

Ratzlaff to Make Bow to Salem Fight Fans Here Tonight

Y. OVERCOMES KITZMILLER'S

36 to 32 Victory is Taken After nip and Tuck Hoop Battle

Names of famous football players—three of them considered for All-American honors—look good even in a basketball lineup, but they didn't quite serve to overcome the Anderson Y. M. C. A. quintet's record of no defeats. The local boys won from Kitzmiller's All-Stars of Eugene 36 to 32 Tuesday night on the local high school floor, after trailing behind most of the game.

Kitzmiller brought two diminutive but deadly forwards, Rubenstein and Wirth; an awkward-looking but accurate shooting center, Jerry Lillie, and three massive and capable guards in the well known persons of Colbert, Christensen and himself.

Against that combination it took all of the speed and teamwork of the "Y" hoopers to prevail finally and the outcome was in doubt up to the last second. The "Y" was ahead for a share of the first half but it ended with the visitors leading 19-16. From then on it was nip and tuck, with the score frequently tied.

In the wild scramble which characterized the last few minutes, Flake tied the score at 32-31 by shooting till the sphere finally went in; Nash looped a beauty to put the "Y" ahead and Benjamin wound up the scoring with one from medium distance.

Though Flake did the heavy scoring for the "Y," it was the cool playing of Ashby that kept the local team in the running when the tide of battle was in the other direction.

The score: Y. M. C. A. F. 36 Kitzmiller's 32
Nash 8 Wirth 10
Benjamin 10 F. 13
Flake 12 C. 11
Lillie 11 Lillie 11
Colbert 11
Ashby 4 G. 11
Christensen 4 S. 6
Rubenstein 4 S. 6

Wildcat and Bobby Ready For Big Mix

Bobby Sampson and Wildcat McCann are eagerly awaiting their meeting at the armory Friday night on Matchmaker Harry Plant's grappling card.

McCann, who is one of the best drawing cards on the mat here, thinks that he is not only the wildest grappler in his class, but also the strongest one even though his name doesn't happen to be Sampson.

A's First Sacker Plays Basketball

FORT MEYERS, Fla., Feb. 3.—(AP) — Jimmy Foxx, slugging first baseman of the Philadelphia Athletics, has added basketball to his pre-season training schedule.

With his new contract reported signed, the A's first sacker donned the colors and uniform of a center in the city basketball league. Foxx has a reputation for banging out 300-yard drives on the golf course.

SALEM QUINTET CRUSHES COLTS

Holds Fast Portland Quint Scoreless Second Half and Wins 47 to 10

Holding the visitors scoreless throughout the second half, the Salem high basketball team trounced the Sellwood Colts on the local floor 47 to 10 Tuesday night, leaving the suggestion in minds of red and black rooters that Coach Huntington's squad had improved mightily since these same teams played a close game in Portland earlier in the season.

The score was 26 to 10 for Salem high at half time and from then on Sellwood's sharpshooters scarcely had a chance to score, even though a second quintet went in for Salem for the entire fourth period. Foreman and Sanford were Salem's scoring aces though Bone was in the same class and Graber scored with great rapidity when he went in for the first time this season.

The score: Salem Sellwood
Foreman 9 F. 5
Bone 8 F. 2
Sigmund 6 C. 2
Sanford 13 G. 1
Sachter 10 G. 2
Johnson 2 S.
Graber 8 S.
Brownell 1 S.

Horsehide is To be Thick Next Season

NEW YORK, Feb. 3.—(AP)—Major baseball as exemplified by Hack Wilson and Babe Ruth, the home run twins, was curtailed in the national league today with the announcement that the 1931 ball to be used in the senior circuit will have a thicker cover and heavier stitch.

The ball designed as an answer to the cry for fewer extra base hits, is not only expected to be a trifle slower but will furnish the pitcher a chance for a better grip. In addition, the stitches will not be counterset. No change was made, however, in the size or center of the ball, the former being regulated by a joint major league agreement.

League presidents and owners in session at the hotel Commodore had no opportunity to reject or approve the new ball as they were merely informed by President John A. Heydler of the new ball designed for the league's use by the manufacturing company, which furnishes the balls.

Astoria Forfeits Y. M. C. A. Game Scheduled Here

"Since Salem Y. M. C. A.—Anderson team beat Astoria in basketball a few days ago, Astoria probably thinks it unnecessary and unwise to travel clear here for another game," was the opinion expressed by Bob Boardman, physical director of the local association, Tuesday.

Word was received Tuesday that Astoria would forfeit the game scheduled for Friday or Saturday of this week.

ALBANY GIVES W. U. TUSSLE

Ed Cardinal Leaves gap in Bearcat Lineup; not in School now

Willamette university defeated Albany college, 46 to 34, Tuesday night in a non-conference basketball game played at Albany.

Albany turned out to be a much improved team since playing here several weeks ago. Peterson played center for Willamette and worked in well on offense, although he was unable to get the tip-off. Cardinal will not be in school the second semester and is through playing basketball for Willamette. Ed was rarely out-jumped and the loss of the tip-off is going to handicap the Bearcats in the championship race.

Outside of Cardinal, the regular starting lineup was used, with Adams and Scales at forward positions and Gibson and Carpenter at guard positions.

"Spec" Keene used two teams in the game, looking for the players who will go to Tacoma for the games with College of Puget Sound and the game with St. Menzies on the return trip. Ten men will go on the trip, but who they will be is not fully decided yet.

