LABISH CLUB STAGES PLAY

Winners in Drawing Contest Announced at Meeting

LABISH CENTER, Feb. 12—The presentation of "Aaron Slick From Punkin Crick," a three act rural comedy, Tuesday evening at the school house was well received by a large audience.

The various roles were portrayed effectively by the cast and the drama was particularly suited to demands of both stage and audience. Music between acts was furnished by Willard Hornschuch at the piano and the Dow orchestra.

Door receipts amounted to about $27 which will go to the community club's treasury.

At the short business session of the club which preceded the play, winners of the drawing contest which the club sponsored during the month in cooperation with the teacher, Florence Burr, were announced. First prize in the upper grades went to Bernadeen Daugherty and in the lower grades Jessie Page took first honors.

Refreshments were served in the basement following the play.

TURNER HIGH TO SEND DELEGATES

TURNER Feb. 12—The Turner high school will send two delegates to Corvallis Friday to attend the educational exposition at Oregon State college. Kenneth Fowler, Miss Katherine Shampier and Henneth Hickok, teacher, will leave Friday for the weekend.

The Turner school will put on a George Washington program Monday morning, February 23, at 11 o'clock. The public is welcome. The high school glee club and teachers have decided not to make the trip to Forest Grove this year, but will put on an operetta in the early spring.

The outside activities at present are centered in various teams which are taking active part in basketball games. The longest trip away from home was made to Mill City.

Fire Destroys Dallas Home

DALLAS, Feb. 12 — The S. H. Baker home in North Dallas was partially destroed by fire here Tuesday. The fire was discovered about 11:15 by neighbors after the entire upper story was in flames.

The house is a two story structure and the entire second story was destroyed. The residents of the house were unaware of the fire and this allowed it to gain headway. This and the lack of sufficient pressure in the North Dallas mains handicapped the firemen, but most of the furniture was saved.

Bits For Breakfast

through which runs the Sweetwater. This gap is very narrow and the walls fully 500 feet high, with only room for the wagon between the rock and the water.

(Continued tomorrow.)

ENDS DIGESTIVE ILLS QUICK AND GAINS 5 POUNDS

Food does not nourish when it is not properly digested. That's why people who suffer from gas on stomach and bowels, belching, nausea, headaches, dizziness, etc., due to indigestion, often find themselves underweight, weak, with little energy and vitality.

All this is quickly changed when you start using the simple discovery known as Pape's Diapepsin. When people experience for themselves the amazing results of using these tasty little tablets, they invariably feel compelled to tell others.

Mr. Wm. R. Ficklin, 3036 West Pico Street, Los Angeles, Calif., says: "I suffered for over two years with hyperacidity, gas and headaches; trying all the time to get relief by using soda and treatments.

"Then I learned about Pape's Diapepsin and began on it. It has been a wonderful help to me. I eat pastries now without bad after-effects. How they used to make me suffer!

"Friends that I have told about Diapepsin have been helped in the same way. I have gained five pounds since starting on it."

All druggists sell it; or if you wish to try it before buying, write "Pape's Diapepsin," Wheeling, W. Va., for a trial box, FREE.

PAPE'S DIAPEPSIN
Quick Relief for Stomach Ills

CHEAPER APPLES IN FAIR DEMAND
BUTTER MARKET EASIER, REPORT

Wrapped Stock Moves Slowly, but Foreign Demand Good

Cheap ungraded apples continue in fair demand at Portland, but wrapped and packed stock is moving very slowly. Foreign demand shows improvement, due to complete depletion of European-grown apples. It is expected that this improvement in foreign demand will result in continued steady prices and movement in the northwest.

Car loadings of apples from eight western apple - shipping states have ranged from 1000 to 1200 cars per week since New Years, compared with loadings of 400 to 700 cars weekly during the same period a year ago. Western apple loadings this season through January 24 total 52,000 cars, compared with 40,000 cars through the same date a year ago, and a total season's loadings last year of 51,362 carloads. The eastern apple - shipping states, with 26,000 cars loaded through January 24, show a 7,500-car decrease from a year ago.

Small to medium sized winesaps, suitable for export, are displaying a firmer tone now. Fancy Delicious are moving more readily than Extra Fancy, due largely to the price differential.

Local vegetables are now at their lowest point, from the standpoint of volume and quality, since last summer. New-crop spinach will be available in another week or two though, weather permitting. Early spring peas are several inches high now, in the gardening area near Portland.

General Markets

PORTLAND, Ore., Feb. 12—(AP)—Produce exchange, net prices: butter, extras 29; standards 28; prime firsts 27; firsts 26. Eggs, fresh extras 18; fresh mediums 16.

Some Lots Sold Below Quotations; Supply Of Eggs Heavy

PORTLAND, Feb. 12—(AP)—Wholesale butter market reflected an easy tone at opening today as supplies appeared more liberal and dealers were free sellers at prices ranging down to below quotations which officially were unchanged while retailers were inclined to limit purchases to immediate requirements.

Although increased consumption of eggs was noticeable at current low prices, the egg market opened easy with liberal supplies and trading fairly active.

Most lines of fresh fruits and vegetables opened at steady prices. Potatoes, however, a noticeable weak spot due to large dealer holdings and light demand, were quoted 10 cents a cwt. lower at from $1 to 1.50 for U. S. No. 1 stock.

