

Prowess of Tournament Entries Proven by Season Records

SALEM IS ONLY UNBEATEN FIVE

Season Records of Tourney Entries Reveal Much As to Strength

Season records from eight of the twelve high school basketball teams which will engage in the state tournament here starting today, reveal that the Salem high quintet is the only one which has gone through the season undefeated by a high school team.

One of the four teams which did not report on the season record may also have gone undefeated. Jefferson high of Portland and Monmouth high lost only one game each.

Following are the records received by the tournament program publishers, Dwight Adams and Eugene Ferguson:

Here's consolation — if you can't have a new hat for Easter, at least you can have a new telephone number.

Zollie Voloch, well known as a youthful promoter of endurance bicycle rides and for other achievements, set himself a record the other night when he caught two mice in one trap. That takes coordination. Page Mr. Ripley.

A prominent columnist in an obscure afternoon paper the other day made fun of the "1 1/2" and the "1/2" in the gasoline signs, but he just made matters worse, for now they look like this:

Guess it's no use, but our advice to the betting fraternity is — wait till you see them. Referring, of course, to the basketball teams.

As for the players, they have been seeking up advice all year with an extra overdose the last few days. But boys, if you forget the crowd and the imposing sound of your opponent's name and play like you were practicing at a rusty hoop in a secluded backyard, you can't go wrong.

LUCIRA J. COOLEY FUNERAL IS TODAY

Funeral services for Lucira J. Cooley, 79, who died here Friday, will be conducted by Rev. D. J. Howe of the First Christian church at the Rigdon chapel this afternoon at 1:30 o'clock. Entombment will be in Mount Crest Abbey mausoleum.

Lucira J. Cooley, daughter of Moses and Jane Powers, was born January 7, 1852, at Elyria, Lorain county, Ohio. In 1863 she came with her parents to Bloomingdale, Mich., and in 1865 united with the Christian church at a meeting conducted by Lathrop Cooley.

In 1868 she was married to Warren Cooley, and in 1876 moved to Maple Valley, Wisconsin, remaining there till 1907, when the family moved to Salem where she has since resided. She placed her membership with the First Christian church here and continued her fidelity to the cause she had so faithfully championed for 64 years.

To this union were born nine children, two died in infancy and H. A. Cooley who died in 1918. The surviving children are: H. W. Cooley of Albany, Oregon; Mrs. L. E. Bowman of Peshigo, Wis.; Mrs. D. E. Simpson, E. W. Ellis, and Ralph H. Cooley, of Salem, Oregon; and a brother, E. W. Powers of Salem, Oregon; twenty one grandchildren, and eight great grandchildren also survive.

The death of Mrs. Cooley's devoted husband, which occurred eighteen months previous to her death, weighed heavily on her mind and gradually weakened her condition, till the last three months she had been virtually helpless. She died at the home of her daughter, Mrs. D. E. Simpson, 425 South 23rd street, at the age of 79 years, two months and six days.

Salem Chapter Red Cross Will Convene Today

Members of the Salem chapter of the Red Cross will meet today noon at the Gray Belle confectionery for luncheon and to discuss problems of local interest.

Those attending will take up the matter of Red Cross work in Salem for the coming summer. Under discussion will be a school for local children teaching first aid and life saving. First aid and safety first measures will also be taken up with local factories.

Judge Geo. Rossman is chairman of the work.

MONMOUTH BRINGS VETERAN QUINTET

MONMOUTH, March 17.—Monmouth high school's hoopsters, winners of the Polk county tournament and champions of district No. 7 are entering the state tournament at Salem Wednesday afternoon with a long record of winnings to their credit for this season.

Monmouth won 22 games and lost four. Three of the games lost were practice tilts; two with the normal reserves; and one with Willamette Fresh. In the normal games, the heaviest reserves were used. In the game with Willamette Fresh, one Willamette was a first string man from the university quint; and on that night Monmouth was lacking the scoring ace, Santee. The game lost to Dallas was Monmouth's second game in the Polk tournament series.

Monmouth's total of points for the season aggregates 756 as against 502, the total for their adversaries.

All of this year's team men are local boys whose parents reside in Monmouth and immediate vicinity. They are all high school seniors who will be graduated in June.

The had all played prior to this year, except Santee, the center, who was developed from beginner material this season, and has proven himself spectacular in scoring.

Much of the credit for their repeated victories belongs to their coach, A. B. Patchin, who is serving his fourth year at Monmouth in this capacity.

The boys have cooperated, phenomenally, Patchin says; not one of the quintet using tobacco in any form.

A large group of Monmouth fans will accompany the local team to Salem for the opening state tournament game, Wednesday afternoon.

FIGHT CARD IS LOUDLY BOOED

Two-Minute Rounds Draw Ire of Fans; Preliminaries Somewhat Better

Teddy Fox and Mickey Dolan fought a 20 round draw in the armory Tuesday night in a match featured by two minute rounds which proved unpopular to the booging crowd.

In the opening rounds it appeared that Mickey was waiting for the start of the fifth round but in the final rounds, in the second round Teddy aimed a knockout punch with his left which missed as several later ones did. Teddy spurred a bit at the start of the fifth round but slowed down again.

