

JERSEY'S CLUB SHOW PLANNED

Spring Exhibition Talked At Meeting Here on Saturday

Plans for the annual spring show were outlined at the meeting of the Marion county Jersey club held in the Salem chamber of commerce rooms on Saturday. A committee consisting of M. G. Gunderson, of Silverton, Sidney Miller and Mrs. F. G. Kucensting of Woodburn was appointed to arrange for additional trophies and formulate plans for the show.

The organization voted to offer two trophies to encourage 4-H club members to exhibit at the spring show. A past years there was no special classification for the 4-H workers and they had to exhibit in the open class. The club voted to give the additional trophies in order that the young Jersey breeders would take more interest in the show and have to compete only with other club members.

The Dallas negative was represented by Edith Dunn and Doris Newbill, neither of these girls had taken part in debate previous to this year. The Salem affirmative was undefeated until it met the Dallas team. The Dallas team won rather easily as is indicated by the unanimous decision in its favor. The Dallas victory was a surprise to the Salem team as Dallas did not answer Salem's arguments. In the opinion of the judges, it is not considered good tactics for the affirmative team to set up some unusual case and expect a negative team to meet it. The negative may win by entirely ignoring the case of the affirmative and giving a sound discussion of the fundamental issues of the question for debate. The criticism was made that the Salem team chose to discuss incidentals rather than the real issues involved. Woodburn won the Woodburn Dallas debate by a two to one decision. The judges stated that the Woodburn team excelled in delivery and stage appearance but that Dallas held a slight advantage in rebuttal work. The Dallas team was composed of Otto Fischer and Carolyn Melin.

Young Musicians of Silverton Win Favorable Comment

SILVERTON, Feb. 21—The concert given by the junior choir of the Methodist church, assisted by the church orchestra, Wednesday night, was a surprise to many of those attending who had not realized how much talent was present in Silverton's younger group. None of those appearing in the choir were over 18 years of age. The accompanist, Miss Verneta Brewer, showed marvelous ability. She also gave a piano solo during the evening. A vocal duet by Francisco Winter and Katherine Morrison, a vocal solo by Ethel Smith, the violin solo by Beryl Ottaway, and the work of Ralph Langley, Charles Weigle and George Reed were particularly outstanding. Mrs. Glenn Howe accompanied Miss Ottaway and Miss Faye Sparks accompanied Miss Smith. Miss Brewer played the accompaniments for the other numbers.
