

CHERRY TRADE TO BE SOUGHT

Representative of Growers Will go East to Line Up Maraschino Sale

Egbert Smith, representing the California cherry growers will soon leave for the east to attempt to line up the maraschino market for northwest cherries. Smith has been in Salem for the past two days in conference with Max Gehlar regarding the cherry tariff situation and the possibility of securing an eastern maraschino market for western cherries. Smith has Eastern packers have declared that they could not get suitable cherries for maraschino use from the northwest and this has been the principal argument they advanced against the new cherry tariff. Eastern packers do not favor western cherries as they are so large. Western fruit will pack from 600 to 850 to the gallon while Italian cherries pack around 1200. The trade demand is for the new cherry tariff. Another argument advanced by the packers is that they cannot get as many cherries from the United States as they need. Smith plans to prove to them that the northwest can supply more cherries than they can use.

GRAND ISLAND CLUB MEET INTERESTING

GRAND ISLAND, April 15.—The Grand Island Improvement club held the regular monthly business meeting at the schoolhouse Saturday evening, April 11. Adelbert Smith, president, had charge of the business session after which a short program was rendered. To add zest to the evening, several interesting and comical contests were staged as well as a good old fashioned spelling match. Mrs. Lulu Rockhill and Morton Tompkins chose sides with Mrs. Rockhill's side being victorious. As the evening drew to a close, everyone departed to the basement to enjoy a short social hour in charge of the social committee chairman, Mrs. Hattie Lefley. A light lunch was served. Mrs. Mercy Tompkins and Roy E. Will were appointed as a committee to assist the literary chairman, Mrs. Mildred Smith, in planning the May program.

MUMPS HIT W. H. S.

WOODBURN, April 14.—Mumps is having its fling at Woodburn high school. Three students, Dorothy Austin, Gelta Hunt, and Eugene Cole, have been out of school because of the disease. Because of the fact that two of those ill, Dorothy Austin and Eugene Cole, are on the on-act program scheduled for April 17, the program will probably have to be postponed.

BUTTER, EGGS FIRM, UNCHANGED DROUGHT BREAKUP IS FORESEEN

Receipts Light Enough To Work Hardship Filling Orders

PORTLAND, April 14.—(AP)—Wholesale butter and egg markets were looking firmer as trade opened today but quotations were unchanged. Receipts of both products were lighter. Butter receipts were light enough to work hardship on some dealers in their efforts to fill orders, particularly in 90 score. Recent clearing of accumulated stocks to outside markets left the trade largely dependent on fresh receipts for immediate needs. Demand was fair. The lighter egg receipts were sufficient to amply supply demands for immediate consumption but the market assumed a strong or tone based on prevailing sentiment that the production peak has been passed and a higher market can be expected to follow soon. Country dressed meat and poultry markets were weak in face of supplies of sealers hands more than ample for the ordinary demand in force. Dressed pork was moving especially slow.

Bearish Effect Noted On Grains; Rise Is Checked

CHICAGO, April 14.—(AP)—Possibilities of a general breakup of drought conditions both in Canada and the United States had a sudden bearish effect on grain market today. Sprinkles of rain at various points were followed quickly by price tumbles, weakness resulted also from the fact that wheat had risen 4 cents a bushel within a week, and that trans-Atlantic demand for North American wheat had fallen off compared to brisk activity of late. Wheat closed nervous, unchanged to 1/4 cent lower, corn unchanged to 1/4 cent, oats 1/4 decline to 1/4 advance.

WOODBURN, April 14.—Rev. Elmer W. Blew, pastor of the Woodburn first Presbyterian church, has been secured by the graduating class of Woodburn high school to preach the sermon for the baccalaureate services, to be held in the Methodist church on the evening of May 24. The plan of securing local pastors for baccalaureate addresses was started last year, when Rev. Glenn S. Hartong of the Methodist church preached the sermon. In keeping with an old Woodburn high school tradition, the sophomore class will be in charge of decorations, ushering, and the program, at the services. Last year the baccalaureate services were held in the high school auditorium, but the sentiment of this year's senior class demands that the services be held in a church.
