## THET'LL HAVE TO CHANGE THE STARTING TIME

We got a letter from the telephone company this week tellin' us to start usin' that new contraptiog Mr. Collins had put on our phone -

## AT MIDNIGHT SATURDAT NIGHT

Now folks, you know just as well as I do that midnight's no time to start using that darn thing.

## "No Sir," One o'Clock's Too Early Or Is It Late ... Which?

So if your phone rings at that hour folks, don't pay any attention to it-for more'n likely itll be us practicing. Now folks, all our phone numbers will be changed, so if you'll look in the new phone book the company had printed for us you'll find our new numbers. The phone company is pretty good that way, you know (I mean about printing our phone numbers).
