable them to continue to play. This game, although of secondary importance, seemed to be the one that was the most exciting.

Aubrey Fletcher, of the Stayton Mall, and former coach of Parrish junior high school in Salem, refereed the games.

**Dancing Class Now Organized**  
GERVAIS, Jan. 29.—A class in physical education and dancing has been organized at the high school and is being held during the last period of the day during the last semester. Girls who do not practice basketball go to the class daily and those who do practice basketball go on Fridays. This class is proving both popular and beneficial to the girls.

## LOCAL HOOPERS FACE BIG TEST

### Red and Black Squad Goes To Astoria for Game With Fishermen

Coach "Holly" Huntington and eight basketball players will leave for Astoria this morning at 9 o'clock, arriving in that city a few hours before the game which is to be played there tonight between Salem and Astoria high schools. "Holly" and his players realize the task on hand to defeat last year's state champions. Astoria is still undefeated and Salem is also undefeated by any high school team. Word comes that Astoria is preparing to keep a clean slate and if the team looks anything like it did in the state tournament last March, it may be accomplished.

Graber is the only one of last year's team who will not be playing, while Astoria has lost Jeffers and Ystad. Notwithstanding the loss of two men Coach John Know has developed a flashy team. There is usually a big carry-over the season following the copping of a state championship, and the Finns have been after it for so long that they think enough of it to work even harder to maintain it.

The style of offense for the red and black has been changed since last season and tonight's game will be one of the crucial tests of the merits of the new offense. While the style of penetration of a set offense has been changed, the fast break with three men still is in evidence and has speeded up considerably. The guarding is well taken care of with Sachtler and Sanford back. These two will handle the ordinary team, but should they strike a team with too many big men, it would be hard to check.

Two cars will carry the team to Astoria and the coast route through Tillamook will be followed. The regular starting team of Bones and Kitchen, forwards; Sigmond, center; Sanford and Sachtler, guards, will make the trip.

Foreman will be the alternate forward and in case of necessity can also play guard to good advantage. West will be the alternate guard to go. Burroll will be taken to alternate with Sigmond. With the bad luck Sigmond has had with his ankles this season, it is necessary to have an alternate who can play the center position.

## SALEM SCRAPPERS ON PORTLAND CARD

Pat Dundee and Red Hayes, local fighters are appearing in Portland tonight on Captain Harry Hansen's fight card at the Auditorium.

Pat Dundee is billed as one of the headliners of the double main event show. Pat will meet Stanley Sargent of Vancouver, Johnny Hansen of Portland and Ted Gush of Fort Lewis are the other performers on the main docket. Both main events will be six round fights.

Red Hayes will meet Kenneth Keat of Portland in a four round special. Saturday night, Red Hayes and Russ Green, also of Salem, will box in Tillamook. Both are meeting Becker boys there.

These local fighters are all working out at the Club gymnasium on High street and are under the guidance of Toughy Wing. Toughy has been helping the boys for about two months and all have shown much improvement. Several other local boys who have been working out at the club have had fights in Silverton, Portland and various other towns.

## PAULUS FILES SUIT FOLLOWING CRASH

Suit for damages totaling \$1,472.56 was filed yesterday against Parker-Schram company and Charles T. Parker by Robert C. Paulus. The complaint is outgrowth of an automobile accident which occurred on the highway near Gervais September 26, 1929.

## Linfield Crew to Invade Bearcat Gym Saturday

Willamette basketball tossers are working hard in preparation for their second conference game Saturday night when Linfield will be met here.

This will be the first conference game of the season on the local floor. The Bearcats rested Monday and Tuesday because of examinations and are now going full tilt in preparation for the Wildcats. In the games played here last week, Willamette showed up well and in the B'nai B'rith game they appeared to be in good shape. The second team was also pressed into action for lengthy periods and demonstrated much scoring power. While the reserves are not so fast on the break as the first team, they are very adept at working the ball through a set offense.

## Bearcats to Meet Sandy High on Mat

The Willamette wrestling team will encounter its first outside competition tonight when it meets the Sandy high school team at Sandy.

The meet will consist of eight matches, all in different weights. Philpott will represent the Bearcats in the heavyweight division, E. Smith will wrestle in the 175-pound class. Tate will represent the 165-pounders. In the 155-pound weight Frank Lockhart will get the call. Lloyd Girod will wrestle in the 145-pound class. Roy Mink, who is the coach, will take on the opponents' 135-pound man. Joe Herzhberger represents the 125-pound class and Richard Martin the 112.

Practice at wrestling has been West, Fla., this winter.

## STATERS FACE OREGON QUINT

### Gill's Squad Weakened by Injuries to Centers; Drager Gets Call

W. L. Pt.  
Washington ..... 7 1 .875  
Oregon State ..... 5 3 .625  
Washington State . . . 4 3 .571  
Idaho ..... 1 4 .200  
Oregon ..... 0 6 .000

OREGON STATE COLLEGE, Jan. 29.—State's Gill Oregon State basketball coach, has some extra work cut out for him the next few days in developing a center to take the place of Laney Ed Lewis who was injured in game with Washington State college last week. Gill has little time to produce a new center as the Orangemen meet University of Oregon here Saturday night.

Coach Gill announced today he had no hopes of Lewis recovering in time for Washington State game and thought the rascy center would be unable to practice for at least two weeks.

Ken Fagan, who also is on the injured list, was switched from guard to center for the games with Washington here Monday and Tuesday but his injured arm is handicapping him considerably with the result Coach Gill will call on Bob Drager, a guard, and Mose Lyman, forward, to fill in the gap at center.

