

# Whitman Takes First Game of Titular Series With W. U.

## BORLESKE FIVE WINS 38 TO 35

Teams to Clash Again Upon Willamette Floor Here Tonight for Title

Taking advantage of a serious case of "stage fright" or its athletic equivalent on the part of the Bearcats in the first half, Whitman's fast moving basketballers defeated the Willamette quintet 38 to 35 in the first game of the championship series here Friday night. A second game will be played tonight.

Willamette got off to a good start while Whitman was getting the range of the basket, but after five minutes, Whitman sank two long ones in succession and Mantell forward, broke into the scoring column to assist him, the first half was all Whitman, with Adams, playing his fourth series against the Missionaries for the championship of the only steady man in the Bearcat lineup.

Whitman pushed the score up to 19 to 14 at half time. The Bearcats' erratic tendency was all evaporated as the second half opened and it quickly showed the score up to within three points of Whitman's, but was unable to get any nearer. Mantell and Mills, Whitman's substitute center, began clicking again and the margin was eight points with about four minutes to go.

Then, Willamette started as desperate a rally as has ever been staged on the local floor, but it fell three points short. Several of the points scored in this series came on free throws by Adams who collected eight during the game.

The "tough luck" feature for the Bearcats was the fact that Carpenter shot three points that would have tied the score, but they didn't count. The first game when he shot a free throw while time was out and then missed it on the second try after time was in. The fans didn't understand what happened on the field goal.

Whitman wins tonight's game it will be ahead of Willamette on percentage-wise for the season schedule completed.

**Peninsula's Quintet Will Play Frosh**  
Tonight the Bearcats will take the floor with everything to gain and nothing to lose. Whitman got the first game 38 to 35 and is thereby favored to win the game tonight.

However, the large crowd which saw the game last night is still not convinced that Whitman has the best team. Whitman was stronger on defense, and with a little time to set for long shots, proved adept at sinking the ball from a distance. "Spec" Keene had his men play a man-to-man defense in the second half last night, and it would have done the trick except for a few cross-ups.

What system or what combination will be used tonight, is now uncertain. Perhaps some of the men who remained on the bench during the game last night could deliver if they had a chance. The one thing certain is that the Bearcats will take the floor tonight all set for revenge, and if the Missionaries take back a clear titled championship, they will have to go harder than in the first game.

As it now stands, Willamette has won seven conference games and lost one. Whitman has now won seven and lost none. But if Willamette wins tonight, it will mean that the Bearcats will have a higher percentage than the Missionaries, that is, providing Whitman does not schedule some more games for the purpose of bolstering up the percentage.

The Willamette freshmen will play the preliminary tonight against the Peninsula Park Aces of Portland. The Aces have a strong team and defeated last year's strong freshman team here. The preliminary game will start at 7:00 p.m.

**Perrydale Teams Defeat Hoopers Of Grand Ronde**  
PERRYDALE, Feb. 20.—Tuesday evening Perrydale boys' and girls' basketball teams met teams from Grand Ronde. The Perrydale girls won, 36 to 3, and the boys, 25 to 13.

The girls' team here, assisted by the other high school girls, served lunch for all players. The Kentucky court of appeals has ruled that state funds on deposit in an insolvent bank are entitled to no preference over private deposits in the distribution of assets.

## Crimson Crew in Workout

The Harvard University crew, which the hopes of the Crimson are pinned to bring home the bacon this coming season, is shown having a stiff

workout under the tutelage of Coach Whiteside, in the indoor tank at the Newell Boat House, Cambridge, Mass. There never been such keen competi-

tion as there is this season among the big Varsity crews, and the oarsmen are training hard to acquire that slight edge that brings victory.

## FAVORITES WIN IN CHURCH HOOP TILTS

The Congregational, Fruitland and First Methodist basketball teams came out ahead in the Sunday school basketball league scramble Friday night.