Vetch Mildew is New Pest Among Polk Hop Yards

A new pest has appeared in Polk county hop yards in the form of vetch mildew, which is said to be different from anything before discovered.

The mildew starts from the ground and works up, leaving the plants black and moldy. Hop men are puzzled as to whether or not is it another form of the downy mildew, since it has only appeared in vetch planted in hop yards.

SCIO BUYS SITE OF WATER PLANT

Rental Contract Cancelled By Purchase of Plot of Ground

SCIO, Feb. 12—Prospect of expensive litigation, with uncertain results, have been eliminated in the recent purchase by the town council of Scio of a small plot of ground from the Scio mill company on which the city's water plant and pumping equipment are located. Negotiations have been pending for a year or more and the final papers were completed a few days ago, according to advices from city representatives.

The consideration is $400 for a tract with 100 feet north frontage and extending south to the center of the channel of Thomas creek. The deal also carries a right-of-way 20 feet wide from the property purchased to Mill street, thus making the recently-acquired property accessible at all times to the city's representatives and others interested.

Under the terms of the purchase it is stated the mill company also cancels the asserted contract existing between the company and the city council whereby the latter was to pay the former $20 a month for rental and for water from the company's mill race for a term of years expiring January 1, 1945. It was a 20-year agreement, it is claimed by the company. The town council some time ago ignored the alleged contract and the company indicated it would test the matter in court if necessary. However, the sale of the plot to the city is said to have amicably disposed of that feature. It is understood a clause is incorporated in the recent deal whereby the city is to occupy the premises purchased for a period of 10 years with its water plant, pumping system, etc. It is further stated the company verbally agreed to furnish water to the city from the mill race for $10 per month, at the option of the city.

It is stated that drilling operations will be started on the property within a short time. It is deemed advisable, at the suggestion of the driller, to reinforce the bridge that now spans the mill race in order to transport the heavy machinery of the driller to the point at which drilling is to begin. This structure, which has been in use several years, was materially damaged and weakened by the fire of August, 1928, which destroyed the mill and the elevator. Work is to be completed on this bridge this week, it is stated, in anticipation of the arrival of the driller from Portland within a few days thereafter.

Details of the deal were laid before the council by Mayor W. A. Ewing at the regular meeting Thursday evening. Council members present were W. F. Gill, N. I. Morrison, A. L. Plummer and W. Z. Sims. The transaction was ratified by the council.

Interest on $15,000 outstanding against the city, amounting to $450.50, was ordered paid. The bill of the mill company to February 1, 1931, for $120, for rental and water privileges, also was allowed by the council.

The board sidewalk leading to the city hall from the east came in for consideration, with the decision that it should be required without undue delay.

The council voted to accept the resignation of Fred Sturgess as a member of the body. On motion of A. L. Plummer the vacancy was filled by the appointment of Fred T. Bilyeu, Mr. Plummer was appointed a member of the special water committee to succeed Mr. Sturges.

The matter of repairing the bridge over the mill race was assigned to a committee composed of N. I. Morrison, A. L. Plummer and W. Z. Sims.

HIKE ENJOYED

JEFFERSON, Feb. 12 — Members of the High Flyer's class of the Methodist Sunday school hiked out to Redmond's Hill, and climbed to the top of it on Saturday afternoon. Those who went were: Sheila Roland, Norma Lent, Bernice Hutchinson, Shirley Roland, Francis Phelps, and their teacher, Mrs. D. George Cole.

PROGRAM PLANNED

SILVERTON HILLS, Feb. 12—The Porter and Mountain View schools will give a joint program, each school furnishing five numbers, in the Silverton Hills community hall Friday night. The pupils from the schools will sell home-made candy during the evening and otherwise no charges will be made. Miss Dorothy Neal and Miss Norma Livingston are the teachers of the two schools.

ENDEAVOR GROUP IS ENTERTAINED

CLEAR LAKE, Feb. 12.—The Christian Endeavor society held a social Friday evening in the social room of the church. The room was attractively decorated with crepe paper and Valentine motifs. Games were played and later refreshments were served.

Present were Dortha Muscott, Dorothy Wayne, Alice Massey, Nina Latourelle, Pauline Coonse, Thelma Barrett, Sophie Garner, Hazel Clement, Nellie Clement, Maxine Coonse, Martha Robertson, Marie Harold, Neva Smith, Ada Mae Smith, Harold Robertson, Harold Dutard, Orville Herroid, Kenneth Barnett, Robert Massey and W. P. Collard.

FORMER RESIDENTS GUESTS AT STAYTON

STAYTON, Feb. 12—Mr. and Mrs. L. L. Thomas, of Marshfield, were Sunday guests at the E. D. Alexander and Dr. O. F. Korinek homes. Mr. Thomas was a former Stayton boy and about 20 her and his father, W. E. Thomas were in business here. Later Lon and J. W. Mayo were engaged in the general merchandise business.

Mr. and Mrs. Thomas have been residents of Marshfield for the past 18 years, and have a fine music store there. Mr. Thomas was for several years mayor of Marshfield. Additional guests at the Korinek home were Dr. and Mrs. A. W. Korinek, of Portland and Miss Caroline Nerod of Salem.

GO TO PORTLAND

STAYTON, February 12—Dr. and Mrs. H. A. Beauchamp, accompanied by Dr. and Mrs. G. F. Korinek were Portland visitors Tuesday, where the men witnessed the bouts at the auditorium, while their wives went to see the popular movie "Cimmaron."
