Pattern

You'll enjoy making this dress because it is so simply done. The raw edges of bodice V and skirt flare are turned under, and narrow embroidery purchased by the yard, is placed there and the machine does the rest. There are side seams, of course, and the neck and tiny sleeve caps must be finished, but these are easily and quickly accomplished. And isn't the result adorable enough to make housekeeping a pleasure? Pattern 2121 is made of a colorful cotton print-percale dimity, cotton broadcloth, shantung, etc.

May be obtained only in sizes 16, 18, 20, 22, 24, 26, 28, 30, 32 and 34. Size 18 requires 3 1/2 yards of 36 inch material.

No dressmaking experience is necessary to make this model with our pattern. Years of experience and simple, exact instructions are given. Send fifteen cents for each pattern. Write plainly your name, address and style number. Be sure to state size wanted.

The new spring and summer patterns catalog features an excellent assortment of afternoon, sports and house dresses, blouses, pajamas and kiddies' clothes, also delightful accessories. Catalog price fifteen cents. Catalog with pattern, twenty-five cents. Address all mail orders to Statesman Pattern Department, 242 West 17th street, New York City.
