

# Jefferson Eliminates 1930 Champions in First Round

## TALL BOYS AID DEMOCRAT WIN

### Score 33 to 28, Outcome in Doubt up to Final Minute; big Crowd

Twenty five hundred fans settled themselves comfortably in the Willamette gymnasium to witness the opening game between Jefferson high and Astoria, Wednesday afternoon at 7:30, but went wild when the count knotted at 26 all with four minutes to play and Jefferson spurted to win 33 to 28.

Approximately 500 more fans saw the opening game than were present at the Eugene-Rodmond game which opened the 1930 tournament. J. L. Gary, secretary of the state high school athletic association, made a few remarks concerning the spectators' sportsmanship, the individual players who started the game was introduced, and the game was on.

The Astoria race horses have lost none of last year's championship speed, even though all but one of the 1930 squad failed to return. Jefferson had the dip-off, Averill and Bergstrom soon sank goals to put the Fishermen in a four point lead. Folten drew one point for the Democrats with a foul shot and Clausen dropped the first field goal for the Portland quintet.

### Astoria Leads

Astoria led 7-6 at the close of the first quarter, and stretched the lead to 13-8 in the second quarter. At which time Jefferson called time out and came out of the huddle with tip-off plays which crossed up the Fishermen's man to man defense by sending Brown, speedy guard, down under the Astoria basket where he scored twice. Folten brought Jefferson a 15-13 lead with a goal and foul shot and then on Astoria never led although the score was tied once.

The half ended 20-18 for Jefferson and the third quarter finished with the Democrats holding only a one point margin at 23-22. Wakela knotted the count at 26 all with four minutes to go after two Astoria men had failed to do so on foul shots. Clausen then dropped a couple of shots and a semi-stall opened the way for more scoring as the final time drew near. Orwick sank a goal from the foul circle just as the final gun sounded. Jefferson also used a man to man defense.

### MIDGETS WIN AGAIN IN PLAY AT DALLAS

DALLAS, March 18.—Webb's Miglets made it two straight wins over LeFors' Giants here yesterday when they scored a 40-to-24 victory. The first game between these teams ended 30 to 29 for the Miglets after two overtime periods had been played.

The Miglets are composed of five seniors who organized a team and challenged any other team in school.

## Field Goals and Fouls

Scored here and there on state tournament players, coaches and spectators

The coaches here with the teams seem to broaden as the game shortens. Take Jack Bliss of Ashland, for example. Last year he was the shortest and heaviest mentor, but along comes Patchin of Monmouth, who is shorter yet and a bit broader in proportion.

At the other extreme is Gehrke of Jefferson, who is the tallest and the slimmest. Incidentally, he has the tallest team in the tournament, too.

Bill Phillips is attending his 11th consecutive state tournament and if he is in Salem 11 years from now, he'll be seeing his 22nd. He is the tallest of another old-timer among the fans who recalls the state championship games at the Salem armory before the new Willamette gymnasium was erected.

Then some fans go back still farther and recall the original tournament sponsored by Willamette in 1917, but which did not then include the entire state. Dr. Kenneth Power declares he was present at the first tournament which was held at a time when Silverton was Salem high's biggest local rival. In 1920 Mathews, coach of Willamette at that time, changed the tournament, which he had helped to start, into a state tournament.

Two noticeable changes have come to light in the 1931 tournament. One is the new balconies at the east and west ends of the gym and the other is the fair candy vendors with the Bearcat sweatshirts and "earnings" smiles.

The Myrtle Point team reports

Three high school basketball lettermen play for the Miglets. One of these was all-county center this year. The Miglets have a record of two wins and no defeats so far. Their next game will be played against McCann's Benchwarmers later in the week.

The Giants also have three basketball lettermen on their squad and two second string all-county men. The team is looking better than ever but this is doubtful, as the agreement was two out of three games and the Giants lost both their games so far.

The Miglets took an early lead and were ahead, 10 to 0, at the first quarter. The Astoria men scored on a foul conversion in the second quarter and closed the gap some. The Miglets still led at the half with a 14-to-7 score. In the final half the game picked up a bit but the Miglets always had at least a five-point lead.

Webb was higher scorer with 16 points, while his team-mate, Morrison, followed with 12. Minnich led the Giants' scoring with nine points.

