In today's scrimmage a number of the players will have a chance to show their stuff and Keene can tell what work will need to be emphasized for the games with Oregon States next week. In fact practically all of the Willamette men have played bush league baseball and know the game well.

There has been little chance as yet to judge the hitting ability of the team. Perfect defensive alone will not win ball-games and strong offensive is required to put the winning cleat marks on the old

Strange Bout Ends in Foul Award to Reed; Customers Refunded But Still Gloomy

came to a premature ending Thursday night at the armory with Robin Reed being awarded the match on a foul.

Money was refunded to those who desired it and others took tickets. In the match McCann took the first fall with a body press in just one minute and 10 seconds. In the second period the t o contestants forgot all about wrestling and bent every energy on throwing each other out of the ring. Matt Matheny, the regular referee, was said to be sick and Harry Levy officiated in his place. Some thought that the performers took advantage of the fact that the regular referee was

On one of the occasions when Reed was on the ropes, Levy separated the two. After they were separated McCann stepped up and pushed Reed who had just let go and was ready to come back into the ring. Reed's head struck the floor with a loud thud which stopped him from coming back into the ring. After some confusion Levy awarded the fall to Reed and when Robin stated that he was unable to come back and finish the match, the bout was awarded to him.

The matter of settlement with the wrestlers will come up before the boxing and wrestling

commission. Following the match Reed stated that he had deep respect for the Salem commission in its action to refund the money to the customers when the matter was optional with it. Reed also stated that though he naturally disliked losing the money, he would not make any attempt to collect from the local commission which had always treated him well and had

Woodburn is Winner Over Gervais Nine

WOODBURN, April 8 .- Woodburn high school's baseball team won its first game of the season Wednesday afternoon when it played the team from Gervais high school on the Woodburn field. The final score was 10 to 7.

Ragged baseball was the greatest feature of the game, which lasted five innings. Woodburn and Gervais have both had about two days' practice and conse-quently the tossers are not yet even accustomed to the "feel" of the horsehide. The best individual performance was turned in by Charlie Boyle, Woodburn's outfield flash. He scored four hits in four trips to the plate. Hastle, the pitcher Coach Oddie

of Woodburn started in the game, was taken out early, so Bob Reed, a promising young pitcher, could also get some experience. Dirksen, catcher, was also taken out early and Gearin received for Woodburn (10) (7) Gervais Hastie P...... Sussee
