

UNIQUE EVENT MUSIC WEEK

Silverton Committee Plans Broadcast; Other Con- certs Arranged

SILVERTON, April 30—The Silverton music week committee announces that it has secured a particularly interesting feature for Saturday night, May 9. Alfred Adams has agreed to "hook up" his new broadcast car with its three dynamic speakers, for a "visible studio" night. Two of the large windows in the Stiff Furniture store will be stripped and rearranged into a regular broadcast studio. From here an hour's program of local talent will be given.

The combined sacred and Mother's Day program which will be given Sunday night, May 10, is also nearing completion and the young people's night for May 7 is outlined. Both give promise of being very good.

The first public program of the week will be Monday night, May 4th, when a costume program has been arranged. This will open at the Eugene Field auditorium at 8 o'clock and is free of charge. None of the numbers are long and there will be no encores. All of those appearing on the program have been asked to wear a "dress-up" costume. Mrs. Gertrude Cameron, chairman of the local Music Week at Silverton, is acting as chairman Monday night.

Hal Campbell's orchestra will open the evening's program. Mrs. George Hubbs, president of the Women's club, who is sponsoring the program, and Earl Adams, president of the chamber of commerce will welcome the people. Other numbers on the program include vocal solos by Zeida Farish, Mrs. W. F. Tat, Max Scriber, Mrs. W. F. Krenz, Mrs. Alvin Legard, Burton Murphy, Martin Doerfler, Mrs. Jasper Dullum; Harmonica solo, Rudd Bentzen; harmonica duet, Catharine Cuddy and Edith Knight; Hawaiian and Spanish numbers by Harbo Thompson and his boys; harp solo, Mrs. Vernon Day; reading by Mrs. Warren Crabtree assisted by Miss Lou Anne Chase and Mrs. Mae Wells; violin solo, by Beryl Ottaway; bag pipe number by W. R. Tomison.

The program which was to have been given at Trinity church Sunday afternoon has been postponed until Sunday, May 10, when it will be given at 1:30 at Trinity church.

12 to Graduate From Scio High Is Announcement

SCIO, April 30—Twelve members of the Scio high school senior class are scheduled for completion of the course at the commencement exercises to be held in this city May 28, according to official announcement this week. Wm. C. Jones, professor of economics at Willamette university, will address the class on the subject, "Planning for a Decade."

as furnished by F. A. Gallegly, principal of the high school; Carol Crosshaw, Merle DeWalt, Helene Elgin, Libby Faltus, Cecil Grimes, Lumia Kruml, Vincent McDonald, Clark Mumper, Rose Novak, Alma Phillippi, Gloria Wesley, Beulah Withers.

The baccalaureate sermon will be delivered on Sunday evening, May 31, but the speaker and the place of meeting have not been fully decided, it was stated. One of the local churches perhaps will be used for the service, it is said. Commencement exercises will be held either at the high school auditorium or at the local theatre, it was announced.

Gloria Wesley will be the valedictorian of the graduating class. The scholarship offered to graduate with the highest rating also will go to Miss Wesley in the event she desires to use it. However, it is understood she does not now plan to continue her educational career along college lines but will enter upon a commercial course instead. In that event, the scholarship will go to the next ranking member of the class, it is stated.

The exercises on May 28 will close the present school year, according to present plans.

During the school year now drawing to a close the local high school has had the largest enrollment in its history, at one time slightly exceeding a membership of 100. The high standard of the course, the efficiency of the faculty, operation of transportation buses, the centralized conveniences of the Scio situation and other pertinent conditions are advanced as contributing features in the increasing enrollment both in the grades and in the high school.

Aged Woman Fractures Leg

QUINABY, April 28—Mrs. Rickett, a 77 year old resident of Quinaby, fractured her leg Sunday, when a cow she was leading became frightened and ran, causing Mrs. Rickett to become entangled in the rope. A doctor and ambulance was called from Salem and Mrs. Rickett was taken to a Salem hospital.

Mrs. E. E. Latourette of Estacada spent several days last week at the home of her son-in-law and daughter, Mr. and Mrs. Ralph Harold. Sunday, Mr. and Mrs. Harold took Mrs. Latourette and Miss Nina Latourette to Oregon City and then motored on to Portland to visit friends.

MYSTERY PLAY WINS PERRYDALE

PERRYDALE, April 30—"Mystery of Third Gable" a real mystery play put on by the high school students here Tuesday was the best entertainment Perrydale people have had for a long period.

A large crowd was out to support the high school, a number from Ballston attending also.

The cast was chosen and coached by Wanda Elliott and the characteristics accorded each one are as follows: Harry Nedrow as a hard boiled rum-runner had things his way until he matched wits with Kenneth Keyt as a detective. May Van Staavens, as a very dignified old housekeeper was very well. Thorval Miller, the old judge who sought rest and a quiet vacation at the lonely dwelling to get away from a very active term as a judge dealing with bootleggers, found anything but rest awaiting him. Elinor Glynn takes the part of his charming wife and she did this part splendidly.

Their daughter played by Mal-d. Carrol, sought romance and excitement, she found both during the course of events.

Their son as taken by Andy Van Otten was very good; he was full of wit, and a great comfort to his family with his nonchalant way until he also began to see things.

Aladine Campbell did good acting as a timid nervous young woman.

Arline White had a difficult part as the private secretary of the judge. She had many complicated situations to explain. Edward Mollenaar as policeman handled his prisoners in an experienced way.

Music was furnished by Robert Mitchell's orchestra with Cleo Odum of Amity as soloist.

yet you'll find me sitting in on the office conference"

Knee-deep in a swirling salmon stream—or even deeper in some office problem—you relish the taste of a good cigarette. And the better and milder the tobaccos, the better the taste and the milder the smoke—that's bound to follow. What you taste in Chesterfield is the flavor and aroma of the tobaccos themselves. Chesterfield's blend and cross-blend gives you a fragrance and delicacy you'll find in no other cigarette.

They're MILD—and yet they SATISFY!

FOR NINETEEN years, our Research Department has kept intimate touch with every new development of Science that could be applied to the manufacture of cigarettes. During this period there has been no development of tested value or importance to the smoker which we have not incorporated into the making of Chesterfield cigarettes.