With McKenzie getting 14 points, the Congregationals downed Hayesville 23 to 13. A. Sugai was high scorer for the losers with four points. W. Johnston piled up 11 points to aid Fruitland in defeating Jason Lee 23 to 12. Jason Lee lacked a consistent scorer. Houck was on for the First Methodist team and scored 16 points with his team defeating the Christian team 31 to 11. Cooley was high scorer for the losers 7 points.

**JONES WINS WHEN OPPONENT INJURED**  
Henry Jones, the strawberry man from Provo, Utah, won a wrestling match from Jack Wilkins, Texas, at the armory Friday night when Wilkins was unable to come back after losing the first fall.

Jones proved too fast and clever for Wilkins and, employing many holds and tricks, held a slight edge throughout the match. Wilkins put up a good battle and proved to be a good opponent for Jones. The fall came after 39 minutes and 15 seconds of wrestling, when Jones placed a hamerlock on Wilkins which dislocated the shoulder of the Texas man before he patted the mat.

His shoulder was so badly damaged that he could not return to the ring to finish the match. Jones was consequently awarded the victory.

Bobby and Buddy Ambrose, twin brothers, proved to be twin in every respect, even in fighting ability, and boxed a four-round draw as a preliminary to the wrestling match. As per usual the Ambrose boys put on a good show and fought like brothers can.

Kind of a mean trick, moving the Bowles trial up to Hillsboro where Portland show-goers won't be able to hear it unless they have the means of transportation. But don't you be fooled, Portland people, it'll be at the second run houses in Portland the next week.

As if those outlandish looking "warmups" weren't bad enough, they're trying to jazz up the old game of basketball some more. Down in California there's a team whose players are distinguished by question marks, exclamation points and other designs instead of numbers; and over at Bend the high school hoopers wear derby hats along with the warmups.

Why are the scribes all excited about the legislators' 40 days with pay being over? Didn't they get paid for Friday afternoons, Saturdays, 8 or 9 days and Monday forenoons all this time? And what's \$3 a day to a big man from the old home town anyway?

## Second High Squad Wins Over Indians

The Salem high B team defeated the Chemawa B team 33 to 20 in a preliminary to the first team game between the two schools at Willamette gymnasium Friday.

The Salem side proved to be the better ball handlers and stronger on scoring. Burrows was high scorer with 18 points, most of which were made on short shots. The Indians simply continued to overlook him as he parked under the basket and dropped them in. Thomas was high scorer for the Indians with eight points.

## CHEVROLET QUINT WINS 3 STRAIGHT

Increasing their score each game, Chevrolet Cubs bowled their way to three straight wins over Fleener Electric plinners in Commercial league at Winter Garden Thursday. Pacific Telephone took two close cantos from Elks Cubs, and Commercial Body Shop pin-busters squeezed in a two-game victory over Salem Sanitary Dairy.

Elks Cubs, defeated in games, nevertheless came through with high team series at 2831. In their first and third games they seemed off stride. In the second, they swamped the phenomem 930 to 798.

High team game honor went to Commercial Body Shop for 945 and Allison of this team scored 233 for high individual count. Kantola, playing for Salem Sanitary Dairy, totalled high individual series, 620 pins.

## SIDETRACK 'BILLS TO BRING REVENUE

The joint ways and means committee, at a meeting here last night, virtually agreed not to press the tobacco tax, malt tax and other proposed revenue measures suggested by members of the committee, until such time as the taxation committees of the house and senate have completed their tax program.

This action was taken after Representative Hamilton, a member of the roads and highways committee of the house, announced that in sponsoring the tobacco, malt and sign board tax, the ways and means committee and legislature might jeopardize more important revenue measures to be included in the tax program.

Representative Hamilton referred particularly to the intangibles tax which probably will be referred to the voters so to place the revenue from this source outside of the six per cent limitation amendment. He also said it virtually had been agreed by the taxation committees to increase the rate of the intangibles and excise taxes from five to eight per cent. Hamilton declared that nothing would be done to disturb the state income tax until it has been tried out for at least two years.

The argument was advanced by Representative Hamilton that in referring too many tax measures to the voters, the opponents would combine and defeat the intangibles tax measure. He said such action would be a financial tragedy for the reason that the income, excise and intangibles taxes would return to the state more than \$4,000,000 annually.

