

THIEVES RAID PARK STORE

State Traffic Officer's Home Also Entered by Robbers

MONMOUTH, April 16.—C. E. Stewart, proprietor of the Hick Park store and filling station, reported to Sheriff Hooker this morning that his place of business was entered last night and various articles were stolen, including pipes, cigars, cigarette holders, a box of shot-gun cartridges and two Ingersoll watches. A rear window was pried out to gain entrance. This is the fourth time Stewart's store has been robbed since December. At one time he lost \$42 worth of tobacco; also flour, sugar, cooking utensils, a butcher knife, and a Smith & Wesson revolver valued at \$32. The home of traffic officer W. J. Mulkey in Monmouth was also entered last night in the family's absence. A birdcage containing a pair of canaries was overturned, and it is believed that the noise engendered by this occurrence frightened the marauders away as nothing was found missing. A window had been opened to gain admittance. The birds were unharmed.

ZENA, April 16.—L. D. Waring, walnut grower of Bethel Heights, was a business visitor in Zena Tuesday. W. N. Crawford, at whose home he called, gave him a young fig tree from the five year old tree grown in his yard.

Mr. Waring had an odd accident while pruning his walnut orchard last week during the time of the wind storms. He was holding sharp pruning shears in his right hand while up in a tree when a strong wind came up and he put his arms around the trunk of the tree to hold on. His left hand came in contact with the pruning shears as he encircled the tree, neatly cutting off two of his fingers on the left hand. The wounds are healing nicely.

Mr. Waring has charge of the Bethel Heights walnut orchard of Vick Brothers of Salem beside his own orchard.

PRIME HOGS DOWN HALF A CENT ARGENTINA EXPORTS EXCESSIVE

Butter Steady at Rise Of Wednesday on Extra Cubes

PORTLAND, April 16.—(AP)—Extra grade cubes opened steady today at Wednesday's 1 cent advance to 24 cents a pound on the produce exchange. Other grades were unchanged. Early receipts were larger and lower grade stock was offered freely while top grades were rather closely held and some moved into storage. General market tone was steady.

Continued excessive supplies of eggs served to continue the weak and unsettled tone in the opening trade. Quotations were unchanged. Continued supplies of country dressed meats in excess of demand caused 1/2 cent declines in dealers' bid for prime hogs and veal to 11 cents on the former and 12 1/2 to 13 on the latter and best spring lambs were quoted 2 cents lower at 18 to 20 cents.

Good demand was in evidence for poultry at steady prices.

Political Rumpus Said Cause; Rallies at Chicago Follow

CHICAGO, April 16.—(AP)—Reports that Argentina had delayed trans-Atlantic countries with wheat offerings, unsettling grain prices today. Exchange rates on Argentina suffered a break, and Buenos Aires wheat quotations dropped 2 1/2 cents per bushel.

These results were attributed to disturbed political conditions in South America and in Europe, late speculative trading, however, in which Chicago September and December deliveries of wheat were brought about sales of July helped to bring about rallies.