## Smith-Hughes Team is Loser

SILVERTON, Jan. 29.—The Silverton Smith-Hughes basketball team was defeated 11 to 15

## STERS FACE INDEPENDENCE HIGH

at Molalla Tuesday night when they played the preliminary game to the regular Molalla-Chemawa game. The boys going over from Silverton were Ross Marquam, John Nicol, Dwight Foote, Thomas Miller, Victor Hadley and Palmer Torrend.

## THREE GAMES ON LEAGUE SCHEDULE

Friday night's basketball games at the Y. M. C. A. under the schedule of the church league will commence at 7 o'clock, sharp. Six teams are drawn up against each other, according to the schedule.

Those who play tonight are Christian church vs. First Baptist church; Fruitland church vs. Haystack church; and First Methodist church vs. Calvary Baptist church.

The next games will be played Tuesday night at 6:45 with four teams playing.

## Gervais Hoopers To Play Turner

GERVAIS, Jan. 29.—The Turner boys and girls come Saturday night for a double-header basketball game. Gervais defeated the Turner boys on the Turner floor earlier in the season and they intend to put up a good game Saturday night. The girls' teams of both schools are said to be evenly matched and both games will be well worth seeing.

Men were successful in a rifle match against the co-eds at the University of Kentucky. The score was 961 to 817.

## Silverton Will Oppose Indians

SILVERTON, Jan. 29.—The Silverton high school basketball team will meet Chemawa here Friday night. A preliminary game will be played between the B teams of the two schools.

## MONMOUTH FACING INDEPENDENCE HIGH

MONMOUTH, Jan. 29.—Monmouth high school's imble hoopsters will meet the Independence quintet Friday night at Independence for a return game, having won a tilt from them at Monmouth two weeks ago by a 21-13 score.

The Independence group vow there will be a different story to tell when they clash on their home floor.

This will be the 13th game for Monmouth, and a grueling test of their prowess against Lady Luck, with the jinx "13" hovering like the sword of Damocles above their heads. To date Monmouth has won 12 straight conflicts, which include two Polk conference games with Independence; also a game with Rickreall besides the one each from Chemawa, Silverton high, Springfield high, Bethel high, Oregon Normal school reserves, the Evangelical church team of Salem and two from Corvallis high.

February 6 Monmouth will meet the Salem Capital Business college team here, in a deferred game, which was to have occurred this week, but schedule conflicts necessitated postponement. Special permission has been granted them by authorities of the state high school athletic association to play non-high school teams.

Monmouth's lineup for these battles will be Goode, Hockema, Santee, Johnson and White, with Henkle as first substitute.

# "I Hope Your Example Will Compel The Adoption Of Sanitary Methods"

## Says DR. THOS. J. McLAUGHLIN Chairman State Board of Health, State of Rhode Island

**Rhode Island Public Health Commission**

THOMAS J. McLAUGHLIN, M. D.  
Woonsocket, May 21st, 1930.

The American Cigar Company,  
4111 Fifth Avenue,  
New York, N. Y.

Sentlemen—

Permit me to commend you for your crusade against the old-fashioned method of cigar making which involved the use of "spit" or "saliva." There are many unsanitary processes still employed in industry which are very difficult to eliminate without the aid of industry itself.

Not only the public officer charged with the responsibility of improving conditions of health generally but every one immediately recognizes that the use of "spit" in the manufacture of cigars is not only unsanitary but has latent dangers to health of great magnitude.

I feel it incumbent upon myself, therefore, as a public officer charged with protecting the public health to use this means of telling you that in campaigning against such a method of manufacture you are rendering a public service.

I sincerely hope that your example and your campaign will compel the abandonment of such methods of manufacture of cigars by the industry generally and the adoption by all of the manufacturers of sanitary methods in the manufacture of cigars.

You are at liberty to use this expression of my commendation in the furtherance of your laudable campaign for better sanitation.

Yours very truly,  
Thos. J. McLaughlin, M. D.  
Chairman State Board of Health  
State of Rhode Island.

In this period of cold weather and cracked lips, above all insist on a cigar—free of the spit germ.

**Certified Cremo**

## AMITY LEADING IN DISTRICT CONTEST

AMITY, Jan. 29.—Amity high is now in the lead for the basketball championship of its half of the county. It has two more games to play to determine who meets the northern division leader to decide the crown.

Mr. Summerville's squad has been practicing all week to keep in shape to meet Dayton Friday evening.

## Dancing Class Now Organized

GERVAIS, Jan. 29.—A class in physical education and dancing has been organized at the high school and is being held during the last period of the day during the last semester. Girls who do not practice basketball go to the class daily and those who do practice basketball go on Fridays. This class is proving both popular and beneficial to the girls.

**INCOME \$5 MILLION**  
KIAMATH FALLS, Ore., Jan. 29.—(AP)—Total income from agricultural activities in Kiamath county last year was \$5,722,356, C. A. Henderson, county agriculturist, reported today.

## Bonus Resolution Passed Quickly

Without dissenting vote, the senate yesterday approved a resolution introduced by Senator Charles Hall of Coos and Curry counties, requesting congress to enact legislation making possible payment without delay of all adjusted compensation certificates issue to veterans of the world war. Senator Hall explained that since congress had long since paid for all the industrial costs of the war, it should now complete its settlement with its soldiers. Twenty-eight senators approved the resolution. Two were absent when the vote was made.
