Mother o' Mine

A mother's kiss.
A fond goodbye,
A tear on her cheek,
A heart-felt sigh

Are the things we miss
As we journey on
Far away from home
Till the touch is gone.

A kiss with a feeling
None but mother can give.
No matter how old
Will always live.

A fond goodbye
As she watched us go
To live among the masses,
Sorrow and trouble to know.

A tear on her cheek
Like the diamonds that shine
This blessed old soul,
That mother of mine.

A heart-felt sigh
As she knew it was done
To tear apart
That mother and son.

DINA MACK.

CHEAP CUTS OF MEAT IMPROVED BY USING SUGAR

Sugar Blends Deliciously with Meat Juices and Seasonings

One of the most inexpensive meat stews to make is the famous Mexican dish—Chili Con Carne. The recipe, which is very simple, follows:

Slice fine, two onions and cook slowly in four tablespoons of fat in a covered kettle until soft—egg browns. Then add one and one-half pounds round steak or cheaper beef cut in small cubes and cook until the meat starts to fry. Stir in one to three tablespoons Chili powder, mixed in a little water, one teaspoon salt and two teaspoons sugar. Next add one quart hot water and one-half cup tomato puree or juice. Simmer until meat is very tender and the stew is of a thick consistency. Serve with potatoes, rice, corn or hominy and a salad. This meal topped with a sweet dessert is most satisfying and properly balanced.

Sugar can be similarly used when you stew, braise or pot-roast cheap cuts of beef or lamb; and a dash of sugar to a pinch of salt noticeably improves the flavor of vegetables. Most foods are more delicious with sugar. The Sugar Institute. Adv.

Lucky Children whose mothers realize...

Children whose mothers appreciate the full importance of minerals and vitamins are indeed fortunate. They ought to grow up with much better teeth, stronger bodies, greater resistance to disease.

Plenty of calcium, phosphorus, chlorine, iron and copper are vitally important. Yet many a hearty meal is lacking in these elements. No wonder mothers welcome Kellogg's Whole Wheat Biscuit.

Two Kellogg's Whole Wheat Biscuits and milk supply 10 important mineral salts and 6 vitamins—more than a third of the average person's daily mineral requirements. Every biscuit is double toasted. Extra crisp. Made of crunchy wheat shreds. Delicious for breakfast, lunch, the children's supper—a late snack. Ready to eat.

Order a red-and-green package from your grocer. Notice the certified food analysis on the side panel. You couldn't serve two better foods than these wonderful biscuits and whole milk. Made by Kellogg in Battle Creek.