## CHEMAWA LOSES TO SALEM HIGH

Final Score in Flashy Game Is 36 to 21; Reserves Aid Victory

By having stronger reserve material, Salem high defeated Chemawa 36 to 21 in a flashy basketball game played at the Willamette gymnasium Friday night.

Alternating Graber and Siegmund, and also putting in Foreman when Bone weakened, Coach "Holly" Huntington pulled his team out of a tight game which was closer than the score indicated. Bone opened the scoring of the game when he received a pass close under the basket and tossed in a crippler. Bone continued to look good on his short shots in the first half and gained nine points in that period. Some of shots were made while he was in the air to receive passes.

Hatfield followed the opening score with one for Chemawa. Fast, clever plays followed with Hatfield and Bone. Hatfield made the score resting 9 to 9 at the end of the first quarter. Hatfield soon converted a foul shot, giving the Indians a one point lead which was lost immediately when Sanford sank a long shot. Another burst of speed tied the score at 13 all. From then on the red and black began to draw away, and were never bettered after that.

One of the fasted plays of the game came just before half time when Shoulder Blade intercepted a Salem pass while going at top speed and with the ball changing hands four times, assisted a team mate in scoring a short shot. The half ended with Salem on the long end of a 19 to 15 score.

At the start of the second half, Kitchen got the ball on the tip-off and made the net sing with a long shot. Kitchen constantly fed passes to the other men and with such deception that the Indians were often caught off guard.

However Coach Downie's men checked him closely and spoiled many of the passes. Bone was unable to make his crimples in the second half so Foreman replaced him. The latter part of the game was mostly void of scoring with both sides doing some pretty guarding. In the last quarter Salem scored only three points and Chemawa but one.

If Downie can develop some good reserves, or bring his men around in shape to maintain their

## Three Coast Records Are Smashed in Aquatic Meet

STANFORD UNIVERSITY, Cal., Feb. 20.—(AP)—Swimmers of Stanford and the University of Oregon teams smashed three Pacific coast inter-collegiate records and equaled another in their meet here today which Stanford won, 54 to 30.

Fletcher of Oregon set a new breast stroke mark of 2 minutes 40.4-5. pace for a full game, it is probable that Chemawa will win in the district and have a chance to enter the state tournament. The Indian's team makes a good appearance on the floor with all the players a bit small and about the same size, they handled the ball equally as well as the Salem high men, and had it not been for the deadly passes of Kitchen, would likely have out scored Salem.

## MONMOUTH NORMAL DROPS HARD TILT

MONMOUTH, Feb. 20.—The Eastern Oregon Normal school at La Grande took the big end of a 25-to-22 score in basketball from the Monmouth Normal in a hotly contested game played here Friday night.

The game stood 16 to 6 for the eastern Oregon five at the end of the first half, with close checking. Monmouth had hard luck in getting shots. Two minutes before the end of play the locals had brought the score to 22 to 20, the visitors behind, but the rally failed to pull them through. La Grande shot two field baskets and a foul to clinch the game, and in the last two minutes Houckens and Paisley, who added the five points, made themselves heroes of the game.

## In the Hockey Heavens

By HARDIN BURNLEY  
STARS OF THOSE ALWAYS FORMIDABLE HOCKEY SEXTETS--THE BOSTON BRUINS AND THE MONTREAL MAROONS!

BOSTON'S Bruins are bruising their way along hockey's heights again and once more their demon defense men—Eddie Shore and Lionel Hitchman—come pretty close to being the all but impenetrable Seylla and Charybdis of the stormy ice sport.

