## GUARDS SCORE UPON ASTORIA

Old Style Defense Proves To Liking of red and Black This Time

That man-to-man-all-over-the-floor style defense, coached by John Warren of Astoria high which proved disastrous to Salem high's attack almost a year ago in the great battle for the state championship, played right into Salem's hands Friday night and the red and black won by the overwhelming score of 47 to 16.

It so happened that Salem high had a five-man scoring machine on the floor Friday night, with the guards as able scorers as the forwards. Even with all five Salem men engaged largely in offensive play, Astoria was almost helpless in its efforts to break in close, and most of its points were made on long heaves as Arch Kanlich and Bergstrom proved adept.

Several times when this happened, Astoria guards would be pinning Salem forwards in the corners, turning their backs on the lone guard dribbling toward the basket with nothing in front of him.

**Astoria Offense Is Stopped Also**

As a result Sanford rolled up a total of 16 points and Foreman 15; they were even on field goals.

Even aside from the advantage which this state of affairs gave Salem, the local team was faster and its offense more effective by a wide margin. Even with all five Salem men engaged largely in offensive play, Astoria was almost helpless in its efforts to break in close, and most of its points were made on long heaves as Arch Kanlich and Bergstrom proved adept.

## SALMON RUN WILL START SOON, WORD

Most any day now the run of salmon in the Willamette river will start and when the first catch is made, the annual season's rush will start.

At this time of year the schools of salmon wait at the mouth of the river and when conditions are right, migrate up the river in vast numbers. The Columbia and all of its tributaries become alive with salmon when the run starts.

Below the Oregon City falls, on the Willamette river, sportsmen find good fishing as the salmon are stopped there by the falls. There is a fish ladder there, but the fish are nevertheless slowed down at that point.

A few boats are out on the river most of the time now to await the arrival of the run. Brown's sporting goods store has some boats at Oregon City and will spread the news to local sportsmen when the run starts. Salmon fishing will extend through March, April and May. Three days is the limit for salmon. During the season several runs come up the river and in between times a lull in fishing occurs.

## DEAF BOYS BEATEN BY MILL CITY HIGH

The School for the Deaf quintet dropped a game, 19 to 18, to Mill City high school, winner of the southern division of the Marion county B league, on the Mill City floor Friday night.

With only five seconds to go the deaf boys missed a crumble which would have won the game. Several other times during the game short shots were missed. At half time Mill City led, 13 to 5, but in the last half the mutes opened up with long shots and gave the Mill City team a scare.

Hultt played a brilliant game at guard and handled the ball well.

Wood was high scorer of the game with 12 points. Hayward was high scorer for Mill City with seven points.

## Boys and Girls Of Bethel Beat Perrydale High

PERRYDALE, Feb. 27.—The Bethel high school basketball team slipped over a win on Perrydale in the last few minutes of play here, two field goals giving the visitors a final lead of 20 to 16. Perrydale had been ahead at half time, 11 to 9. John Nedrow was high-point man.

The Bethel girls also nosed out with a victory over the Perrydale girls, 13 to 11, after Perrydale had been ahead at half time.

## Petrolle Kayoes King Tut, But Purse Held Up Due to Suspicious of Ring Moguls

MADISON SQUARE GARDEN, New York, Feb. 27.—(AP)—

Battle scarred Billy Petrolle, a mad hatter of a puncher from the wide open spaces of North Dakota, blasted his blonde opponent, King Tut, from Minneapolis in four rounds tonight, but aroused so much question in so doing that the New York State Athletic commission ordered the purses of both fighters held up.

Petrolle knocked the blonde king, who a few weeks ago flattened him in 34 seconds in St. Paul, down and out in two minutes and nine seconds of the fourth round after belting him to the canvas three times with left hooks and right crosses to the chin. The finishing punch was a left hook to the jaw that stretched the squat blonde helpless and bleeding on the rug but he roared in suspicion and the moguls of boxing in this state shook their heads.

From the ringside, Commissioner John J. Phelan ordered

## Huskies Are Worried But Defeat Idaho

MOSCOW, Idaho, Feb. 27.—(AP)—With the championship of the northern division of the Pacific conference, a 19 to 13 victory over the University of Washington Huskies continued their winning march tonight, defeating the University of Idaho Vandals, 43 to 34.

Idaho opened with a stride that swept the Huskies off their feet for a time, and took a small lead. This was short lived, however, because Swanson, center, dropped a basket with the score at 9 to 7 for Idaho and tied it up at 9.