Most of the bout was featured by frequent clinches which were broken slowly and by punches which were mostly soft. Mickey kept his chin parked behind his shoulder in the sixth round when Teddy started working for it. Fox kept waiting for an opening to land a knockout, but it did not come. The seventh round was all Dolan's and the eighth was a bit to Teddy's credit. Referee Levy did not seem to be able to pull them apart very fast in the clinches and with the two minute rounds, the time went fast.

Following the ninth round a large number of the fans threatened to leave, but for the most part stopped by the doorway to hurl final remarks. In the tenth round Dolan started fast and was pushed the fight until Dolan planted a solid blow in his stomach which slowed the Independence lad for the remainder of the fight.

HAUK TO COACH DIAMOND SQUAD

Parrish Tossers Called out Early Next Week; few Veterans on Hand

Harold Hauk, four year baseball letterman of Willamette who coached the Parrish football team to a championship last fall, will guide the youthful swat artists of Parrish in their diamond efforts this spring.

Coch Hauk will face a tough task in trying to build a good team around just three of last year's regulars with no chucker in the number. Vern DeJardin, catcher, Vic DeJardin, outfielder, and Wintermute, infielder are the only returning lettermen. The fate of the Parrish nine depends largely on what calibre pitcher can be found.

Call issued for Practice Soon

An extra good catcher can make up for a weak pitcher to quite an extent and having a lot of life is also a good share of a ball club's winning ability. The remaining positions must be filled by new men, but with a large turnout expected, this can be accomplished. Next week Coach Hauk will issue the call for the baseball squad and practice will get under way immediately.

Parrish will play in the Marion county B league, meeting Gervais, Mt. Angel and Hubbard in the northern division for two games each. As in basketball,

BOB DRAGER ENDS O. S. HOOP CAREER

OREGON STATE COLLEGE, Corvallis, March 17.—Bob Drager of Salem, Oregon guard, has just completed his last season with Oregon State college, and Coach "Slats" Gill has recommended him to the board of control for his third varsity award.

Throughout the entire 1931 season, Drager was used as a utility player. He saw action in nearly all of the conference games and was a member of the barnstorming squad which traveled to San Francisco during the Christmas holidays. Drager played steady, consistent ball all season and his services will be greatly missed next year.

While at Salem high school, Drager established an enviable record. He played both football and basketball. In 1927 Drager was picked as a guard on the all-

FRUITLAND WINNER OF SECOND PLACE

ROBIN REED WILL CLASH WITH JONES

The Church league basketball season was wound up Tuesday night in one of the most exciting games of the series when Fruitland clinched second place by defeating First Baptist 14 to 10. Evangelical had previously won the championship.

The Baptists took a small lead early in the game, and were ahead 5 to 4 at the end of the first period but got only one point while Fruitland was getting two in the second and the score was tied at half time. Fruitland gained a point in the third period and was leading 9-8, then forged ahead by a margin of two field goals before the game ended.

Twilight Ball Meeting Called In Near Future

Within the next 10 days there will be a meeting of representatives of members of the Salem Twilight baseball league at the Y. M. C. A. The Twilight league is made up of teams from the Salem commercial and industrial concerns.

Managers of the various commercial and industrial teams are urged by the local "Y" to enter their team soon with either Harold Hauk, or Bob Boardman who will be at the Y. M. C. A. Mr. Boardman also urges that equipment and personnel be assembled.

Church Champs Are Eligible to Enter Tourney

Teams from four northwest cities will be eligible to enter the church league championship tournament in basketball at Portland Y. M. C. A. Friday and Saturday of this week. The four cities are Seattle, Longview, Portland and Salem.

It is probable that the Salem boys will not go because of the state tournament here at Willamette university, according to Bob Boardman of the local Y. M. C. A. The Evangelical church team is the team which is entitled to go to Portland for this affair.

"I Endorse Your Attitude Against Spitting"

Says
DR. JOHN L. LAVAN
 Commissioner of Health, City of Toledo, Ohio

...one of 56 health officials from 56 different points approving Cremo's crusade against spit or spit-tipping.

Every smoker, every wife whose husband smokes cigars, should read Dr. Lavan's letter.

"Who are the friends of 'Spit'?"

YOU MAY WELL ASK THIS QUESTION WHEN 56 IMPORTANT HEALTH OFFICIALS HAVE WRITTEN SO STRONGLY AGAINST THE EVILS OF SPIT OR SPIT-TIPPING.

Dr. Lavan writes: "I...endorse the service you are rendering by warning the public against the common nuisances of spitting."

The war against spit is a crusade of decency. Join it...Smoke Certified Cremo — a really wonderful smoke — mild — mellow — nut-sweet! Every leaf entering the clean, sunny Cremo factories is scientifically treated by methods recommended by the United States Department of Agriculture.

CITY OF TOLEDO
 DEPARTMENT OF PUBLIC WELFARE

JOHN L. LAVAN, M. D.
 COMMISSIONER OF HEALTH
 501 N. Erie Street, Phone Main 7500

July 19, 1930

Gentlemen:

I can heartily endorse your attitude against the spitting. I refer to your advertisements against the "spit-tipping method" in the manufacture of cigars. There can be no doubt that spitting, whether it be in a manufacturer's establishment, in the public highway or elsewhere, is dangerous, and contributes a great part in the spread of diseases.

I do not wish to recommend your product over that of any other manufacturer, but only wish to endorse the service you are rendering by warning the public against the common nuisance of spitting. You may make public use of this letter if you so wish.

Very truly yours,
 John Lavan, M.D.
 Commissioner of Health.