Fan tradition already rates Shore as the better of this titan train, but the weight of player opinion, gauging each in their allotted role of defense gives Hitchman a shade on even the extraordinary Eddie. True, the latter carries the puck more frequently, perhaps he body-checks faster, and figures far more often in spectacular plays but Hitchman, every minute on defense, demonstrates that he is still living up to the famous code he observed when with the

Royal Mounted Police—"he gets his man." A camel trying to slip through the eye of a needle must feel like the truck-carrier does when he comes the ice in front of the rushing Shore and Hitchman. Some experts say the only way to get through them (and that's not often), is to try a quick punge right through center; striking either is hopeless. If either is a bit slow, you may flash through but, if they're not, you're caught between what feels like two flying Prime Cameras! The rocky, rollieking, tricky, colorful Shore and the hardbitten, hardhitting Hitchman—what a defense duo these bruising Bruins make!

## STATERS WILL PLAY OREGON

Second of Series Saturday Night at Eugene; two More Games Later

OREGON STATE COLLEGE, Corvallis, Feb. 20.—Oregon State and University of Oregon will renew basketball warfare at Eugene Saturday night in the second of a four-game series. The Orangemen took the initial tilt by the score of 40 to 28. The final games will be played next week end—February 27 at Corvallis and February 28 at Eugene.

Billy Rinehart, Oregon coach, will pick his starting lineup for the game with Oregon State Saturday night from a list of eight lettermen. The probable starters are Eberhart, center, Calkins and Dolp, forwards; and Stevens and Horner, guards.

With Ed Lewis, center, definitely out of the Orange lineup with an injured knee, "Slats" Gill, Oregon State coach, will use Ken Fagans at center, Rod Bakland and Mose Lyman at forward and Buck Grayson and Swan Merrill at guard.

## Story Book Has Nothing On This One

By ALAN GOULD  
Associated Press Sports Editor PALM BEACH, Fla., Feb. 20.—(AP)—After it seemed she had tossed away her chances with a badly topped brassie shot, Heica Hicks of Hewlett, L. I., stood idly by on the 19th hole today and watched victory in the Florida women's golf championship come suddenly her way as her opponent, Virginia Van Dine of Chicago, knocked Helen's ball into the cup in a futile attempt to negotiate a dead styvie.

This freakish finish was the climax to a sensationally close and keenly fought final round contest over the links of the Palm Beach Country club, furnishing an unlooked-for thrill to a fashionable gallery of nearly 2000 spectators. It brought triumph to the sturdy New York girl by the slender margin of one up, marking Miss Hicks' first victory in the tournament, at the same time costing Miss Van Dine the chance for a third win and permanent possession of the championship cup.

All square at the ninth after an erratic start, still all even at the 18th, as they halved 16 of the 18 holes and covered the regulation round in 78 strokes each, there was nothing to choose between them as they set off on the first extra hole.

## WOODBURN BEATS SILVERTON AGAIN

WOODBURN, Feb. 20.—(Special.)—Woodburn high nosed its old rival, Silverton, out of a basketball game to win 24 to 20 here tonight.

The game was featured by close checking, with the Silverton team having difficulty in hitting the basket. Burch of Silverton was high scorer of the game with eight points. Schoerer was high for the Bulldogs with seven points.

In a preliminary game the Woodburn B team beat the Silverton B team, 15 to 14.

## Statesman's 10-pin Derby Attracts 40

Between 40 and 50 bowlers were expected to be entered by last night, the closing date, in the Statesman tenpin derby which will be played off during the next several weeks at Winter Garden alleys. A silver cup is planned for first prize.

Playing, which is individual, will start next Monday. The derby will be organized on a handicap basis and the lowest 10 per cent of entrants will be eliminated each week.

## Parrish Quintet Advances Notch For State Title

ROSEBURG, Feb. 20.—(Special.)—Parrish junior high of Salem defeated the Roseburg junior high basketball team, 23 to 1, here tonight, thus adding another link in its claim for state honors. The game was a bit slow, with Parrish outclassing the opponents, but not being able to run up a large score. The Salem players put up an invincible defense which limited the locals to 10 points during the entire game. Apparently the only thing to mar a clear title to the state junior championship for Parrish is the fact that Roosevelt junior high is still undefeated in junior high competition. Eugene owes Parrish two basketball games, and if a playoff is arranged, it will be played in Salem, according to Coach Brown of Parrish.
