Stayton High School Makes Change in Custom to Avoid Delays

STAYTON, April 29.—The crowning of the Stayton high school May queen, Gertrude Smith, will be held at the high school gym, May 1 at 8 p.m.

Doris Huber and Thelma Dillard will wear yellow, Mary Calavan and Wava Wilson will wear green, and Florence Murphy and Kathaleen Quillhot will wear pink dresses. The dresses are made of voile.

DR. CALDWELL'S WAY helps any Child's Bowels

Often, this simple prescription brings the first natural, complete bowel action a child has had in weeks. And the entire system benefits from its gentle aid!

Feverishness, biliousness, headaches simply disappear when Syrup Pepsin is used. The bowels become regular and remain that way. Appetite becomes hearty; the digestion becomes more complete; energy and strength are restored.

Nothing you can give a bilious, half-sick, constipated child—or take yourself when your bowels need help—will do as much for you.

Dr. Caldwell's Syrup Pepsin is a prescription for the bowels, written by a famous physician—one whose record of over 3500 birth cases without loss of one mother or baby is believed unique in American medical history.

No wonder Dr. Caldwell's Syrup Pepsin is ideal for women and children. But it is equally effective for the bowels of robust men. Whether you're only occasionally constipated or chronically that way, it will cleanse, regulate your bowels, harmlessly and in a hurry. All drug stores have the big bottles.
