Pattern

By ANNE ADAMS
The bolero is as smart for the youthful fashionable as for her older sister. Isn't the little frock presented today a ravishing model? The close fitting collar, and the front edges of the bolero are scalloped in a delightful manner. The bodice fits snugly and joins the gathered skirt just below the normal waistline.

Pattern 1846 develops effectively in printed percale, cotton broadcloth, gingham, shantung or a sheer fabric such as dimity, swiss, etc. The bodice and bolero may be bound in contrasting braid for chic effect.

May be ordered only in sizes 4, 6, 8 and 10. Size 4 requires 1 7/8 yards of 36 inch material.

No dressing experience is necessary to make this model with our pattern. Patterns for every size, and simple, exact instructions are given.

Western Girl Made Happy

MANY times a child has every-thing to make her happy and still is dissatisfied. This may not be the youngster's fault. Often it is due to a condition easily corrected.

Take the experience of Mrs. Ada Beesley, 1321 West 1st Street, Oklahoma City, Okla., who says: "Nothing seemed to please Christine. She was fretful, feverish, suffered a lot from colds. She was constipated."

"Mother used California Fig Syrup so I got Christine some. My relieved her trouble promptly; made her bright and happy again. We have used it for three years."

Mothers by thousands praise this pure vegetable product. Children love it. Doctors recommend it to relieve constipation, feverishness, fretfulness, headaches; to open the bowels in colds or children's ailments.

Appetite is increased by the use of California Fig Syrup; breath is sweetened; coated tongue is cleared; digestion and assimilation are aided; weak bowels and stomach are strengthened.

For your protection, the genuine always bears the name California.
