## Under the Dome . . .

Occurrences and Gossip at the center of Oregon's state government

**The state house and state offices** will be closed this afternoon, and all flags at half mast in respect to Thomas E. Kay, state treasurer, whose funeral will be held at 2 o'clock.

The sudden death of the veteran state official was keenly felt around the capitol grounds yesterday, and the heart was taken out of work. Kay was a familiar figure in the state house, where he has been almost a constant figure for thirty years. Very little else was discussed, there didn't seem to be anything else.

The state highway commission today will hold a short meeting in Portland, then adjourn to attend the funeral of Kay. A later meeting, May 14, will see the scheduled activities of the commission set for today. Bids will be opened, but no delegations will be heard, the commission announced.

**Telegrams, messages and hundreds of calls** were received at the Kay home yesterday, displaying but a little of the feeling of loss his passing has created in Oregon. "Tom will be missed," was the expression of all. Kay had many friends over the entire state, and his friends knew him well. James Stewart, of the lead board, said he has lost the best friend he ever had.

**Appraisers Report**—H. A. Smart, Martin Ferry and Robert S. Batcliffe, as appraisers of estate of Mary Ann Smart, incompetent, have reported a value of \$208.43 on the estate property.

**Transfer Authorized**—In estate of Isadore Greenbaum, order authorizes assignment of 10 shares of Montgomery Ward and company stock to Eva M. Greenbaum.

**In Probate**—The estate of Frederick Wallace Harner Jr., valued at \$1000, has been admitted to probate. Ronald C. Glover is administrator.

**Rubis in Charge**—J. E. Rubis has been appointed administrator of the estate of Elizabeth Whitehead, valued at \$1000.

**Extra Tiny**—A baby girl who weighed but four pounds and eight ounces was born Tuesday at the Bungalow maternity home to Mr. and Mrs. P. D. Bale of Woodburn.

**Speeding Fine**—Louis H. Olmstead, Route 9, was arrested and fined \$5 for speeding, Wednesday, by officials of Salem.

**Appraisal**—E. B. Millard, C. M. Cox and Roy Burton have appraised the estate of Bert Banker at \$2,983.32.

**Administrator**—The \$3600 estate of Emma Hilden will be administered by E. M. Hilden, according to probate records.

**Foreclosure**—Foreclosure decree has been handed down in suit of Emma Hilden vs. Lambert against W. E. Milburn and others.

## POPPY POSTER AWARDS MADE

Jean Doolittle and Richard Arslanian Lead in Art Contest

Jean Doolittle of Parrish junior high school and Richard Arslanian, 6A pupil at Richmond, won first places in their respective divisions in the poppy poster contest sponsored by the local American Legion auxiliary.

Orien Lewis and Charles Williams, both of Leslie junior high, received honorable mention in that division and Jean Trobert of the 6B grade at Richmond received honorable mention.

The two highest contests, now on display at the Foot Health shoe company windows, will be sent to Mrs. LaDoria Cobb at Prineville to be entered in the state poster contest.

The contest, which was judged by Byron C. Llewellyn and P. J. Remington, is preliminary to the annual "Poppy day" sale, to be held May 25.

Many disabled World war veterans will be engaged in making the 1931 supply of memorial poppies right up to the day of the sale, according to Mrs. Cyril Naden, poppy chairman of the local auxiliary unit. The work furnishes many months employment to veterans.

**Poppy Purchase To Aid Disabled**  
"This work for the disabled veterans is made possible by the persons who purchase the American Legion auxiliary poppy on 'Poppy Day,'" said Mrs. Naden. "The disabled men who are at work in government hospitals, and in workrooms maintained by the auxiliary in 31 different states receive one cent for each flower produced. Approximately \$100,000 dollars will be paid to them in wages this year."

"How soon the work can be re-opened after 'Poppy Day' and the making of poppies started for 1932 depends upon the public response to the poppy sale this year."

Life underwriters of Salem held a noon luncheon Monday and elected officers for the year. Those chosen are John Hunter, president; S. C. McElhenny, secretary-treasurer. They will succeed Paul Acton and George Aldrin.

## IT BABY HAS COLIC

COLIC comes suddenly. Your first intimation that something is wrong may be a warning cry in the night. If you have a bottle of Castoria handy you needn't worry, for a little of this pure vegetable remedy will soon have baby's happy self again; let him go back to sleep.

Castoria is always the sensible thing to give an ailing child. When a child is restless, fretful, with coated tongue, bad breath and lack of appetite, it is a mother's standby. Most mothers give Castoria an important place in their homes. Ready for sour stomach, constipation, or upset. When buying Fletcher's Castoria always look for Chas. H. Fletcher's signature on the wrapper. This identifies the genuine product.

## It's what you get, not what you pay, that counts in buying motor oil.

**U. S. Navy buys Cylcol**  
World's finest motor oil purchased after competition for Navy's Pacific fleet requirements on sea and land and in the air.  
Marine turbines, motors and dynamos, reduction gear turbines, rotary pumps, diesel engines, farm lighting outfits, motor cars, trucks and launches, air compressors, aircraft engines, high compression motor boat engines, motorcycles, tractors.

Pay only 25c per quart for Cylcol, and get highest service rating at Lowest Service Cost. The Navy bought Cylcol on service cost. Prove it in your motor.

**HERE at last is a motor oil that has taken the guesswork out of buying lubrication. Buy it on its Service Cost, and be assured you're getting the greatest value money can buy.**  
You wouldn't buy a piano without hearing it played. Accept this proof of lubrication when you prepare to protect your car from wearing, grinding friction.  
Few motor oils can stand the tests that Cylcol stood. Whatever the base crude, whatever the refining method, whatever the price asked, Cylcol triumphed in Lowest Service Cost.

Just as you buy most everything else you use, combine oil's price with the work it must do. Greater endurance, unexcelled stamina and resistance to heat, low carbon, minimum maintenance cost, assured protection. That's what Lowest Service Cost means to you.  
Drive in where you see the red, green and cream Cylcol sign that played for this finest motor oil that "protects the fleet that guards the Pacific."

### Proved by Test for Service Cost

The results of Navy tests are confidential, but here are results of tests made at our own refinery following strictest U. S. Navy standards.  
The world's finest motor oils were put through measured heat, friction and pressure tests for 100 hours on a specially designed Navy type bearing. Findings, when compared with prices, gave Service Cost, and Cylcol easily triumphed.
