BOWLING Afternoons One Game Free WINTER GARDEN **BOWLING ALLEYS** DST19d DOO'L DOOD

And Salem High Billed to Face Molalla at 2 p. m., Olinger

A double-header baseball program is billed for this afternoon on Olinger field with Salem high and Molalla opening the day's play at 1:45 and Willamette and Oregon State mixing at 4 o'clock in what promises to be the best college baseball game of the year

Willamette and Oregon State have each defeated U. of O. twice and are probably the two strongest college nines in the state. The final playoff in the northwest conference in baseball this spring will be held at Walla Walla or at Caldwell, Idaho, depending on whether Whitman or C. of I. wins in the eastern division. This means that even if Wilamette does win the western section of the conference, the final games will not be here. Today's game with Ralph Coleman's staters and Friday's game with Oregon here will be two of the best of the season and possibly the last of the firstclass games here.

Coach "Spec" Keene intends to start Andy Peterson on the mound today and if Andy's arm gets to working properly the Corvallis basmen will face a real problem. However, in the two games that O. S. C. won from the Bearcats it was loose fielding rather than poor pitching which was the deciding factor.

In the second game at Corvallis Ralph Coleman's men had a veritable scare when the bases were loaded in the ninth and Zeke Girod drove the ball far out in center field. The score was 10 to 7 in favor of Q. S. C. and Girod's hit looked like a sure home run, but Ballard's winged feet carried him close enough to the ball that he was able to make a mighty leap and drag it in with one hand

On Monday "Spec" stated that it would be only a lack of hustle if his men were defeated today. All of his men are good hitters and are liable to hit safely any time. Peterson is as good as Brown, who pitches for Oregon the field by making four hits out State, and Willamette's outfield Infield Giving Some Concern

> The part of the team which is giving "Spec" some concern is the two straight from the St. Louis for a strong team next year. infield. Individually they are the to guard the bases for a long while, but they do not always work together as a whole. "Gibson would be three times

as good a player if he would always keep hustling," stated Keene Monday. "Hoot" is a good man and is capable of being of immense value to the team. Adams is working well at first base and is beginning to find himself with the bat. Gribble played a whale of a game on third at Columbia university Saturday, but was not out for practice Monday. For this reason Gibson will probably start at the hot corner against O. S. C. Messenger will hold Peterson's pitches and the Girod boys will work second and shortstop.

Scales and Erickson will start in the outfield and possibly Gretsch or "Doby" Wood will be in right field, as both hit well in their last games, Gill and Moore will be on hand. Erickson was

well at that position. Coach Keene stated that he can not remember of any time since 1905 that Willamette has beaten 64 Qualified O. S. C. in baseball and he feels that this is the Bearcats' big opportunity. The defense is still New York Giants 8 to 5 victory rather weak, but is constantly improving and the hitting has been first of the inter-borough series Strong Molalla

Team is Coming Salem high won from Molalla, 3 to 2, this season at the latter's town and will try to do as much today. Perrine pitched a successful game against Molalla before

First Round Spring Golf Meet Ended IN INTERCLASS

Track and Field Sports a Willamette Show Gain In Interest now

Much interest was manifest in rack at Willamette Monday when the interclass track meet was run off with a large number of entrants. The freshmen won the meet by a wide margin.

Track at Willamette has had several lean years with little intertest shown, but it now appears that with new life and ability added from the freshman class, the Bearcats will again start climbing toward an equal footing in track. The freshmen took six of the 14 first places in Monday's meet and scored 61 points.

The juniors, led by Percy Carpenter and Don Faber, came second with 42 1/2 points. The seniors scored 29 1/2 and the sophomores picked up loose points and took one first to score 16.

Armstrong made good time in the 440, covering the distance in 56.4. He has been working hard and should be a valuable man in future meets. Kloostra went five feet seven in the high jump and Fred Smith took first place in the javelin throw. Keizer took first in the half mile, but the time was nothing remarkable as he was not