The Huskies kept two points ahead until the half, which ended 18 to 16, and then went to work in earnest in the second period.

Fuller, sensational forward, found the hoop and dropped in seven field goals in the last period. Washington's offensive ran wild until the score stood at 41 to 21, and then the Huskies eased off, but were never in danger in the last minutes. Idaho started what appeared to be a strong rally near the end, but lacked the force to push it through.

## DONUT VOLLEYBALL TEAMS TO COMBAT

MONMOUTH, Feb. 27.—Donut volleyball practice at the Oregon Normal school is over, and eight of the 14 teams will play to decide the championship.

Sweaters were awarded to three members of the Women's Athletic association at the Normal this week: Miss Zella Davidson, a prominent basketball forward, and secretary of the W. A. A.; Miss Gladys Plummer, vice-president of the Women's Order of O, and the only girl to turn out for Donut volleyball from senior college, and Miss Lillian Knepfer, who transferred her points from Spearfish Normal in South Dakota. The sweaters were won as reward for six terms of active participation in women's athletics.

Thursday night the W. A. A. entertained with a gay party. Each member of the organization, dressed as a young man, escorted a woman friend to the gymnasium, where dancing and refreshments predominated during the evening. Mary Jo Ferguson was general chairman for the affair; Lavina Wilson, manager of stunts; Frances Shogen and Judith Severson, co-chairs; and Misses Lillian Knepfer, refreshments, and Loette Sommers, programs.

## MOLALLA WINS IN OVERTIME BATTLE

SILVERTON, Feb. 27.—The Molalla high school basketball team defeated Silvertown high here tonight 14 to 10 in an exciting overtime battle after being tied at the end of the third period, 8-all, and at the end of the regular playing time 10-all.

The Silvertown team's playing was better than it has been all season with teamwork about the ordinary. Kollin and Scott were the outstanding players. The Silvertown B team defeated Molalla B team 24 to 12.

that the purses of the fighters be held until an investigation could be conducted.

"I don't care to say anything about it at this time," he said. "I will say that it looked to me to be a sort of fight that deserves a little investigation. Our action speaks for itself."

One possible solution for the somewhat peculiar ending of the battle came out a short time after Tut had been taken to his dressing room. Friends rushed the blonde to the Polyclinic hospital for observation. Hospital attaches had nothing to say, but it was reported the beaten boxer had an attack of appendicitis and that an operation might be necessary.

To the 14,000 customers who gathered about the battle pit for the sixth of the Petrolle-Tut series, it was a savage, bolsterous battle, replete with thrills and studded with fierce punching and knockdowns until the Minneapolis blonde dropped in the fourth from a left that barely touched his head.

## Deaf Quints Of 2 States Due to Play

Tonight the California School for the Deaf basketball team will meet the Oregon School for the Deaf at the local school at 8 o'clock.

The game tonight will decide which school will hold the laurels until next year, as each team now holds one victory and one loss. Two years ago the California lads came here and lost. Last year the team here traveled to Berkeley but were unable to win there. Much interest is aroused over this year's game, as it marks the third consecutive year of competition between the schools.

While the boys are deaf, they make up for it by relying on their eyes in playing the game. The local team has held its own with hearing teams of the same age, and is averaging 500 per cent in wins and losses. Five of the boys who made the trip to Berkeley last year are playing again this year. The team here is considerably stronger than last season's and better style of ball is being played. The boys who will play are Coffin and Adams, forwards; Wood and Fest, centers, and Hultt, Adams, Rankin and Babcock, guards.

The California team is expected to be stronger than last season's. Coach Birk is with the golden state lads for the third year and has his team well trained. With a larger number to choose from, the California team will likely have larger players than the Oregon team. No other games will be played in town tonight, and a good crowd is in prospect for the game. Dwight Adams has been secured to referee the contest.

## CONGREGATIONAL, EVANGELICAL WIN

The Congregational and the Evangelical won Friday night in the church basketball league games at the Y. M. C. A.

Whittington and McKenzie led the scoring for the Congregational, each getting eight points. The Congregational team topped the Christian hoopers 24 to 9. The Evangelical team garnered 35 points and held the first Methodist team to only 14 points. Barquist was high scorer in that game with 15 points.

## WOODBURN WINNER BY LARGE MARGIN

WOODBURN, Feb. 27.—(AP)—The Woodburn high Bulldogs tonight defeated the Independence high team 39 to 11 on the local floor.

