Trindle Will Rule Funds Two-Mill Levy Usable For Equipment Only

To Permit Operation of **Auxiliary Stations**

Entire readjustment in the finances of Salem's fire department fine ones from some angler's para-will be made imperative under an dise. opinion expected this week from City Attorney Trindle. His office was not ready to release its findings yesterday but indicated that it would hold the special two-mill levy for fire equipment authorized by Salem voters in 1927 can be used solely for fire equipment outlay and cannot be used to pay fire department wages,

found section 84 of the city char-ter provided explicitly that moneys raised under the continuing two-mill levy could go only for (1) new fire equipment, (2) the construction of the North, East and South Salem auxiliary stations and (3) installation of a 50ter amendment specifically pro- church's new building on Summer vides that funds cannot be used for other purposes. Must Close Down

east Salem stations now operations with funds provided with the ing with funds provided with the the day's program will be given special two-mill income, will have over to dedication of the fine new wages and salaries for firemen is ments.

iary stations. that he would suggest a means perintendent of the Deaconess hosout of the dilemma without curtailing fire protection, It will be submitting to voters at a special election an amendment to section 84 of the charter providing that in the future funds derived from fire department maintenance and funds to tide the two auxiliary ing in charge of the Student Aid stations and the South Salem sta- group tion, about to be opened, over the period from the time of his decision until the charter can be

No Other Method Seen at Present If the charter is not amended at the election, then all fire department maintenance would be thrown into the general budget and would be subject to the six per cent tax limitation. Since the city of Salem has raised virtually the maximum legal tax each year, it would be difficult, say members of the fire department committee on the council, to provide sufficient additional moneys from the general budget to carry on the new fire stations mainten-

The history of the local fire department shows that the two-mill special levy was approved by (Turn to page 2, col. 4)

(AP)-W. D. Pearson, 36, presipany, died at Oakridge tonight after injuries received when an electric shock threw him from a power pole on which he was working to the ground 25 feet below. His

The accident happened at 5:30 o'clock this evening and Pearson died at 7 o'clock. A special train was being prepared to take him to Eugene for treatment.

Pearson is survived by his wid-ow; two brothers, Bill Pearson and William G. Pearson, both of Portland, and by his parents at St. Helens. His body will be sent to Portland for ourial.

Pearson was one of the men who escaped from the Willamette river at Westfir two weeks ago when a boat capsized in the swollen stream and two men drowned.

Six Bicycles **Stolen From** Scouts Here ROBBER

Six boys, attending a Boy Scout troop meeting in the Les-lie junior high school building, found grief on their hands when the session was at an end last night. Their bicycles, six of them, were gone.

Whether prank or villainryand there was no evidence to indicate the former—the boys weren't appreciating the situation some time after the meeting was over. Police were notified of the theft,

But in the meantime, the Scouts had their own theories of what had happened, for a number of boys were known to be prowling around the school grounds while the meeting was going on, and it is presumed they were responsible for the wholesale disappearance.

Ten Year Conservation Plan To Cost Five Millions Adopted by Board

No Discussion of Filling Any of Vacant Posts: Miller may Head

Decision to ask resignations from 124 employes comprising the entire employed personnel of the Oregon state game commission, was made at the first meeting of the new members of the commission held at the capitol Monday afternoon. It was ordered that the resignations be filed in the offices of the state commission within the next 15 days. Included in the men affected are H. L. Moreland, acting state game warden; Matt Ryckman, superintendent of hatcheries, and Gene M. Simpson, superintendent of state game farms.

Explaining the action, Marshall Dana, chairman of the commission, declared that many of the employes would be considered for reinstatement along with other applicants for the positions. No action was taken at the meeting toward filling any of the vacan-
