

# BRUSH COLLEGE CLUB MEETS

### Record Breaking Attendance Greets Unique Program

BRUSH COLLEGE, Feb. 18.—A record-breaking crowd filled seats and vestibules when the Brush College community club held a splendid patriotic program at the recent meeting held at the local schoolhouse, February 13.

The program opened with a song of welcome by the school children to H. C. Seymour, leader of the club. Joseph Wills, county school superintendent, was also present, and introduced Mr. Seymour by a unique method. He had drawn thumb sketches of Lincoln, Washington and H. C. Seymour, and asked the audience to identify each. Mr. Seymour was given a complete surprise when Joseph Wills presented him with a beautifully written doctor's degree of Brush College. This was the first diploma Brush College had ever given and was to the nature of a practical joke but with the sincere good wishes of all present. U. J. Lehman made the presentation in behalf of Brush College school board, composed of G. L. Blodgett, Fred Ewing and U. J. Lehman.

Mr. Seymour read an interesting thesis which he wrote a number of years ago while at Columbia university. His subject was "Community Life," and he had used Brush College as an example.

History recalled. He said in part, "In 1849 Brush College was located on a land claim." He told of how the first one-room schoolhouse was built on this claim, how the land was secured and told names of all the teachers. Brush College is situated in a favorable location, with good roads and much fruit raising.

A Sunday school was organized in 1890 which has been self-supporting from the start and has also contributed to other causes. An annual homecoming picnic is one of the fine features of Brush College and is held each year in the community picnic grounds, which were donated to Brush College by Mr. and Mrs. Byron Harritt.

Miss Irene Cutler was accompanist for the following program, which was arranged by Fred Ewing and Mrs. Mary H. Ewing. The "spirit of music" was represented by Ruth Whitney, who called for music and the girl representing the song appeared and sang as the air was played. Others taking part in the costume musical play were: Evelyn Working as "Goddess of Liberty"; Hazel Rivett, "Yankee Doodle"; Mildred Munson, "America"; Kathleen Rock, "Hail, Columbia"; Antonio Krall, "America, the Beautiful"; Angelina Falk, "Battle Hymn of the Republic"; Lorain Acuff and Lillian Harper as two Indian maids sang "By the Waters of the Sky Blue Waters"; Ruth Whitney, Maxine Olson, and Ruby Johnson, dressed as Gypsies, sang "Swanee River"; Dorothy Wilkenson, representing a cowboy, sang "Red River Valley." As a closing of this part of the program all danced the "Virginia reel."

The next number was the Brush College song in unison, accompanied by Mrs. A. E. Utley. A. E. Utley, president, presided at the business meeting and appointed Miss Ruth Bennett and A. E. Ewing as the program committee for next meeting, and Mrs. Fred Ewing and Mrs. C. L. Blodgett as
