

MACLEAY PRESENTS PROGRAM SOCIAL

\$71.50 Netted for Piano Fund of Local School Recently

MACLEAY, March 26.—The basket social and program put on Saturday night by the school children and people of the district at the hall was not only a success as a social affair but also financially. \$71.50 was realized from the sale of the basket lunch and articles donated by business men of Salem.

Mrs. E. Tooker's basket sold for the highest price in the group. The "Kniekerbocker's" class was purchased by Mr. Tooker. While in the little girl's class Hazel Marcoe's basket brought the largest amount and went to Harry Martin Jr. The money will be used toward buying a piano for the school.

The play "The Battle Cry of Freedom" interspersed by vocal solos and group singing put on by the school children under the direction of Nina Bowers Raymond, the teacher, was well received and demonstrated not only the ability of the children as actors but also as soloists as all but the very smallest took in song the different things to eat raised by Uncle Sam, in a way that held the audience.

Dutch Play Given The presentation of the two-act play, "The Kniekerbocker's in School," by the young people of Macleay proved to the audience that the grown ups could act and sing as well as the children. Dressed in Dutch costumes with the old men smoking "real" Dutch pipes, the actors depicted the life of the Dutch in the early days. When the scene became too serious by the worries of the elders over the fear of British rule it was immediately lightened by the antics of the Dutch school children. In the end the Dutch made the best of becoming British subjects and all took a holiday.

Mrs. V. L. Marten coached the play and directed the music. In the finale the following musical numbers were presented: vocal solo, "Tulips," Mrs. A. A. Snellbrink; vocal solo, Mrs. W. Welch; vocal duet, Mrs. E. Tooker and Mrs. D. Baker; vocal duet, Eva Arnold and Marie Hiesl; songs by entire group.

The cast was: English school master, N. A. Wells; Governor Foster S. Weyerland; E. Phillips; Haak Von Vieltaker; H. Phillip; Stoeffel Brinkerhoff; Irwin Bartel; Frau Von Piffenbrocker; Mrs. O. Baker; Major Chamberlayne; Ray Hiesl; Dutch children—Mrs. E. Phillips; Mrs. M. Dalrymple; Mrs. Ray Thomas; Ray Thomas; Miss Marie Hiesl; Miss Eva Arnold; Mrs. M. A. Wells; and Adolph Hensel. Other numbers on the program were: vocal duet, (Petrunkin and Polly) Eva Arnold and Marie Hiesl; vocal solo, Grown Up, Mrs. M. F. Kephart; musical recitation, "Movies," Mrs. M. A. Wells; acrobatical stunts, Stan Stanto; black face sketch, Ray Hiesl and Ray Thomas; Dutch dance by nine Dutch boys and girls with Mrs. M. F. Kephart as soloist; piano solo, "Eideweir Glide," Viola Tooker; vocal solo, Rickard Johnson.

Music for the evening was furnished by the Macleay Junior Grange orchestra composed of Dorothy Brown, Elnette Branch, Arthur Clement, Pat Silke Jr., Allen Baker, and Roger Baker; director, Mrs. Paul Silke Sr.

The Macleay people appreciate the donations of merchandise from the Salem business men which were sold to swell the piano fund.

The Shaw school will put on a play at Macleay April 18 instead of April 4 as planned. This will be put on a 50-70 basis and Macleay's share of the proceeds will be added to the piano fund.

JULY WHEAT LEADS BRISK RALLY COUNTRY DRESSED MEATS ACTIVE

Sales in Canada are Matched by Buys At Chicago

CHICAGO, March 26.—(AP)—July wheat deliveries led a brisk rally in grain prices late today, and brought about a general advance in all wheat except September contracts. Extensive closing of spreads between July and September wheat was largely responsible for the price bulge, which resulted from wheat buying here against sales at Winnipeg, and from purchases of wheat matching sales of corn.

The various maneuvers were associated with predictions current that the first rush of domestic winter wheat from the 1931 harvest fields would be in big demand because of likelihood of an abnormal premium for old wheat at the end of the season in June.

Wheat closed irregular, 3-5 cents lower to 1/4 higher, the rest for the June delivery, contracts closed 1-1/2 1/2 down, oats unchanged to 1/4 up.