WHITMAN BEATS PACIFIC WALLA WALLA, Wash., Feb. 3.—(AP)—Taking the lead in the opening minutes of play and holding it throughout, Whitman college defeated Pacific university, Forest Grove, Ore., 45 to 20 in the opening Northwest conference game here tonight. The score at half time was 26 to 9 for Whitman.

Parrish Five, Chemawa to Meet Tonight

Farrish junior high will meet the Chemewa B basketball team at the Parrish gym tonight.

The Chemewa B team has a number of fast men, Coach Downie has been coaching them as well as the members of the A team. In addition to being faster, the Indians are also older than the Parrish players and perhaps a bit more experienced.

Coach Brown's team at Parrish is still undefeated this season however, and has played most of its games against high school teams. Brown states that his team is in good condition and the only improvement now will come through better passing, shooting and team play.

Friday night Parrish will play Gervais high in the "cracker box gym" at Gervais. The game at Gervais is one of the league games of the county. Parrish and Gervais are still undefeated in the league, each having won three games and lost none. In the southern division of the Marjion county league, Mill City is leading.

Parrish is now looking forward to two basketball games to be played with Medford junior high here February 13 and 14. Providing Medford wins the southern Oregon championship which now appears likely, the games here will help in deciding the state championship title for junior high schools.

Nicholson, Clark and Meyers are new additions to the squad this semester and may prove valuable when they get in good condition.

MEETS DOSSEY IN MAIN EVENT

Card is First of Series in New Plan; Robinson Promoter

TONIGHT'S FIGHT CARD
Main Event — Ratzlaff, 160, Minot, North Dakota, vs. Dossey, 160, Portland, Oregon; ten rounds.
Semi-final — Lenhart, 180, Portland, vs. Coker, 180, Tacoma, Washington; six rounds.
Special — Watts, 135, Salem, vs. Lee, 135, Portland, four rounds.
Special — Young Jack Johnson, Portland, vs. Chief Thomas, four rounds.
Preliminary — Smith vs. Al Ambrose.

Herman Ratzlaff and Jiggs Dossey are both reported to be in fine condition for the fight at the armory tonight on Promoter H. A. Robinson's opening fight card in Salem.

This is the first effort to bring in first class outside fighters and if it goes well, more will be matched here in the future. The card featuring local boys last week drew a good house and tonight's turnout will be a fair indication of what Salem fans want. The present plan is to alternate the matches, using local boys every other week. Robinson is bringing big fellows here this time and will try feather-weights and lightweights in the future.

The main event tonight will be one of the most fashioned slugfest kind, according to Robinson, as both boys deal out a lot of punishment and can also consume plenty. This will be Dossey's big opportunity and he is sure to be in there giving Ratzlaff all he has. This fight will by no means be a boxing exhibition, as both are rough and rugged fighters.

In Dossey's corner will be the veteran Mickey Rockson who will guide the willing and ambitious Dossey. Mickey has met all the tough boys and Dossey is fortunate in having such a second in the German corner will be Jack Capri, veteran manager and promoter who has managed some of the best fighters in the country and who also has Lenhart and Lee who are appearing in preliminary bouts.

Semi Final Will Be Good Bout
Lenhart is another young heavyweight with a big future and for his size can outspeed and outmaneuver a lot of the smaller boys. Lenhart is meeting a clever and hard hitting opponent in Roy Coker. Jimmy Lee is one of the very few Chinese fighters and is billed to go four rounds with Orin Watts, a local boy. Watts, who stole the show at Portland last Friday after going along with some other fighters as an observer and being pressed into service at the last minute, will go against the Chinese fighter.

Young Jack Johnson, the negro fighter who met Terry Killeen here last Wednesday night, will meet Chief Thomas here tonight in a four round special. The colored boy has only fought twice before, but has been working hard and will be more evenly matched with Thomas, a big Indian boy. This match has been arranged as a special feature on the program as an interesting mix is expected when Johnson starts throwing his haymakers. He was one of the most willing fighters on last week's card here.

City League Pinmen Get High Scores

Three highest scores ever bowled in league play were made last night by City leaguers in their first match of the second half season. Willamette Valley Transfer, continuing its recent spurt, rolled 1960 for team game and 299 for team series. Halal, Bake Rite, setting high individual records as he did the first match in the fall, came within 12 points of bowling a perfect game, reached 288 and chucked up a series count of 703, doubtless the highest ever rolled in Salem in three games of league play.

Two shutouts, capped by the high scores were made by Elks Club over McKay Chevrolet and Bake Rite over Winter Garden. Despite records Willamette Valley Transfer set, they lost one game to Capital Bedding company.

Bake Rite repeated its act of last fall in smashing down the pins to make series count of 2941 and game 1042, which were almost the same scores that held the City league record from September until the last game in January, when the Transfermen stole away the honors.

The Wesleyans and Alpha Psi are resting peacefully in the cellar although both still are in the running, as the teams which finish the round robin series with 500 per cent or better, will play off for the championship.

The Sigma Tau and Faculty teams are now favored to win especially since the second semester has occasioned several changes on the other teams. The games are played each noon on the Willamette gymnasium.

The School for the Deaf basketball team won again Tuesday night, defeating the Jason Lee church 14 to 10.