### Henry Jones Beats Terry In Jig Time

SILVERTON, March 18.—(Special)—Henry Jones of Provo, Utah took two falls from Terrible Terry of Tacoma here tonight in 36-minute wrestling time before a good sized crowd at the armory.

Jones' first fall was gained in 26 minutes with a hammerlock, but Terry had been having the best of the match up until that time, punishing the Utah man with headlocks most of the while. Jones took the second fall in 10 minutes with a straight arm and body press. He proved to be a bit too heady for his tough opponent.

Tommy Ryan of Corvallis and Glen Stone of Albany each took a fall in a one hour special match. Stone won his in the fourth with a double head lock and Ryan took the other in the fifth with a body roll, making it a draw. Clark Anderson and Rudy Shanks of Silverton wrestled a preliminary match which was won by Anderson. The Silverton firemen sponsored the card.

### Dallas Juniors Beat Rickreall In Close Game

DALLAS, March 18.—The Dallas junior high basketball team added another victory to its record here yesterday by defeating Rickreall junior high 20 to 18. The game was tied 18-all up to the final minutes of play when Dallas scored to win the game.

The Dallas coach started his second string in the game but this team couldn't function at all. Rickreall led at the end of the first quarter by a 10 to 0 score. The Dallas junior high regulars entered at the quarter and brought the score up to 14 to 6 for Rickreall at half time.

In the last half the game picked up and became a harder fight. The score at the end of the third quarter was tied 16 all. The starting lineup for Dallas was as follows: forwards, Luckes and Plummet; center, Vinton; guards, Starbuck and Neufeld.

## BAKER DEFEATS POLK HOOPERS

### Monmouth Beaten 30 to 26; Eastern Team Meets Jefferson Next

Baker high pushed Monmouth off the championship bracket by a 30 to 26 score and paved the way for a game with Jefferson high at 7:30 tonight, in the second game of the twelfth annual state basketball tournament Wednesday afternoon.

The Eastern Oregon lads trailed 6-0 early in the game when Santee, giant center, started dropping baskets for Monmouth. Then the lads abandoned the long range tactics and moved the basket artillerly up closer to the basket with O'Neill shooting five field goals in rapid order. The score was tied at 6 and again at 9, but after that Baker always held a lead, though a wobbly one in the final minutes of play.

Two Oregon coaches, one Oregon State coach and one Washington State coach have led their teams to the second round of the state basketball tournament. Jack Bliss with Ashland and Howard Hobson with Benson are the victors in the first round. George Scott is out-numbered to 1 by his U. of O. rivals, but is still an O. S. C. man and going strong. Gehrke of the Washington State college instructor is going to a good start with his team Wednesday.

Coach Roy S. "Spec" Keene is a busy man, having the management of the tournament as his week-end duty. He has a great crowd working with him this year of Willamette student helpers, but he is the head moral who must meet the fire if hitches develop in the plans.

Monmouth kept lessening the gap in the second half and brought the count to 28-26 once, but could not maintain the pace. The crowd of 2500 for the opening game remained for the second till and demonstrated equal enthusiasm for that game. Monmouth and Astoria, losers in Wednesday afternoon's games, will meet in the opening consolation game at 9:30 this morning.

## Clamps Put Down On Issuance of Special Numbers

Hereafter the state motor vehicle department will not recognize requests for special license numbers, according to announcement made here Wednesday by Carl Gabrielson, in charge of the state motor vehicle division.

"The secretary of state expects to abide by the 'fair play' rule," read a statement issued by Gabrielson, "and will refuse all requests for such special numbers. If requests coming from outside individuals are denied, it is vitally important that no concessions be made by any employe or asked by any employe within the department."

"I want this made sufficiently plain to the employes so that they will understand that no exceptions will be permitted and that violations of the 'fair play' rule will result in disciplinary measures."

## Lindas Resigns As Bar Member; Arrested Here

B. F. Lindas, ex-Portland attorney, who was arrested on a bad check charge while visiting at the Oregon state penitentiary here Tuesday has resigned as a member of the state bar, according to announcement made at the state supreme court.

Lindas was recognized by Tom Swennes, Portland detective, and was taken to Portland. He had been sought for several months. Swennes said Lindas' resignation was received by the supreme court February 25 and was accepted March 2.

He had been under investigation by the Multnomah county bar association.

