

Salem Y. M. C. A. Hoopers Win State Championship

EUGENE BEATEN IN FAST CLASH

Overtime Period is Called and Then Locals Speed Up, get 9 Points.

In a point for point game that extended into an overtime affair, the Salem Y. M. C. A. basketball team defeated the Eugene Y. team 54 to 45 here Monday night winning the state Y team championship and finishing the Oregon Y league with no defeats.

The game was fast throughout with the Salem team leading 23 to 15 at half time. However in the second half the Eugene men also started a scoring avalanche and, led by Bramhall who dropped in one handed shots from all angles, knotted the count 45 to 45 as the game ended.

The Eugene men could not maintain the pace however in the overtime period, and the Salem flashes scored nine points, meanwhile holding their opponents scoreless. Bramhall was high scorer of game with 18 points. Flake was high point man for Salem with 16 points and Benjamin stood next with 14. Both Flake and Benjamin scored heavily on short shots. Nash also scored heavily for Salem, excelling on corner shots.

The Salem Y team has lost only one game this season which was to the Oregon Normal. In a previous game the Y boys had triumphed over Will's Normal school team. On March 14-15 the Salem team will represent Oregon in the northwest Y tournament which includes Oregon, Washington and Idaho. Meanwhile the Salem team is looking for strong teams to play.

Eugene Gets Lead, Valley Pin Topplers

The four-way tie in Willamette valley bowling league is no more. Hellig Theatre, Eugene, won three games from Corvallis representatives and Salem DeSotos took two out of three from Albany at Winter Garden here Sunday afternoon.

Hard luck, or fatigue, kept the DeSotos from what would have been a spectacular match win. They crashed through with the high scores of 1032 and 1051 for the first two games, then let down to 938 to be beaten in the third by Albany's Orphans who scored 942, their highest game. Despite losing the last game, the DeSotos bowled a record-breaking match series. Their 3021 count is said to be the highest ever rolled for three games in match series here.

Balconies Needed at W. U. Gymnasium if Tournament Is to be Kept for Salem

J. L. Gary, secretary of the Oregon High School Athletic association, was in Salem Monday to confer with Coach Keene of Willamette concerning the state high school basketball tournament to be held in Salem from March 17 to 21. Gary was particularly interested in developments of the installation of more seating capacity in the Willamette gymnasium where the tournament games will be played.

Coach Keene and Gary are both of the opinion that a crisis in the location of the state tournaments in the future is now at hand. Unless something is done to increase the seating capacity of the Willamette gymnasium, some other town is going to outdraw Salem and get the tournament.

Portland is gunning strong for the tournament and is even offering to build a new gymnasium in order to handle larger crowds. The last game in Portland which Jefferson high played drew 2400 paid admissions. This is more than the present capacity of the Willamette gymnasium. Jefferson is now almost sure of coming to the tournament. If Jefferson does come, a large following from Portland will come down to see the Portland team play.

Fans Turned Away At Major Games
A good crowd from Portland can be expected as two Portland teams will compete in the tournament. Many Portland fans have stated that in the past it has been an uncertainty going to Salem to see the home teams play. Entrance to the gymnasium was never sure as capacity crowds were in evidence at all the big games. Driving 50 miles and then not getting to see a game, is a bit perturbing to the Portland fans.

Salem pinmen walked away with all individual scoring honors. Kantola rolled high game of 235 pins, Hall followed with 226. The series high went to Hall with 635, Kantola making 632.

IDAHO QUINTET DUE THIS WEEK

Willamette Faces Tougher Opposition; new Pair Of Forwards Shine

Coach "Spec" Keene is working his men out in preparation for the basketball game with College of Idaho here Wednesday night.

Fine spirit and plenty of fight were shown in the games with C. P. S. and St. Martins last week. Team spirit is now growing and it will be a big help in the remaining games of the season, which show promise of being terrific affairs.

In the game at St. Martins, "Spec" used a different lineup than his ordinary one and was well pleased with the showing made. Faber and Erickson played forwards, Carpenter center and Moore and Peterson guards. A change in lineup was made toward the end of the game.

CURT COMMENTS

Dumb Dulcie says when she's out motoring with the boy friend she always listens carefully but never has heard the piston ring.

Woodburn, news dispatches say, has a Rod and Gun club. We know why Rod likes the club editor down there—but who's this fellow Gun? And we know just what Rod will say about this.

We called up Russ Eary down at Tillamook the other night to find out how his basketball team came out with Salem high. He sounded sort of cheerful despite the score, and now we know why. The stork was hovering near his home and next day it swooped down and left a baby boy. Russ says that time the stork came much whether he came to the state tournament again or not, probably. But most likely he'll be here for the fifth— isn't it—consecutive time.

Molalla Quint Invades Dallas Floor Tonight

DALLAS, Feb. 9. — The Dallas high basketball squad will have its chance for revenge here tomorrow when it meets the Molalla team. Molalla romped over Dallas at Molalla by a score of 23 to 11. The local boys hope to change this when they get Molalla down here.

Dallas raised its hopes a notch last Friday when it won over Independence. This tied Dallas and Monmouth for first place in the A division of the county league although Monmouth has played one more game than Dallas.

RED AND BLACK FACES EUGENE

Ancient Rivals to put up Stronger Opposition For Second Game

Tonight Salem high will meet Coach Webber's basketball team of Eugene high for their second contest of the season. The game will be played at Eugene.

The lopsided score of 51 to 19 which was stacked against Eugene high in the first game by "Holly" Huntington's red and black flashes, will not likely be repeated tonight. Coach Webber stated that three of his men were unable to play in the game here and that with the spring semester he would receive additional material. Webber has changed the style of offense used by his team, substituting one which is better suited to his material. Bradway, the giant center of Eugene, had the tip-off here and will easily have it tonight, and perhaps more use will be made of it this time.

Salem high is now in good shape and the crowd will be full strength for tonight's tilt. Kitcher is now much better and is just hitting his stride. His pep and enthusiasm add much to the team. Graber also showed well at Tillamook and is now better than he was last season. He has added 15 pounds and acquired the knack of shooting with one hand. Although he will probably not start the game, he is liable to see action, as "Holly" wishes to alternate him and Slegmund.

The regular lineup of Kitcher and Bones, forwards; Slegmund, center, and Sanford and Sachtler, guards, will start the contest. West and Foreman will be the other players who will go with the squad.

U.S. Navy applies new Service Cost Test in choosing motor oil

WHEN the Navy selected Cyclo for its Pacific Fleet lubrication requirements, it banished guesswork buying for all time. Read how Cyclo won a million gallon contract on its ability to deliver maximum lubrication at lowest service cost.

Smart buyers, the Navy. Smart buyers, too, are western motorists who are turning in increasing numbers to this motor oil that "protects the fleet that guards the Pacific."

They know that price alone means nothing. Only price, combined with the work an oil will do, can measure its value. Endurance, stamina, resistance to heat, lowest carbon, minimum maintenance cost—in all these vital factors Cyclo proves its superiority.

Yet Cyclo's price is only 25c a quart. Stop at the red, green and cream station or garage for Cyclo. Settle this motor oil question for all time.

Proved by Test for Service Cost
The world's finest motor oils were put through measured heat, friction and pressure tests for 100 hours on a specially-designed Navy bearing. Findings, when compared with prices quoted, gave Service Cost, and Cyclo easily triumphed. Here are results from tests at Avon refinery, following strictest U. S. Navy standards, proving Cyclo's unquestioned supremacy.