The whole team entered into the scoring for the locals with G. Oberst leading the field with 11 points. The Independence lads could not make the change from a large floor to the small court here. At half time the Bulldogs led 14 to 5 and throughout the entire game Independence was unable to penetrate the five man zone defense.

## PARRISH FACES TOUGH CONTEST

Plays Gervais on Enemy's Floor Tonight; Some Players Still Ill

Tonight Frank Brown will round up the remnants of his Parrish junior high basketball squad and play Gervais to play a title game in the northern division of the Marion county B league.

A two game series must be played with Gervais and in case of a split in the games, a third game will be played on a neutral floor to determine the winner to meet Mill City for the county championship. Monday night the Gervais team will meet on the local junior high floor.

**Several Regulars On the Sick List**

Some of the sturdier athletes on the Parrish team have been temporarily cornered by the weather and it will be some weak-kneed team which hits Gervais tonight. Hobbs and Perrine are both out and Ellis and Wintermute are still weakened from sickness. Nicholson is also a bit under the weather and if his recovery will not be able to stay in long.

Brown has decided to start Vern DeJardin and Clark at guards, Vic DeJardin at center, and Brownell at one forward post. In case the other players are well enough, he will play each one quarter at the other forward post.

Brown is not banking too much on winning the game. His intention is to see the men for the game here Monday and make sure of one. In case a third game is required, it will likely be played on the Willamette floor.

## Monmouth is Winner Over Dallas, 20-19

DALLAS, Feb. 27.—(Special)—Monmouth high school basketballers squeezed in a 20 to 19 win over Dallas here tonight but the game ran to three overtime periods before they could break a 15 to 15 tie.

The teams were so evenly matched it was not until more boys air-tight defensive work on both sides.

In the first quarter Santee was sent into the game to supplant Hockema at center, while the latter shifted to forward position. This combination worked satisfactorily and Monmouth led the first half 7 to 2. Dallas put forth a big effort in the second quarter and the fourth period ended in a tie at 15 all.

First and second overtime periods ended and still the game was undecided at 17 all.

When the third extra period opened, Santee scored one point for Monmouth on a free throw. Lewis of Dallas countered with a basket and the score was 19 to 18 for Dallas. Hockema, however, nosed in a basket for Monmouth and the game ended 20 to 19 for the visitors.

Accurate shooting of free throws won the game for Monmouth. Dallas made but one point in that fashion, while the visitors tallied six. Webb of Dallas was high scorer with Hockema of Monmouth making eight.

This game is said to mean little as far as the county tournament is concerned, except that the two teams may stage a hot battle there for chance to play in the state tournament.

## CURT COMMENTS

No "Poultry" today, which isn't to say we couldn't stop it up. Court of little matters came up which seemed to require mention in the old fashioned way.

For instance Lee Weber, coach at Eugene high, wrote a letter to the Eugene Register-Guard in which he said the following among other things:

"Our championship days are over for this year and, thank God, we can play basketball for the rest of the season for the love of the game and forget about winning. "The win and lose element has done more to harm amateur sports than any other thing. Boys who deserve a chance to play have been sitting on the bench all year simply because we wanted to win. But now they will get their chance because all of the boys who are not eligible another year have withdrawn from the squad to give these boys a chance to get experience."

Mr. Weber in the remainder of the letter compliments the senior boys for their sportsmanship in withdrawing and High Climber very properly does likewise. So do we.

And yet we don't know that Lee is right about the desire to win being an evil influence. It has its evil corollaries, we admit, some of which we have pointed out from time to time. The fact that a school has a "first team" should not deprive the less proficient of a chance to play—in Salem high there is the B team and lads who can't make that play intramural and down several other classes of basketball. We think the emphasis on the first team is or ought to be an impediment to all the lesser teams. Certainly, Salem high's perennial success at basketball has encouraged the game here and more boys are playing basketball than you can shake a stick at.

Another thing we take time out to mention this morning is that Wildcat McConn is not yet convinced that he is a better man on the mat. An accidental kick laid the Wildcat out, he said, and gave Jones the opportunity to pin him for the deciding fall.

"I want another match with Jones and if I lose it I'll leave town and never wrestle here again," the Wildcat promises. Just why he thinks that promise is an indication we don't know. The latter part of the match was back for wrestling "the cleanest match of his career" and we patted too, figuratively speaking. So did a lot of fans, though many, we sensed, were tickled to see the wild one take a few.