## CURT COMMENTS

Our neighbor calls it the State Highway Commission which may be all right but didn't the same newspaper say the recent change was a good one?

"Come in and we'll show you where we keep the state 'dupes' was Tom Kay's offer to the high school hoopers. Sent Charley Howard pulled some old athletic skeletons out of the closet, including Tom's, at the Rotary luncheon for the basketball men."

Big men have the advantage. If they aren't too big to be slow. That showed up prominently in the Jefferson-Astoria game. The late lamented Ed Cardinal of Willamette was about the ideal basketball player when size is considered, but he was beyond which height handicaps speed.

What a scramble in that first game until Jefferson changed shirts. All the players were so mean, wore yellow. And the team that had to change was handicapped considerably even after that, for it's hard to overcome the habit of throwing the ball to shirts of a certain color.

We never saw such a big afternoon crowd, especially for the first afternoon game. Looks like those new balconies will come in use in a hurry. We suspect that this year more out-of-town fans have moved in to spend the entire four days.

## DIVORCES GRANTED HERE TOTAL EIGHT

Eight divorces, all but one of which went by default, were granted on Tuesday by Circuit Judge Gale S. Hill. The suit of Dora Gilbrath vs. Fred J. Gilbrath was brought to trial but was quickly disposed of, the plaintiff appearing in person and defendant by his attorney. Gilbrath, manager of the Miles Linn company, had filed answer to her complaint.

The divorces granted were: John Keen Cloyd from Myrtle L. Cloyd, cruel and inhuman treatment charged.

Edward C. Pitney from Clinton O. Pitney, whom she sought release from as result of a felony charge against him.

Verne I. Powels from Eulalie Powels, on charge of desertion. They were married in Josephine county in July, 1929.

Francis Cole, on charge of cruel and inhuman treatment. They were married in Portland in 1925.

Melba Kamph vs. Frank Kamph on charge of cruel and inhuman treatment. Plaintiff was given custody of their minor child. They were married in McMinnville in January, 1926.

Gladys Shields from N. W. Shields, to whom she was married in July, 1924. She was restored her maiden name, Gladys Shields. The charge was cruel and inhuman treatment.

Shirley Thordike from J. L. Thordike, on charge of cruel and inhuman treatment. She is given custody of their minor child. They have been married almost nine years.

Dora Gilbrath from Fred J. Gilbrath. They were married on Thanksgiving day, 1900. She charged cruel and inhuman treatment.

## Work Begins in April on Market Roads, Johnson

First work on the market road program for this year will be started sometime in April. County Roadmaster Frank Johnson said yesterday. Exact date will depend upon the weather.

The county court has not yet announced what work will be undertaken first, nor has the complete market road program been mapped out. This year will see the finish of the present five-year market road program. Slightly more than 40 miles of road will be constructed.

## Minto, Sick, is Unable as Yet to Recover Papers

Frank Minto, city police chief, is sick in bed. He has been unable to see anyone; he reports that he has not as yet obtained from Alderman Purvise an invoice for \$47 for fire engine repairs which caused disturbance in the council meeting Monday night.

At the council meeting, the report was that Alderman Purvise had taken the invoice from the recorder's office the morning after an investigation was proposed.

## KALLIO NOT TO BE SIGNED UP

### Bill Klepper Talks Turner Out of Deal, Report From San Jose

SAN JOSE, Cal., March 18.—(AP)—Rudy Kallio will not be with the Portland baseball club this year President Turner announced here today. Although the veteran pitcher recently made a free agent by Judge Landis, had agreed to terms with the Beavers, no contract had been signed.

While Turner said his reason for letting Kallio go was because the pitcher had not appeared in training camp here, camp followers feel Bill Klepper's visit with the Portland president last night had something to do with it. Klepper, president of the Seattle club, protested Turner's move in signing Kallio.

PORTLAND, Ore., March 18.—(AP)—Rudy Kallio left Portland tonight for San Jose where he intended to join the pitching staff of the Portland baseball club.

Early today Kallio received a telephone call from someone representing himself as President Turner, of the Portland club, speaking from San Jose. Kallio was told arrangements under which he had accepted terms with the Portland club were all off.

Kallio didn't believe it. He called George Vranizan at the Portland club's office here. Vranizan hadn't heard anything about it.

The veteran pitcher then called at the railroad offices where he found his transportation had not been cancelled.

He packed his bag and started south.
