Palmberg has been Astoria's leading scorer most of this season with much help from his running mate at forward, Harrison, as well as from Averill and from Caspell who alternates at forward part of the time. The regular guards are Bergstrom and Astoria's games. Sachtler is Only

Sparks flew fast in Commercial bowling league last night and when the last sounds of toppling tenpins had died down, Chevrolet Cubs stood forth victors in three games games straight from Elks Cubs and uncontested holders of first place, and the Elks lying in a heap in fourth berth. Pacific Telephone forged up out of its obscurity and also pounded home some accurate anvil-work with the result they beat the Commercial Body Shop outfit in all three cantos and broke the tie for third place. Fleener Electric was able to finish off the evening's winning flush by virtue of Salem Sanitary Dairy's forfeit.

Pacific Telephone, continuing its recently acquired habit of soaring upward, put on a flashy demonstration of how records are broken and new ones set higher up. With their third game count of 1028, they broke an all-time Commercial league record and pinned the P. T. Co. pennant to the new mark. Their total pin count of 2783 for the three rounds, boosted by the high game, also set a new season's record for

Then Chevrolet Gervais-Parrish Cubs displayed a streak of accurate rolling and climbed from the fourth notch to tie the Elks at first. In the last two weeks the Elks began to weaken; last night they went to their doom as far as leading the league is concerned and tumbled four stories.

By forfeiting the three cantos last night, Salem Sanitary dairymen cooked their goose for fair. They were already undisputed residents of the cellar with a standing of but .133.

Next week's Commercial league play is expected to be well worth seeing, with McKay's clinging with all their might to the top of the ladder, Pacific Telephone and Fleener's fighting it out to break the second-place tie, and Commercial Body Shop and the

Displays Great Variety of Tactics to Wear Down Local Grappier

The biggest wrestling crowd of he season cheered wildly at the armory Thursday night when Henry Jones, 148 pound mat wizzard from Utah, took the odd fall from Wildcat McCann, 150 pound feline of Salem.

The third fall went to Jones in just two and a half minutes following a series of violent whip wrist locks which wore McCann down. Then as McCann broke loose and was attempting to get a pin fall, Jones sent the Wildcat through the air with a mighty heave of his foot and landed him head down on the mat. The fall stunned McCann long enough for a pin fall to be applied.

Jones had proven superior in the first round and constantly tied McCann up with wrist locks, hammeriocks and short arm scissors. All of these brought a growing numbness to the Wildcat's paws. Finally Jones clamped a hammerlock which ultimately caused McCann to pat the mat. The time was 38 1/2 minutes for the DALLAS, Feb. 26 .- The final

When the controversy began, the young pro's sheer audacity in resisting the terms of the British P. G. A. was so unusual it made an appeal to many golfers and golf writers.
