## Cooperative Shipment to Portland Cause Of Dull Market

PORTLAND, April 17.—(AP)—Wholesale butter market opened strong on top grades and steady on lower grades today. Despite larger receipts this week, demand was such that some dealers were forced to offer slight premiums for 91 score butter to fill requirements.

Reactions, however, from the day's top levels for wheat, were reported by reports of light snowfalls in sections of Canada and by Texas advices that winter wheat condition throughout the entire southwest was almost perfect with indications pointing to an earlier harvest than usual.

Wheat closed irregular, 1-8 cent lower to 7-8 higher, corn 1-4-7-8 down, oats unchanged to 1-3 off.

# Southwest However is Reporting Perfect Grain Weather

CHICAGO, April 17.—(AP)—Urgent need of moisture in most of the spring wheat belt northwest gave impetus to buyers today, and tended to lift prices, sudden rallies in Liverpool wheat quotations, accompanying advances in Argentine exchange rates, had a further bullish effect.

Reactions, however, from the day's top levels for wheat, were reported by reports of light snowfalls in sections of Canada and by Texas advices that winter wheat condition throughout the entire southwest was almost perfect with indications pointing to an earlier harvest than usual.

# HUBBARD CLUBS SHOW WORK DONE

## County Leader is Speaker Before Large Audience Of Parents

HUBBARD, April 17.—William W. Fox, Marion county 4-H club leader, was the speaker at the Achievement day program and club exhibits at the Hubbard schoolhouse Thursday afternoon.

Mr. Fox interestingly explained the purposes of club work to the many patrons of the school and also to the group of 4-H club members present. He pointed out that "profit and loss of investment" is a big factor to be considered in 4-H club work.

He also stated that 4-H club projects must be finished 100 per cent, and that boys and girls doing club work learned that the proper methods of doing things resulted in greater efficiency and greater returns for the time and efforts spent.

Mr. Fox complimented the Hubbard sewing class in the good workmanship shown in the exhibits, being uniformly good with no evidence of carelessness, proving that the club leadership has been excellent.

Miss Eleanor Johnson, vice-president of the sewing club, was chairman of the program, other numbers of which included: 4-H club songs by the club members, the flag salute by all, a group of songs by grades 3 and 4 under the supervision of Miss Frances Hatch, teacher; a sewing demonstration by Miss Gladys Ingalls and Miss Freida Vogel, and reports by Besie Ingalls, president, and Jessie Ingalls, secretary, of the sewing club; James Bidgood, president, and Howard Loney, secretary, of the chicken club, and John Dimick, president, and Boyd Brown, secretary, pig club.

Four-H clubs represented and the prize winners were as follows: Sewing club, Miss Eleanor Johnson, first; Miss Esther Bailey, second, and Miss Freida Vogel, third; Gladys Ingalls and Miss Marion McKelzie, third, chicken club, Mantou, Carl, first; Elliot John-

held at Butteville. Those going for the day were Mr. and Mrs. U. E. Denyer, Mr. and Mrs. C. T. White, Mr. and Mrs. G. W. Faris, Mr. and Mrs. Raymond Titus, Mr. and Mrs. A. Edwards, Mrs. J. E. Webb, Mrs. Stella Miller, Mrs. J. M. Bones, Mrs. George Crume and Mrs. F. Mitchell.

Turner and Ankeny granges will entertain the next Pomona grange the third Wednesday in July at the Ankeny hall.

# CULT MURDER LAID TO JEALOUSY

## Three Children Thrown, (left) Wellesley graduate and mother of three children, is held at Wilkes-Barre, Penn., on a charge of killing Miss Minnie Dilley, 75, (right) wealthy spinster. Authorities ascribed the murder to Mrs. Thomsen's belief that the aged spinster had exercised an "influence" over her husband, Carl Thomsen, and because she feared a "love cult" which, it is alleged, the slain woman wished to establish with Thomsen's aid.

# LETTUCE IS AGAIN ON UPWARD CLIMB

## Lettuce is in another upward climb, with California's shipments considerably less than the present demand, and little indication of increased loadings until next week. Portland retailers are paying \$4.00, and even \$4.50 per crate of best Salinas lettuce. Fair quality, and old holdings are as low as \$3.00 per crate.

Oregon-Washington asparagus is still delayed by unsettled weather. No district is shipping heavily yet. Asparagus supplies are only moderate in Portland. California grass is barely steady at \$1.80-\$2.00 per 30-lb. crate; Northwest stock is steady, around \$1.40-\$1.50 per dozen 1-lb. bunches.

Tomatoes now show very wide range in quality, with a prevalence of fair to ordinary quality, selling "as is" at \$2-\$3.50 per lug. Best re-packs are as high as \$5.00.

Good tender spinach is scarce. Best new offerings sold at 75c per 30-lb. box.

WOODBURN, April 17.—The city council met Wednesday evening at the home of the mayor, G. J. Moisan, who has been confined to his home for the past three weeks with rheumatism.

The main item of business coming before the council Wednesday night was the purchasing of a new tank for the city's supply of water. The present tank has been in use for the past 25 or more years and recently a leak was discovered in it, which is an indication that it is badly rusted. The present tank carries a pressure of 70 pounds and it is planned to buy a 100-pound pressure tank to replace it.

The council also considered the purchasing of a new fire hose.