## UNIVERSITY STUDENTS WINNER AGAIN

Brilliant Rally in Second Half Results in 29 to 22 Victory for U. O.

CORVALLIS, Ore., Feb. 27.—(AP)—The University of Oregon basketball team staged a brilliant rally in the second half to defeat Oregon State, 29 to 22, in a Pacific Coast conference game here tonight.

It was Oregon's second victory in three games with Oregon State and placed the Staters definitely in third place in the northern division of the conference regardless of the outcome of the final game at Eugene Saturday night. Oregon State led 12 to 7 at the end of the first half. The Beavers, despite their lead, were unable to hit the basket consistently and their passing was ragged.

Dolph opened scoring with a free throw for Oregon and added another gift shot to his four last half field goals to win high point honors. His team mate Eberhart was a close second with 10 points. See-Saw Contest In First Half

The game was sawed back and forth. The Staters held Oregon at five points for ten minutes in the first half. In the second half, however, Oregon retaliated and held the Beavers at 12 for eight minutes while they boosted their own score to 19. Then Lyman dropped a long shot that cut the Oregon lead to one point.

From then on the game was fast and furious with the officials halting the fouls closely. Once Referee Morris had to warn Coach Rinehart for objecting from the bench.

Coach Gill rushed Lewis in at center ten minutes before the end of the game and the Beavers rallied to bring the score up to 19 to 21. Then Stevens, Eberhart and Dolph began hooping them and pulled away to a safe lead.

Rinehart made no substitutions. Gill used three extra men.

## PIN TOPPLERS HERE WIN SWEEPSTAKES

Despite Chuck Zell's failure to appear in the city for his scheduled exhibition matches of bowling last Sunday, the local tenpin fans enjoyed themselves by participating in a general individual sweepstakes. Twenty-one bowlers from Salem, Eugene, Albany and Portland, vied on the maple alleys for honors and prizes that went with them.

Salem boys led the entry list to win the first five places. Hall pulled down first honors with 167 pins; Steinbock, 160; 1608; Allen, third, 1603; Kantola, fourth, 1596; and M. Hemmaway, fifth, 1594. Each man rolled eight games over six alleys.

Wayne Kantola led scoring for single game with one cent running up to 247. Col. Votaw of Portland rolled highest among the non-prize winners, 229.

No word of explanation has been received yet from Zell to explain his going back on his alleged agreement to play in the local matches. A telegram notifying Fred Karr he would not play here reached Salem at 11:00 o'clock in the morning of the day he was to have appeared on the scene at Winter Garden.

## Biennial Plan For Davis Cup Play Proposed

PHILADELPHIA, Feb. 27.—(AP)—A proposition that Davis cup tennis competition be held biennially instead of annually has been made to the International Lawn Tennis federation by the South African Lawn Tennis association, according to Paul W. Gibbons, Philadelphia, secretary of the U. S. Lawn Tennis association.

The suggestion also contained a warning that the cup series will go into decline unless such a change is made.

The proposal will be considered at the international federation's annual general meeting March 20. Gibbons is not in favor of the proposal.

## IT'S LAST DAY TO BUY DOG LICENSES

"Business has all gone to the dogs," Harlan A. Judd, deputy county clerk, announced yesterday. Only it isn't going fast enough, he said.

On any other date such a condition in the county clerk's office might be deplorable, but right now it's a good thing.

For today is the last day on which 1931 dog licenses may be purchased without incurring a penalty which in the case of male canines will amount after today to exactly \$2, bringing the total cost for the license to \$4, instead of \$2.

When the office was closed last night, the number of licenses issued was 260 behind February 27, 1930, which looks like the county will make more on penalties this year than last. About 2000 licenses had been issued up to closing time last night. During 1930 a total of 4380 dogs were licensed.

Forty thousand dollars for the construction of an armory at La Grande was voted by the house yesterday at noon after a sharp debate which was the highlight in the morning session. The vote was 38 to 21 for the measure, with one member absent.

Tompkins and Arthur McPhillips opposed the appropriation. The Union delegation and Representatives DeLapand and Angell urged the appropriation.

A motion by Emmet Howard of Lane county to amend the bill to make the funds available for the armory only if there is money in the treasury not otherwise appropriated, was lost. Such a motion, it was explained, was equivalent to defeating the appropriation. Howard, however, voted for the bill.
